Childrens Literature Review Cumulative Title Index 2006 ,2006-04

Children's Books in Print R R Bowker Publishing,Bowker,1999-12 *That's Life* William Herrick,1985 In *That s Life* William Herrick s view of humanity is unsparing yet compassionate He sees life as commitment to ideals friends family but no one least of all Herrick said it was going to be easy His portraits of the members of a distinctly American family a novella five short stories and a group of five letters comprise not quite a novel but more than a collection of stories I think of it as a cooperative structure the author says in which each character owns and occupies his or her own place yet it is the entire family which operates the building To simplify matters I call the book a fiction And so we learn the past and present of each of the Millers Max and Rebecca Rebecca s mother Ruth in an old folks home and the three Miller children Eli an obsessive artist Peter an amateur student of life as he bums rides across the country and teen ager Nina a not so innocent working class child away at prep school on a scholarship But we learn about them in counterpoint and mosaic as Herrick turns our attention and our allegiance first to one member of the family and then another There are few books where human weaknesses are so fully displayed and yet where human endurance and capacity for joy are so palpably present
