## **Herrnhuter Miniaturen:**

Vikings to U-Boats Gerhard P. Bassler, 2006-10-06 Vikings to U Boats explores the colony's hidden multicultural history examining both sides of the German Newfoundland Labrador experience From first recorded contacts to the end of World War II Bassler traces the lives of German speaking fishermen musicians doctors engineers and entrepreneurs He reconstructs the historical reality behind U Boat and spy stories and analyses the change in status of the colony's German speaking people from neighbours to enemy aliens Vikings to U Boats challenges the assumption that the history of Newfoundland and Labrador was shaped solely by English speakers from the British Isles Christianity and African Culture Klaus Fiedler, 2023-08-14 The common charge laid against missionaries that they are destroyers of African culture is shown to be untrue of the missionaries treated in this book who worked with considerable success to integrate Christianity and African culture The author examines the endeavours of the missionaries from the perspective of the local Christians who were not themselves interested in Africanization as such One can thus find some missionaries defending against the elected African Church leadership the right of the Chagga Christians to circumcise their daughters and Nyakyusa Christians refusing to use African tunes because the missionaries influenced by National Socialism professed both love for African culture and White superiority This informative book based on local and archival research at Daressalam University is eminently readable It features the first historical study of Bruno Gutmann and provides case study material for teaching Christentum und afrikanische Kultur Fiedler, Klaus, 2017-03-02 The missionaries have often been accused of having destroyed African cultures be it deliberately or because they did not understand The author draws a very different picture in his study of a number of German missionaries in various parts of Tanzania who had a high appreciation of African culture He argues that acceptance of inculturation attempts do not depend on race but on role and the same applies to both Black and White **Die Brüder-Unität** Heinz Renkewitz, 2019-04-15 Keine ausführliche Beschreibung für Die Brüder Unität verfügbar **Herrnhut** Paul Peucker, 2022-05-10 In June 1722 three families from Moravia settled on the estate of Count Nikolaus Ludwig von Zinzendorf in Berthelsdorf Saxony Known as the community of Herrnhut their settlement quickly grew to become the epicenter of a transatlantic religious movement one that would attract thousands of Europeans American Indians and enslaved Africans the Moravian Church Written by one of the leading archivists of the Moravian Church this book investigates the origins of Herrnhut Paul Peucker argues that Herrnhut was intended to be a Philadelphian community uniting true Christians from all denominations It was a separatist movement but it concealed its separatism behind the pretense of an affiliation with the Lutheran Church and behind a chosen historical identity that of the renewed Unity of Brethren Peucker's analysis based on hundreds of documents from archives in Germany and the United States demonstrates how Herrnhut was able to grow and thrive despite existing regulations against new religious groups uncovers Count Zinzendorf's role in keeping Herrnhut outside the state church and provides a new foundation from which to interpret the

Moravian church's later years Three centuries after Herrnhut's founding this intriguing history brings to light new information about the early years of the Moravian church Peucker's work will be especially valuable to students and scholars of eighteenth century religion Pietism and Moravian history **National Union Catalog**, 1977 Includes entries for maps and atlases **Cassell's miniature cyclopædia. Popular ed** Sir William Laird Clowes, 1898 **Lobsticks and Stone Cairns** Richard Clarke Davis, 1996 Lobsticks and stone cairns are landmarks that mark paths and commemorate events The one hundred biographies in this book also offer themselves as paths to be taken Centuries of human endeavour hardship folly and suffering are collapsed into stories through which we can discover what the Arctic is and has been Profiled in this book are human landmarks dating from as far back as the sixteenth century to those still active in the North today Included are stories of adventurers military officers authors guides culture heroes police traders and even the occasional charlatan The biographies are of Inuit European American Indian and Canadian men and women What appears here is the essence of each person rendered by an expert and put in a new context bringing the history and geography of the North to life **Yearbook of German-American Studies**, 2003 **Biographical Dictionary of Christian Missions** Gerald H. Anderson, 1999 The book also features cross references throughout a bibliography accompanying each entry an elaborate appendix listing biographies according to particular categories of interest and a comprehensive index BOOK JACKET **The Penn Germania ...** Philip Columbus Croll, Henry Addison Schuler, Howard Wiegner Kriebel, 1909 **Die Wirksamkeit der Herrnhuter Brüdergemeine unter den Esten und Letten zur Zeit der Bauernbefreiung vom Ausgang des 18. bis über die Mitte des 19.
