## Hi Ya Neighbor Franklin D Roosevelt:

**"Hi-Ya Neighbor." (Intimate Glimpses of Franklin D. Roosevelt at Warm Springs, Georgia.) [With Illustrations, Including Portraits.].** Ruth Stevens,1947      *A President in Our Midst* Kaye Lanning Minchew,2017-06-01 Franklin Delano Roosevelt visited Georgia forty one times between 1924 and 1945 This rich gathering of photographs and remembrances documents the vital role of Georgia s people and places in FDR s rise from his position as a despairing politician daunted by disease to his role as a revered leader who guided the country through its worst depression and a world war A native New Yorker FDR called Georgia his other state Seeking relief from the devastating effects of polio he was first drawn there by the reputed healing powers of the waters at Warm Springs FDR immediately took to Georgia and the attraction was mutual Nearly two hundred photos show him working and convalescing at the Little White House addressing crowds sparring with reporters visiting fellow polio patients and touring the countryside Quotes by Georgians from a variety of backgrounds hint at the countless lives he touched during his time in the state In Georgia away from the limelight FDR became skilled at projecting strength while masking polio s symptoms Georgia was also his social laboratory where he floated new ideas to the press and populace and tested economic recovery projects that were later rolled out nationally Most important FDR learned to love and respect common Americans beginning with the farmers teachers maids railroad workers and others he met in Georgia      **The Gatekeeper** Kathryn Smith,2016-09-06 Journalist Smith A Necessary War grants readers an unusual insider s view of F D R s political career by profiling his longtime private secretary Marguerite Missy LeHand a young woman with a modest background an agile intellect a pleasant personality and remarkable stenographer s skills began working for F D R in 1920 when he ran for vice president Smith writes particularly well about F D R s struggle to bounce back from being struck with polio in 1921 explaining the disease and the origins of the Warm Springs Ga health spa that he frequented LeHand was F D R s most constant companion during the 1920s sparking rumors convincingly dismissed by Smith that they were lovers The real core of the story is the White House years from 1933 until 1942 when LeHand helped create the vast New Deal bureaucracy She decided who would see the president and when today her title would be chief of staff LeHand worked long hours but took time to enjoy the perks of the job including a barrage of social invitations and fawning press coverage Though Smith overstates her claim about LeHand s importance to F D R and his work as president she delivers a fascinating account of one woman s involvement in an important administration Publishersweekly com      Eleanor David Michaelis,2021-10-19 Presents a breakthrough portrait of America s longest serving first lady that covers her major contributions throughout critical historical events and her essential role in advancing international human rights      **The White House Looks South** William Edward Leuchtenburg,2005 At a time when race class and gender dominate historical writing Leuchtenburg argues that place is no less significant In a period when America is said to be homogenized he shows that sectional distinctions persist And in an era when political history is devalued he demonstrates that government can profoundly affect people s lives

and that presidents can be change makers Jacket      **Polio and Its Aftermath** Marc Shell,2009-06-30 It was not long ago that scientists proclaimed victory over polio the dread disease of the 1950s More recently polio resurfaced not conquered at all spreading across the countries of Africa As we once again face the specter of this disease along with other killers like AIDS and SARS this powerful book reminds us of the personal cost the cultural implications and the historical significance of one of modern humanity s deadliest biological enemies In *Polio and Its Aftermath* Marc Shell himself a victim of polio offers an inspired analysis of the disease Part memoir part cultural criticism and history part meditation on the meaning of disease Shell s work combines the understanding of a medical researcher with the sensitivity of a literary critic He deftly draws a detailed yet broad picture of the lived experience of a crippling disease as it makes its way into every facet of human existence *Polio and Its Aftermath* conveys the widespread panic that struck as the disease swept the world in the mid fifties It captures an atmosphere in which polio vied with the Cold War as the greatest cause of unrest in North America and in which a strange and often debilitating uncertainty was one of the disease s salient but least treatable symptoms Polio particularly afflicted the young and Shell explores what this meant to families and communities And he reveals why in spite of the worldwide relief that greeted Jonas Salk s vaccine as a miracle of modern science we have much more to fear from polio now than we know

*FDR And The Dime* Jo D. Tanenbaum,2016-01-25 The only four term president Franklin Delano Roosevelt led the U S to victory in World War II led the country in the Depression and conquered polio with the March of Dimes Americans defeated polio by sending nickels pennies and dimes to Washington for research in the fight against polio Polio was the scare word in the early 1900s just as cancer is the scare word today This book tells the story of why and how Roosevelt founded the Society for Infantile Paralysis and the world renowned Roosevelt Institute for Rehabilitation in Warm Springs Georgia      [Sailor in the White House](#) Robert Cross,2014-01-15 This behind the scenes look at Franklin D Roosevelt s extraordinary skill as a blue water sailor explores how FDR s love of the sea shaped his approach to public service and even influenced the course of events in World War II Family and friends Secret Service agents and others reveal never before told stories of their days afloat with America s greatest seafaring president including how he escaped injury when fire broke out aboard his small schooner how ships were modified to accommodate his disability and details of his wartime ocean rendezvous with Winston Churchill Sailing pals discuss his abilities as a skipper along with his enjoyment of an evening cocktail at sea during the days of Prohibition Letters and other documents illustrate how the sea was never far from Roosevelt s thoughts Robert Cross examines Roosevelt s great affection for the sea in the context of an era dominated by the Great Depression and two world wars While some criticized Roosevelt for taking too many seagoing trips he logged hundreds of thousands of miles at sea and was sometimes out of touch with the White House and the Secret Service for hours FDR was quick to explain that his lengthy voyages allowed him to personally assess the world situation instead of relying solely upon White House briefing books The author argues that the skills required to be a good sailor have much in common with those needed to be a successful

politician the ability to alter courses make compromises and shift positions as the situation warrants Cross describes FDR as a master at dealing with the unexpected allowing him to excel in the Navy Department the governor's mansion and the White House as well as the open sea From luxury ocean liners and presidential yachts to submarines and kayaks this book lists all of the vessels on which FDR sailed and includes some never before published photographs **Franklin and Lucy** Joseph E. Persico, 2008-04-29 Just when you thought you knew everything about Franklin D Roosevelt think again Joseph E Persico is one of America's finest historians You can't properly understand FDR the man without reading this landmark study Douglas Brinkley professor of history at Rice University Persico's exploration of FDR's emotional life is fascinating USA Today In **Franklin and Lucy** acclaimed author and historian Joseph E Persico explores FDR's romance with Lucy Rutherford Persico's provocative conclusions about their relationship are informed by a revealing range of sources including never before published letters and documents from Lucy Rutherford's estate that attest to the intensity of the affair which lasted much longer than was previously acknowledged FDR's connection with Lucy also creates an opportunity for Persico to take a more penetrating look at the other women in FDR's life We come to see more clearly how FDR's infidelity contributed to Eleanor Roosevelt's eventual transformation from a repressed Victorian to perhaps the greatest American woman of her century how FDR's strong willed mother helped to strengthen his resolve in overcoming personal and public adversity and how both paramours and platonic friends completed the world that FDR inhabited In focusing on Lucy Rutherford and the other women who mattered to Roosevelt Persico renders the most intimate portrait yet of an enigmatic giant of American history Praise for **Franklin and Lucy** Persico is judicious in his treatment of these sensitive matters He understands that Lucy Mercer helped FDR awaken his capacity for love and compassion and thus helped him become the man to whom the nation will be eternally in debt The Washington Post Book World A stylish and well written book filled with interesting characters marital dramas and spylike subterfuge Chicago Tribune A powerful narrative that rarely fails to pull you along to the next chapter Louisville Courier Journal Utterly absorbing Pittsburgh Post Gazette **The President's Kitchen Cabinet** Adrian Miller, 2017-02-09 An NAACP Image Award Finalist for Outstanding Literary Work Non Fiction James Beard award winning author Adrian Miller vividly tells the stories of the African Americans who worked in the presidential food service as chefs personal cooks butlers stewards and servers for every First Family since George and Martha Washington Miller brings together the names and words of more than 150 black men and women who played remarkable roles in unforgettable events in the nation's history Daisy McAfee Bonner for example FDR's cook at his Warm Springs retreat described the president's final day on earth in 1945 when he was struck down just as his lunchtime cheese souffl emerged from the oven Sorrowfully but with a cook's pride she recalled He never ate that souffl but it never fell until the minute he died A treasury of information about cooking techniques and equipment the book includes twenty recipes for which black chefs were celebrated From Samuel Fraunces's onions done in the Brazilian way for George Washington to Zephyr Wright's popovers beloved by

LBJ's family Miller highlights African Americans' contributions to our shared American foodways. Surveying the labor of enslaved people during the antebellum period and the gradual opening of employment after Emancipation, Miller highlights how food-related work slowly became professionalized and the important part African Americans played in that process. His chronicle of the daily table in the White House proclaims a fascinating new American story. **Franklin D. Roosevelt** Otis L. Graham, Meghan Robinson Wander, 1985. 125 biographers, historians, and political scientists present their views on 321 topics concerning Roosevelt's life and times. **The Man He Became** James Tobin, 2013-11-12. Here from James Tobin, winner of the National Book Critics Circle Award in biography, is the story of the greatest comeback in American political history: a saga long buried in half-truth, distortion, and myth. Franklin Roosevelt's ten-year climb from paralysis to the White House. In 1921, at the age of thirty-nine, Roosevelt was the brightest young star in the Democratic Party. One day he was racing his children around their summer home. Two days later he could not stand up. Hopes of a quick recovery faded fast. He sought support through allies and enemies alike. Even his family and close friends misjudged their man as they and the nation would learn in time. With a painstaking reexamination of original documents, James Tobin uncovers the twisted chain of accidents that left FDR paralyzed; he reveals how polio recast Roosevelt's fateful partnership with his wife Eleanor and shows that FDR's true victory was not over paralysis but over the ancient stigma attached to the disabled. Tobin also explodes the conventional wisdom of recent years that FDR deceived the public about his condition. In fact, Roosevelt and his chief aide Louis Howe understood that only by displaying himself as a man who had come back from a knockout punch could FDR erase the perception that had followed him from childhood: that he was a pampered, too smooth, pretty boy without the strength to lead the nation. As Tobin persuasively argues, FDR became president less in spite of polio than because of polio. *The Man He Became* affirms that true character emerges only in crisis and that in the shaping of this great American leader, character was all. *The Publishers Weekly*, 1947. *Blue* Joyce Moyer Hostetter, 2006. When teenager Ann Fay takes over as man of the house for her absent soldier father, she struggles to keep the family and herself together in the face of personal tragedy and the 1940s polio epidemic in North Carolina. **Franklin D. Roosevelt and American Foreign Policy, 1932-1945** Robert Dallek, 1995-05-25. Since the original publication of this classic book in 1979, Roosevelt's foreign policy has come under attack on three main points: Was Roosevelt responsible for the confrontation with Japan that led to the attack at Pearl Harbor? Did Roosevelt give away Eastern Europe to Stalin and the U.S.S.R. at Yalta? And most significantly, did Roosevelt abandon Europe's Jews to the Holocaust, making no direct effort to aid them? In a new Afterword to his definitive history, Dallek vigorously and brilliantly defends Roosevelt's policy. He emphasizes how Roosevelt operated as a master politician in maintaining a national consensus for his foreign policy throughout his presidency and how he brilliantly achieved his policy and military goals. *Debating Franklin D. Roosevelt's Foreign Policies, 1933-1945* Justus D. Doenecke, Mark A. Stoler, 2005-06-22. Elected an unprecedented four times to the presidency, Franklin D. Roosevelt led the United States through

some of the most dramatic and trying foreign and domestic episodes in its history Coming to power in the throws of a crippling depression Roosevelt quickly found himself having to juggle the need for tremendous domestic revitalization in a world menaced by burgeoning aggressor states In *Debating Franklin D Roosevelt s Foreign Policies* noted historians Justus D Doenecke and Mark A Stoler offer differing perspectives on the Roosevelt years finding disparate meanings from common data Finding Roosevelt astute at choosing the most effective option of those available Stoler generally defends FDR s policies against their traditional critics Conversely Doenecke emphasizes a dangerous shallowness and superficiality in FDR s approach to foreign affairs particularly in his first two terms The contrary viewpoints of the authors supplemented by carefully chosen documents provide an ideal introduction allowing readers to examine the issues and draw their own conclusions about Franklin Roosevelt s foreign policy

**Franklin D. Roosevelt & Conservation, 1911-1945** Franklin Delano Roosevelt, 1957

**Collecting First Editions of Franklin Roosevelt** Ernest J. Halter, 1949

*The Sociology Student Writer's Manual and Reader's Guide* William A. Johnson Jr., Gregory M. Scott, Stephen M.
