and influential directors of our time Peter Sellars has produced acclaimed and often controversial versions of many beloved operas and oratorios He has also collaborated with several composers including John C Adams and Kaija Saariaho to create challenging new operas The Passions of Peter Sellars follows the development of his style beginning with his interpretations of the Mozart Da Ponte operas proceeding to works for which he assembled the libretti and even the music and concluding with his celebrated stagings of Bach's passions with the Berlin Philharmonic Many directors leave the musical aspects of opera entirely to the singers and conductor Sellars however immerses himself in the score and has created a distinctive visual vocabulary to embody musical gesture on stage drawing on the energies of the music as he shapes characters ensemble interaction and large scale dramatic trajectories As a leading scholar of gender and music and the history of opera Susan McClary is ideally positioned to illuminate Sellars's goal to address both the social tensions embodied in these operas as well as the spiritual dimensions of operatic performance McClary considers Sellars's productions of Mozart's *Le nozze di Figaro* *Don Giovanni* and *Cos fan tutte* Handel's *Theodora* Messiaen's *Saint François d'Assise* John C Adams's *Nixon in China* *The Death of Klinghoffer* *El Niño* and *Doctor Atomic* Kaija Saariaho's *L'amour de loin* *La Passion de Simone* and *Only the Sound Remains* Purcell's *The Indian Queen* and Bach's passions of *Saint Matthew* and *Saint John* Approaching Sellars's theatrical strategies from a musicological perspective McClary blends insights from theater film and literary scholarship to explore the work of one of the most brilliant living interpreters of opera

Peter Huchel Stephen R. Parker, Stephen Parker, 1998 The present study is the first full length literary biography in any language devoted to Peter Huchel 1903-81 the German poet radio author and editor of *Sinn und Form* It draws upon a very substantial body of fresh archival material much of it accessible only

since 1989 and upon testimonies including those of his first wife and their daughter The study traces the course of Huchel's well-nigh unique progression through 20th century German literary life from the Weimar to the Federal Republic via the Third Reich the Berlin of the years 1945-49 and the GDR There his legendary editorship of *Sinn und Form* in the 1950s lent him a unique mediating position between writers from East and West until the journal's all-German approach was deemed antagonistic to SED policy For all the cause of Huchel's conflict with the SED key elements of his career have hitherto been obscured by the spell of silence that the charismatic Huchel cast over much of his life and by a historiography uncertain in the evaluation of the development of German culture within the two dictatorships A fresh appreciation of Huchel's achievements emerges from the detailed examination of his life and work in relation to the notoriously volatile social and historical conditions of his age
