Hey Cabbie:

I'M Not a Crazy Cabbie Chuck Okofor,2014-06-10 Every day in every city in the world people climb into cabs but how much thought do they really give to the driver How much do they know about their story their lives and their abilities In his native Nigeria Chuck Okofor earned a masters degree and taught English literature and English as a second language In the early 1990s his family immigrated to the United States with their four young children His wife worked as a nurse and Chuck cared for their children during the day Out of necessity Chuck took what he thought would be a temporary job as a cab driver but he grew to love it In his memoir this veteran Chicago driver invites you inside the front seat of the cab For seventeen years Chuck was one of almost twenty thousand men and women who took on the challenge of navigating the Windy Citys crazy roads and often crazier drivers Now he gives readers an insiders view into the life of a Chicago cabbie Youll learn about the complicated relationship shared by cabbies cops and the courts the challenges of driving a cab in daunting Chicago traffic and what good drivers like Chuck think of cab service thieves Youll be amazed at some of the encounters hes had with passengers including women of easy virtue Chuck also shares valuable tips into staying safe in traffic reducing stress behind the wheel and the real hazards of Chicago roads Hey Cabbie II Lucy J. picture history with director Steven Spielberg s ultimate thrill ride Jurassic Park Featuring Academy Award winning visual effects and groundbreaking filmmaking this epic film is sheer movie making magic that was 65 million years in the making Jurassic Park takes you to an amazing theme park on a remote island where dinosaurs once again roam the earth and five people must battle to survive among the prehistoric predators Taxi to Broadway Christy Jones,2022-10-31 Hey did

anyone tell you look like James Dean It happened once in a while I had just lit a cigarette can t resist the slice of ham Drawing into myself playing the dead actor behind the wheel cigarette dangling loosely from my pouting lips angry at life

scowling at the world Christy Jones was no James Dean but he could proudly tell people in his taxi that he was an actor nonetheless And driving wasn't the only time he could play a character The author of this memoir found a passion for acting and made it to Stella Adler's Academy for Theater in the early 60s But to make a decent living he drove a taxi across New York for six years Christy never had an accident though he had plenty of narrow escapes during his six years of driving He preferred driving at night so he could make the rounds of agents and producers during the day But the streets can be treacherous and dangerous A cab only lasts a couple of years on New York City streets After a long time spent dropping people off at their destinations he finally arrived at his own Broadway Taxi to Broadway is a story of fleeting conversations and adventurous nocturnal driving but in the end it is what all great stories should be a tale about following your passions
