**Sherlock Holmes - The Hero With a Thousand Faces: Volume 1** David MacGregor, 2022-06-07 Sherlock Holmes The Hero With a Thousand Faces ambitiously takes on the task of explaining the continued popularity of Arthur Conan Doyle's famous detective over the course of three centuries In plays films TV shows and other media one generation after another has reimagined Holmes as a romantic hero action hero gentleman hero recovering drug addict weeping social crusader high functioning sociopath and so on In essence Sherlock Holmes has become the blank slate upon which we write the heroic formula that best suits our time and place Volume One looks at the social and cultural environment in which Sherlock Holmes came to fame Victorian novelists like Anthony Trollope and William Thackeray had pointedly written novels without a hero because in their minds any well ordered and well mannered society would have no need for heroes or heroic behavior Unfortunately this was at odds with a reality in which criminals like Jack the Ripper stalked the streets and people didn't trust the police who were generally regarded as corrupt and incompetent Into this gap stepped the world's first consulting detective an amateur reasoner of some repute by the name of Sherlock Holmes who shot to fame in the pages of The Strand Magazine in 1891 When Conan Doyle proceeded to kill Holmes off in 1893 it was American playwright director and actor William Gillette who brought the character back to life in his 1899 play Sherlock Holmes creating a sensation on both sides of the Atlantic with his romantic version of Holmes and cementing his place as the definitive Sherlock Holmes until the late 1930s By that point Sherlock Holmes had developed a cult following who facetiously maintained that Holmes was a real person formed clubs like The Baker Street Irregulars and introduced the idea of cosplay to the embryonic world of fandom These well educated fanboys subsequently became the self assigned protectors of Sherlock Holmes anxious that their version of the character not be besmirched or defamed in any way In spite of this there was considerable besmirching and defaming to be seen in the early silent films featuring Sherlock Holmes which effectively turned him into an action hero due to the lack of sound When sound films took the industry by storm in the late 1920s there were a number of pretenders who reached for the Sherlock Holmes crown including Clive Brook Reginald Owen and Raymond Massey but it took more than a decade before a new definitive Sherlock Holmes would be crowned in 1939 in the person of Basil Rathbone **Master Man Hunters** Joseph Gollomb, 1926 **Heroes, Heroines, & Denizens of the Underworld** JC Miller, 2013-01-17 This is a unique story of the superhero genre as it attempts to create an origin of superheros and their superhuman powers It also gives a rare look into the often depressing and neurotic lives of superheroes This is the story of Wallace Duffy a simpleton an

introvert and a wimp Wally is certainly not the kind of person the neighbors would suspect is a superhero Wally's teen years are something he would prefer to forget He was the target of ridicule ever since his late grandfather told Wally's friends that he and Wally were superheroes by ancestry His adult years did not seem to be much of an improvement They were filled with heartbreak due to his inability to express himself romantically to Chloe Spade the love of his life That was now about to change ever since he discovered that his grandfather was not just a senile old man Everything the old codger said was true

**Publisher's description** *Nobody's Hero* M. W. Craven, 2024-12-03 Exhilarating and darkly comic Craven effectively mixes the unvarnished brutality and high body count of Lee Child with the black humor of Mick Herron A must read Publishers Weekly starred review This high body count romp is told with such verve and relish that even readers who shy from mayhem might find themselves on Koenig's side as he hurtles from one impossible near death experience to the next The New York Times Book Review A man who can't feel fear is in a race against time to find a woman who knows a secret that could take down the United States When a shocking murder and abduction on the streets of London leads investigators to open a safe in Langley for the first time in ten years they find a note directing them to a few key individuals Three of the people on the list are dead The fourth is Ben Koenig Koenig has no idea why his name is on the list Then he realizes that he knows the woman who carried out the killings Ten years earlier without being told why he was tasked with helping her disappear Far from being a deranged killer she is the gatekeeper of a secret that could take down America and for the safety of the country she has been in hiding for years until now And if she has resurfaced the danger may be closer and more terrifying than anyone can imagine Ben Koenig has to find her before it's too late But Ben suffers from a syndrome that means he can't feel fear He doesn't always know when he should walk away or when he's leading others into danger Fast brutal smart and violent *Nobody's Hero* is an engrossing story of contract killers international terrorism hard choices and the future of the country and the world as we know it Craven has unleashed Ben Koenig into the thriller world Long may he raise hell in the pages

**The Secret Life Of Freddie Mills - National Hero,**

**Boxing Champion, SERIAL KILLER** Michael Litchfield, 2017-09-07 Seven young women all murdered in the most disgusting manner imaginable Unimaginable in fact a first of its kind and never before explicitly revealed All the victims were prostitutes All were dumped naked after having been stored by their killer as sex toys Some of them were mothers Each was someone's daughter And for more than fifty years the author has lived with the haunting secret that he was once suspected by Scotland Yard of being a serial killer more depraved and dangerous than Jack the Ripper In the killing spree that lasted more than a year the author had a mole deep inside Scotland Yard's Murder Squad similar to Deep Throat from the Watergate scandal who was drip feeding him the step by step ploys to snare the monster who brought terror to the streets of West London Hundreds of policewomen posing as prostitutes flooded the red light districts hoping to be selected by the killer more hopeful though that the back up would swoop to the rescue in time At one point Scotland Yard feared that a prostitute missing for more than a fortnight had become the eighth victim and appealed to the public for help It took the author just eleven hours to track her down and hand her alive and well to the Murder Squad When the killings stopped the most senior member of the Murder Squad claimed that the serial killer had committed suicide and an innocent man was named in a deceitful cover up The author fingers the real serial killer a celebrity and national treasure who died in circumstances arguably even more bizarre than the manner in which he murdered his victims *Heroes and happy endings* Christine Grandy, 2016-05-16 This is a highly anticipated examination of the popular film and fiction consumed by Britons in the 1920s and 1930s Departing from a prevailing emphasis on popular culture as escapist Christine Grandy offers a fresh perspective by noting the enduring importance of class and gender divisions in the narratives read and watched by the working and middle classes between the wars This compelling study ties contemporary concerns about ex soldiers profiteers and working and voting women to the heroes villains and love interests that dominated a range of films and novels *Heroes and happy endings* further considers the state's role in shaping the content of popular narratives through censorship An important and highly readable work for scholars and students interested in cultural and social history as well as media and film studies this book is sure to shift our understanding of the role of mass culture in the 1920s and 1930s The Lost Hero Mihir Bose, History abounds with many heroes The Indian freedom struggle had its own share of them Subhas Chandra Bose fired the nation with patriotic fervour very different in character to the non violent approach preached by Gandhi Truly an outsider to the movements of satyagraha and passive resistance that rapidly gained momentum he made a valiant effort to galvanize the nation into action with evocative slogans such as Freedom is never given it is taken Tum mujhe khooon do main tumhe azadi doonga JAI HIND India's national greeting was the salutation coined by him to arouse nationalistic passion among the Indians In what was unthinkable then Bose dared to ally with the Nazis and the Japanese and raised an indigenous army called Azad Hind Fauj to challenge the military might of the British Empire Why then has Subhas Chandra Bose been largely marginalized as a footnote in the history of India's independence Perhaps the mythical legends that continue to shroud both

his personal life and political happenstance hold some answers The Lost Hero a thoroughly researched biography of Subhas Bose delves into the life and times of this great man with the hope that he is granted a befitting place in the annals of Indian history **Hitorijime My Hero** 歴史小説,2020-01-14 Love Is a Battlefield During their couple s getaway Masahiro and Kousuke grow closer and closer On the flip side Hasekura and Kensuke s usually happy go lucky relationship seems to be reaching a new low So when Hasekura unexpectedly gets some alone time with Masahiro he decides to use it to his advantage Meanwhile a familiar friend becomes a source of much needed support for Kensuke Almost a Hero Ken McCoy,2014-05-01 Billie Challinor s mother dies during an air raid but the child grows up confident that in her jazz musician father Chas she has the best dad in the world Seeking refuge from the London Blitz by moving to Leeds kindly landlady Liz Morris befriends them the scarred wisecracking man who isn t afraid to overstep the mark if the cause is a good one and his clever and resilient little girl Billie needs every ounce of courage she possesses when her father joins the Army just before the D Day landings and fails to return Though Liz is happy to raise the child as her own Billie is claimed by her Uncle Cedric an outwardly respectable and prosperous solicitor But he is also a ruthless criminal mastermind who will stop at nothing to secure the fortune to which Billie is sole heiress Confident of his superior strength and cunning he foolishly overlooks the fact that she is her father s daughter resourceful quick witted and ready to seize any chance she can to escape his deadly clutches and return to her beloved Aunt Liz *Whitechapel's Sherlock Holmes* Dick Kirby,2014-11-30 Jack the Ripper and beyond forty one years in the investigative career of a man hailed by many as Scotland Yard s greatest detective of all time Fred Wensley was a Somerset gardener when he joined the Metropolitan Police in 1888 His first case was to unmask Jack the Ripper At least it familiarized Wensley with Whitechapel where he bided his time collaring less threatening ne er do wells After joining the CID Wensley s career was a succession of triumphs He brought to book the Bessarabian Odessa and Vendetta crime syndicates of London s East End he played an instrumental role in smashing Latvian revolutionaries in the notorious Siege of Sidney Street he formed the Flying Squad a stealth surveillance team still operating to this day and most infamous of all his arrest in one of Great Britain s most notorious crimes of passion a controversial cause c l bre that would shadow Wensley for the rest of his life Retired Flying Squad officer Dick Kirby has dug deep to paint a fascinating portrait of Fred Wensley Chief Constable of the CID and the first recipient of the King s Police Medal in this welcome biography of a distinguished detective History by the Yard **A Peg Leg Hero** Bob Pearson,2014-06-01 The Hellion and the Hero Emily Sullivan,2022-08-23 Fans of Netflix s Bridgerton series will love this captivating second chance story from the series that delivers both emotional intensity and lush sensuality and vivacious writing enhanced by ample measures of wit Booklist Starred Review Lady Georgiana Arlington has always done what s best for her family even when it meant marrying a man she didn t love to save her father Her husband s death has left her stronger and bolder a hellion some would even say When a mysterious enemy jeopardizes her livelihood and reputation there s only one person she can trust to help her uncover the

Michael Jones, 2017-03-06 From action movies to video games to sports culture modern masculinity is intrinsically associated with violent competition This legacy has its roots in the 19th century Romantic figure of the Byronic hero the ideal Victorian male devoted husband sexual revolutionary and weaponized servant of the state His silhouette can be traced through the works of authors like Lord Byron Jane Austen Sir Arthur Conan Doyle Rudyard Kipling and Oscar Wilde More than a literary genealogy this history of the Byronic hero and his heirs follows the changes that masculinity has undergone in response to industrial upheaval the rise of the middle class and the demands of global competition from the Victorian period through the early 20th century *Sherlock Holmes - The Hero With a Thousand Faces: Volume 2* David MacGregor, 2022-06-22 Picking up the trail with the incredibly influential films of Basil Rathbone and Nigel Bruce Volume II goes on to explore the antiheroic Sherlock Holmes films of the 1970s and then the somewhat rocky journey of Holmes into the medium of television actors Alan Wheatley Douglas Wilmer and Peter Cushing all declared their respective TV series as the worst experience of their professional careers Television finally found its definitive Holmes in Jeremy Brett's portrayal for Granada Television and then the BBC's Sherlock had flashed brilliantly across the cultural sky before crashing and burning in spectacular fashion Still despite its ignominious end Benedict Cumberbatch's version of Sherlock Holmes quite literally changed the face of Sherlockian fandom overnight as studious middle-aged white men now found themselves sharing uneasy ground with a younger more diverse and more female audience Now a full-fledged transmedia phenomenon Sherlock Holmes can be any gender ethnicity or species and is celebrated in fan fiction and fanvids as well as conventions that are far more inclusive than Sherlock Holmes societies of the past Vincent Starrett's poetic notion that Sherlock Holmes is a character who never lived and so can never die has never been more true and the Digital Age promises any number of new versions of Sherlock Holmes to come **Secret Agent, Unsung Hero** Peter Dowding, Ken Spillman, 2023-12-30 Young Australian teacher Bruce Dowding arrived in Paris in 1938 planning only to improve his understanding of French language and culture Secret Agent Unsung Hero draws on decades of research to reveal for the first time his coming of age as a leader in escape and evasion during World War II Dowding helped exfiltrate hundreds of Allied servicemen from occupied France and paid the ultimate price He was beheaded by the Nazis just after his 29th birthday in 1943
