## **Heroes In American Folklore:**

Heroes in American Folklore Irwin Shapiro,1967      Heroes in American Folklore ,1964      *Encyclopedia of American Folklore* Linda Watts,2020-07-01 Folklore has been described as the unwritten literature of a culture its songs stories sayings games rituals beliefs and ways of life *Encyclopedia of American Folklore* helps readers explore topics terms themes figures and issues related to this popular subject This comprehensive reference guide addresses the needs of multiple audiences including high school college and public libraries archive and museum collections storytellers and independent researchers Its content and organization correspond to the ways educators integrate folklore within literacy and wider learning objectives for language arts and cultural studies at the secondary level This well rounded resource connects United States folk forms with their cultural origin historical context and social function Appendixes include a bibliography a category index and a discussion of starting points for researching American folklore References and bibliographic material throughout the text highlight recently published and commonly available materials for further study Coverage includes Folk heroes and legendary figures including Paul Bunyan and Yankee Doodle Fables fairy tales and myths often featured in American folklore including Little Red Riding Hood and The Princess and the Pea American authors who have added to or modified folklore traditions including Washington Irving Historical events that gave rise to folklore including the civil rights movement and the Revolutionary War Terms in folklore studies such as fieldwork and the folklife movement Holidays and observances such as Christmas and Kwanzaa Topics related to folklore in everyday life such as sports folklore and courtship dating folklore Folklore related to cultural groups such as Appalachian folklore and African American folklore and more      American Folklore, Legends, and Tall Tales for Readers Theatre Anthony D. Fredericks,2008-10-30 Tony Fredericks presents a collection of best loved stories in the popular readers theatre format to integrate with the United States history and language arts curriculum in the upper elementary and middle school grades This collection of over 20 well known and not so well known tales will be invaluable to teachers in American schools as they do their usual units of study in American history and literature Plays focus on entertaining folklore tall tales and legends to aid teachers in building fluency skills in their young readers Included are tips for introducing and using Readers Theatre with students in grades 4 8      **Folk Heroes and Heroines around the World** Graham Seal,Kim Kennedy White,2016-03-14 This comprehensive collection of folk hero tales builds on the success of the first edition by providing readers with expanded contextual information on story characters from the Americas to Zanzibar Despite the tremendous differences between cultures and ethnicities across the world all of them have folk heroes and heroines real and imagined that have been represented in tales legends songs and verse These stories persist through time and space over generations even through migrations to new countries and languages This encyclopedia is a one stop source for broad coverage of the world s folk hero tales Geared toward high school and early college readers the book opens with an overview of folk heroes and heroines that provides invaluable context and then presents a chronology The

book is divided into two main sections the first provides entries on the major types and themes the second addresses specific folk tale characters organized by continent with folk hero entries organized alphabetically Each entry provides cross references as well as a list of further readings Continent sections include a bibliography for additional research The book concludes with an alphabetical list of heroes and an index of hero types

**American Regional Folklore** Terry Mood Leopold,2004-09-24 An easy to use guide to American regional folklore with advice on conducting research regional essays and a selective annotated bibliography American Regional Folklore begins with a chapter on library research including how to locate a library suitable for folklore research how to understand a library s resources and how to construct a research strategy Mood also gives excellent advice on researching beyond the library locating and using community resources like historical societies museums fairs and festivals storytelling groups local colleges newspapers and magazines and individuals with knowledge of the field The rest of the book is divided into eight sections each one highlighting a separate region the Northeast the South and Southern Highlands the Midwest the Southwest the West the Northwest Alaska and Hawaii Each regional section contains a useful overview essay written by an expert on the folklore of that particular region followed by a selective annotated bibliography of books and a directory of related resources

*Encyclopedia of Asian American Folklore and Folklife* Jonathan H. X. Lee,Kathleen Nadeau,2010-12-21 This comprehensive compilation of entries documents the origins transmissions and transformations of Asian American folklore and folklife Equally instructive and intriguing the Encyclopedia of Asian American Folklore and Folklife provides an illuminating overview of Asian American folklore as a way of life Surveying the histories peoples and cultures of numerous Asian American ethnic and cultural groups the work covers everything from ancient Asian folklore folktales and folk practices that have been transmitted and transformed in America to new expressions of Asian American folklore and folktales unique to the Asian American historical and contemporary experiences The encyclopedia s three comprehensive volumes cover an extraordinarily wide range of Asian American cultural and ethnic groups as well as mixed race and mixed heritage Asian Americans Each group section is introduced by a historical overview essay followed by short entries on topics such as ghosts and spirits clothes and jewelry arts and crafts home decorations family and community religious practices rituals holidays music foodways literature traditional healing and medicine and much much more Topics and theories are examined from crosscultural and interdisciplinary perspectives to add to the value of the work

**Outlaw Heroes in Myth and History** Graham Seal,2011-07-01 This book is an overview and analysis of the global tradition of the outlaw hero The mythology and history of the outlaw hero is traced from the Roman Empire to the present showing how both real and mythic figures have influenced social political economic and cultural outcomes in many times and places The book also looks at the contemporary continuations of the outlaw hero mythology not only in popular culture and everyday life but also in the current outbreak of global terrorism

**Antifascism in American Art** Cécile Whiting,1989-01-01 Whiting examines the various manifestations of antifacist art showing how each negotiated

the competing demands of artistic conventions aesthetic and political theories and historical developments [Journal of American Folklore](#) ,1926      **Encyclopedia of Heroism Studies** ,2024-10-01 This reference work is an important resource in the growing field of heroism studies It presents concepts research and events key to understanding heroism heroic leadership heroism development heroism science and their relevant applications to businesses organizations clinical psychology human wellness human growth potential public health social justice social activism and the humanities The encyclopedia emphasizes five key realms of theory and application Business and organization focusing on management effectiveness emotional intelligence empowerment ethics transformational leadership product branding motivation employee wellness entrepreneurship and whistleblowers clinical health psychology and public health focusing on stress and trauma maltreatment emotional distress bullying psychopathy depression anxiety family disfunction chronic illness and healthcare workers wellbeing human growth and positive psychology discussing altruism authenticity character strengths compassion elevation emotional agility eudaimonia morality empathy flourishing flow self efficacy joy kindness prospection moral development courage and resilience social justice and activism highlighting anti racism anti bullying civil disobedience civil rights heroes climate change environmental heroes enslavement heroes human rights heroism humanitarian heroes inclusivity LGBTQ heroism metoo movement heroism racism sustainability and women s suffrage heroes and humanities relating to the mythic hero s journey bliss boon crossing the threshold epic heroes fairy tales fiction language and rhetoric narratives mythology hero monomyth humanities and heroism religious heroes and tragic heroes      [Myths, Legends, and Folktales of America](#) David Leeming,Jake Page,2000-07-27 This marvelous collection brings together the great myths and legends of the United States from the creation stories of the first inhabitants to the tall tales of the Western frontier to the legendary outlaws of the 1920s and beyond This thoroughly engaging anthology is sweeping in its scope embracing Big Foot and Windigo Hiawatha and Uncle Sam Paul Revere and Billy the Kid and even the Iroquois Flying Head and Elvis In the book s section on dogmas and icons for instance Leeming and Page discuss the American melting pot the notion of manifest destiny and the imposing historical and literary figure of Henry Adams And under Heroes and Heroines they have assembled everyone from Honest Abe Lincoln and George I Cannot Tell a Lie Washington to Bessie Smith Billie Holiday and Martin Luther King Jr For every myth or hero rendered here the editors include an informative yet readable excerpt often the definitive account of the story in question Taken as a whole Myths Legends and Folktales of America reveals how waves of immigrants encountering this strange land for the first time adapted their religions beliefs and folklore to help make sense of a new and astounding place Covering Johnny Appleseed and Stagolee as well as Paul Bunyan and Moby Dick this wonderful anthology illuminates our nation s myth making enriching our idea of what it means to be American      **World Folklore for Storytellers: Tales of Wonder, Wisdom, Fools, and Heroes** Howard J Sherman,2014-12-18 Here is a treasury of favorite and little known tales from Africa Asia Europe the Americas Australia and Oceania gracefully retold and accompanied by

fascinating detailed information of their historic and cultural backgrounds The introduction provides an informative overview of folklore its purpose in world cultures and in contemporary society and popular culture Following this the main sections of the book are arranged by tale type covering wonder tales hero tales tales of kindness repaid and hope and redemption and finally tales of fools and wise people Each section begins by comparing the tales cross culturally explaining similarities and differences in the folkloric narratives Tales from diverse cultures are then presented introduced and retold in a highly readable fashion

**Hardboiled Hollywood** Jan-Christoph Prüfer, 2007-04-11 Inhaltsangabe Abstract I have chosen the two films that will be subjected to examination in this work because they have a lot in common at first glance Their scripts are based on crime novels of the so called hardboiled school a stream in American popular literature that developed after the First World War They were both filmed in the 1940s and produced by the Warner Brothers studio No scholarly or critical discussion of the Hollywood genre of film noir is complete without them and they both feature Humphrey Bogart as the main actor in the role of the private eye What I hope to show this thesis is not only that these films despite the similarities outlined above are far from being basically the same movies but additionally to give convincing reasons why this is the case One of these reasons will be the evaluation of the fact that the literary private eyes that the heroes of John Huston s *The Maltese Falcon* 1941 and Howard Hawks *The Big Sleep* 1946 are based on already differ in their character concept and that these differences correspondingly found their way to the screen in the adaptations A further decisive point for measuring the differences between the films is that I will assume that these movies were financial successes because they reflected the times that they were made in and thus gave movie audiences what they wanted to see That movies are products of their time is a fact as blatant as it is true yet one that has repeatedly been called into question in the past The Hollywood genre system the directors the financial interests of the movie making industry have all been pointed out as shaping a movie and its content rather than some mysterious connection between a film and the popular mind the convictions dreams and anxieties of the masses commonly referred to as a people s culture But although I do not doubt the significance of the factors mentioned above I agree with Albert Quart and Leonard Auster who pointed out that filmmakers are human beings and parts of their societies and that consequently they are touched by the same tensions and fantasies and their profits are usually dependent on their ability to guess popular feelings Will Wright similarly argued that the popular success of a movie can be considered as evidence that it struck a nerve with contemporary audiences as stars and promotion campaigns promising action filled escapist fantasies alone have frequently turned out to be insufficient

George Magoon and the Down East Game War Edward D. Ives, 1993 George Magoon 1851 1929 a notorious moose and deer poacher in Maine was the hero of scores of funny stories of how he outwitted game wardens Preserving these oral histories Edward Ives documents Magoon s life and explores his significance as a folk hero within the context of the conservation movement the cult of the sportsman and Maine s increasingly restrictive game laws A rich and subtle book an important work by a major scholar It is a major

contribution to folklore studies and to history and American studies as well Journal of American Folklore      *Folklore: An Encyclopedia of Beliefs, Customs, Tales, Music, and Art*, Charlie T. McCormick Ph.D., Kim Kennedy White, 2010-12-13 Written by an international team of acclaimed folklorists this reference text provides a cross cultural survey of the major types and methods of inquiry in folklore Did you know that the tale of Cinderella is over 1 000 years old and similar versions of this singular story exist in hundreds of cultures around the globe Have you heard of deathlore a subgenre of folklore involving tombstones coffins cemeteries and roadside memorial shrines Did you realize that UFO sightings and cyber cultures constitute modern folklore The broad field of folklore studies developed over the past two centuries provides significant insights into many aspects of human culture While the term folklore conjures images of ancient practices and beliefs or folk heroes and traditional stories it also applies to today s ever changing cultural landscape Even certain aspects of modern Internet based popular culture and contemporary rites of passage represent folklore This encyclopedia covers all the major genres of both ancient and contemporary folklore This second edition adds more than 100 entries that examine the folklore practices of major ethnic groups folk heroes creatures of myth and legend and emerging areas of interest in folklore studies

*Handbook of American Folklore* Richard M. Dorson, 1986-02-22 Includes material on interpretation methods and presentation of research      *American Myths, Legends, and Tall Tales* Christopher R. Fee, Jeffrey B. Webb, 2016-08-29 A fascinating survey of the entire history of tall tales folklore and mythology in the United States from earliest times to the present including stories and myths from the modern era that have become an essential part of contemporary popular culture Folklore has been a part of American culture for as long as humans have inhabited North America and increasingly formed an intrinsic part of American culture as diverse peoples from Europe Africa Asia and Oceania arrived In modern times folklore and tall tales experienced a rejuvenation with the emergence of urban legends and the growing popularity of science fiction and conspiracy theories with mass media such as comic books television and films contributing to the retelling of old myths This multi volume encyclopedia will teach readers the central myths and legends that have formed American culture since its earliest years of settlement Its entries provide a fascinating glimpse into the collective American imagination over the past 400 years through the stories that have shaped it Organized alphabetically the coverage includes Native American creation myths tall tales like George Washington chopping down his father s cherry tree and the adventures of King of the Wild Frontier Davy Crockett through to today s urban myths Each entry explains the myth or legend and its importance and provides detailed information about the people and events involved Each entry also includes a short bibliography that will direct students or interested general readers toward other sources for further investigation Special attention is paid to African American folklore Asian American folklore and the folklore of other traditions that are often overlooked or marginalized in other studies of the topic      **Myths and Hero Tales** Agnes Regan Perkins, 1997-11-25 This one stop cross cultural selective guide to recent retellings of myths and hero tales for children and young adults will enable teachers and

library media specialists to select comparative myths and tales from various mostly non European cultures The focus is on stories from Native America Asia Africa the Middle East Central and South America and Oceania The Guide contains extensively annotated entries on 189 books of retellings of myths and hero tales both ancient and modern from around the world published between 1985 and 1996 Represented are 1 455 stories suitable for use with young people from mid elementary through high school The entries arranged alphabetically by writer contain complete bibliographic data age and grade levels and evaluative annotations Seven indexes title author illustrator culture story type name and grade level make searching easy The story type index will enable teachers to select comparative myths and tales from different cultures on more than 50 types of myths and hero tales Among the many myth types cited are origin of human beings and the world comparative social customs and rituals natural and heavenly phenomena animal appearance and behavior searches and quests and tricksters Among the hero tale types are fools and buffoons kings and queens warriors monster slayers important female figures magicians voyagers and adventurers and spiritual leaders The Guide concludes with a bibliography of retellings published earlier that have come to be considered standard works     **The Journal of American Folklore** ,1897
