Hezekiah Horton Ellen Tarry, 1944 **New England Families, Genealogical and Memorial** William Richard Cutter, 1914 *Hezekiah Horton. (Illustrated by Oliver Harrington.).* Ellen TARRY, 1943 The History of Rutland County, Vermont Abby Maria Hemenway, 1882 **History of the Counties of McKean, Elk, and Forest, Pennsylvania, with Biographical Selections**, 1800 History of the Counties of McKean, Elk, Cameron and Potter, Pennsylvania Michael A. Leeson, 1890 The Black Cultural Front Brian Dolinar, 2012-04-27 This book examines the formation of a black cultural front by looking at the works of poet Langston Hughes novelist Chester Himes and cartoonist Ollie Harrington While none of these writers were card carrying members of the Communist Party they all participated in the Left during their careers Interestingly they all turned to creating popular culture in order to reach the black masses who were captivated by movies radio newspapers and detective novels There are chapters on Hughes s Simple stories Himes s detective fiction and Harrington s Bootsie cartoons Collectively the experience of these three figures contributes to the story of a long movement for African American freedom that flourished during the 1930s 1940s and 1950s Yet this book also stresses the impact that McCarthyism had on dismantling the Black Left and how it affected each individual involved Each was radicalized at a different moment and for different reasons The History of the State of Rhode Island and Providence Plantations Thomas Williams Bicknell, 1920 **Cook Descendants - Inlaws and Outlaws** Patricia Lumsden, 2012-02-09 Tracing the descendants of Elias Cook of Massachusetts from the 1700 s through to the 1930 s this book encompasses the genealogies of many extended branches within the Cook family **Christians and the Color Line** J. Russell Hawkins, Philip Luke Sinitiere, 2014 The essays in Christians and the Color Line complicate the research findings of Emerson and Smith s Divided by Faith 2000 and explore new areas of research that have opened in the years since its publication **Genealogical and Family History of Northern New York** William Richard Cutter, 1910 **Civil Rights Childhood** Katharine Capshaw, 2014-12-01 Childhood joy pleasure and creativity are not often associated with the civil rights movement Their ties to the movement may have faded from historical memory but these qualities received considerable photographic attention in that tumultuous era Katharine Capshaw s Civil Rights Childhood reveals how the black child has been and continues to be a social agent that demands change Because children carry a compelling aura of human value and potential images of African American children in the wake of Brown v Board of Education had a powerful effect on the fight for civil rights In the iconography of Emmett Till and the girls murdered in the 1963 Birmingham church bombings Capshaw explores the function of children s photographic books and the image of the black child in social justice campaigns for school integration and the civil rights movement Drawing on works ranging from documentary photography coffee table and art books and popular historical narratives and photographic picture books for the very young Civil Rights Childhood sheds new light on images of the child and family that portrayed liberatory models of blackness but it also considers the role photographs played in the

desire for consensus and closure with the rise of multiculturalism Offering rich analysis Capshaw recovers many obscure texts and photographs while at the same time placing major names like Langston Hughes June Jordan and Toni Morrison in dialogue with lesser known writers An important addition to thinking about representation and politics Civil Rights Childhood ultimately shows how the photobook and the aspirations of childhood itself encourage cultural transformation
