Burke, 2006-10-03 When Irene Kelly's articles profiling missing children run in the Las Piernas Express she anticipates the renewed public interest and the deluge of phone tips and remembered clues she even anticipates the renewed pain of the anguished parents What she doesn't expect is that the articles will set off a murderous chain reaction and put her life in peril Perhaps one of the more tragic disappearances in recent Las Piernas history was that of Jenny Fletcher just shy of her fourth birthday The body of Jenny's father Richard a graphic artist was found bludgeoned in his studio hours later Jenny's stepbrother Mason was apprehended with the murder weapon and bloody clothing in his car But little Jenny was never found As the years pass everyone assumes Jenny is dead Everyone except her brother Caleb who not only believes Jenny survived but steadfastly believes in Mason's innocence Caleb now a graduate student studying with forensic anthropologist Ben Sheridan works on cases for the Las Piernas Police Department When bones are discovered at the old Sheffield estate just days after the missing children articles appear Caleb finds himself drawn into a case that threatens to bring personal tragedies back to the present He has a fierce ally in reporter Irene Kelly who will stop at nothing to solve the mysteries of his father's murder and his sister's disappearance
