Copyright Office,1975 **EPIC CONFRONTATION** Greg Franke,2019-01-15 There have been many thrilling and memorable sports rivalries But none has ever combined such drama and excitement over such an extended period of time and against such a gripping background as the Cold War hockey rivalry between Canada and Russia known at that time as the Soviet Union or USSR For decades Canada had reigned unchallenged as the dominant country at the sport and the pride that came with knowing that their beloved national game was one thing at which they were unquestionably the world s best was a major part of the self image and esteem of nearly all Canadians Until suddenly an interloper appeared that was like no other competitor Canada had ever met It was a far off country that lacked advanced equipment and facilities had only recently taken up the sport and had even brazenly decided not as other countries had done to learn the game as mere pupils of the Canadian masters Rather largely through the genius of one remarkable leader this newcomer would blaze its own trail audaciously inventing an entirely new style of play along with a unique approach to skills development and physical conditioning that led to a breathtakingly exciting and effective spectacle that even the game s creators had never conceived Finally and perhaps most significantly this new competitor represented a political system that was openly hostile to the freedom and values taken for granted in the West and openly proclaimed its superiority predicting that it would one day spread throughout and dominate the world Thus to Canadians overcoming this unexpected threat became not only a matter of national honor but also a crusade for the Free World This newcomer was Russia the USSR and the seeming life and death struggle that ensued for four decades is an unbelievable tale that became the greatest sports drama ever known Here is the never before told full story of this historic confrontation told

from both sides from the people who lived it and from what was being reported as the events were happening *Career Opportunities in the Sports Industry, Third Edition* Shelly Field, 2009 Praise for the previous edition This comprehensive updated edition is a necessary reference book for all interested in a career in sports ChoiceWith America's continued quest for health and fitness sports have become **Bleeding Blue** Wendel Clark, 2017-10-03 Funny fierce and gritty Bleeding Blue recounts every struggle and success of Wendel Clark's rough and tumble journey to becoming one of hockey's greatest heroes As a young boy growing up in Kelvington Saskatchewan Wendel Clark never dreamed of an NHL career The pro league just seemed too far away from the young man's small town life in the Prairies But Wendel had a talent for hockey that was surpassed only by his love for the sport and it wasn't long before he embarked on a path that would take him away from his hometown to a new life Wendel honed his talents in cities across western Canada and earned a reputation as a force to be reckoned with on the ice Drafted by the Toronto Maple Leafs first overall in the 1985 NHL Entry Draft Wendel burst onto the pro scene and immediately made an impact all the while staying true to his roots As he learned from the players around him Wendel steadily matured into a respected leader He soon assumed the mantle as the Leafs captain and his willingness to lay it all on the line transformed him into a player who could inspire courage in his teammates and fear in his opponents in equal measure The future seemed limitless for the young star But just as Wendel's talents were set to peak everything unraveled Years of no holds barred physical play were taking their toll and soon his greatest competitor wasn't anyone on the ice but his own body Every movement brought agony every shift was a challenge and every game meant the decision to keep fighting But as Wendel's body broke down his resolve only grew Determined to succeed no matter what the cost Wendel set out on a course that would allow him to keep doing what he loved and that would turn him into one of the most beloved hockey players of all time Emotional and uplifting Bleeding Blue is the story of a man who refused to say no who wore his heart on his sleeve and who would do anything to keep going even when everything told him to quit
