Hoho Homicide:

Ho-Ho-Homicide Kaitlyn Dunnett, 2015-09-29 It's got two things that everyone likes Christmas and Murder Jimmy Fallon Business is booming at the Scottish Emporium in Moosetookalook Maine and Liss MacCrimmon Ruskin couldn't be happier or busier A romantic getaway at a rustic Christmas tree farm is just what she needs But the property's mysterious past has her feeling less than merry Liss is surprised when an old friend from high school asks her to spend a week at the Christmas tree farm she recently inherited from a great uncle Realizing it would be the perfect chance for her and her husband Dan to get away from work Liss happily accepts the offer and packs her bags for the tiny town of New Boston Upon their arrival Liss and Dan are greeted by a ramshackle farmhouse and unfriendly townsfolk It's hardly the idyllic vacation locale they'd hoped for especially when needling neighbors start raising questions about the farm's dark history Who was the man whose body was found neatly netted in a shipment of Scotch pine Why did the owner vanish into thin air And why are the trees growing so close together forming a maze more twisted than a Celtic knot The rumors pile up faster than snowdrifts in a blizzard and as Liss starts unwrapping the truth she discovers something even more scandalous than murder hiding beneath the town's humdrum facade When a series of accidents strikes the farm she'll have to spring into action faster than a Highland Fling to find the killer who's been lurking among the pines before she ends up in a pine box herself Praise for Kaitlyn Dunnett and her Liss MacCrimmon Mysteries Vampires Bones And Treacle Scones Spooky Cozy fans are in for a Halloween treat Publishers Weekly Bagpipes Brides And Homicides Fans of Scottish lore or bookstore mysteries like Lorna Barrett's and Carolyn Hart's will enjoy this one Booklist Scotched A satisfying entry in the series Booklist This well plotted novel provides pure entertainment RT Book Reviews A Wee Christmas Homicide The blend of romance and cozy mystery will please lovers of all things Scottish Kirkus Reviews Scone Cold Dead Enjoyable vivid descriptions of Maine during mud season and a quirky cast of characters lift this cozy Publishers Weekly Kilt Dead If you have an affinity for all things Scottish this is the book for you Deadly Pleasures

Homicide, Race, and Justice in the American West, 1880-1920 Clare Vernon McKanna, 1997-02 In a chilling scene in the film Unforgiven Clint Eastwood as the gunman stands over a wounded Gene Hackman the sheriff aiming a rifle at his head I don't deserve this to die like this says Hackman Eastwood replies Deserve's got nothing to do with it cocks his rifle and fires point blank at his helpless victim This scenario dramatically brings home to the viewer what historians have long debated and hundreds of other films and books suggest the turn of the century West was a violent time and place Ranchers miners deputy sheriffs teenagers and old men occasionally even housewives and mothers found themselves at the business end of a shotgun or a 38 revolver Yet since western historians tend to portray violence as essentially episodic frontier gunfights range wars vigilante movements and the like solid data has been hard to come by As a beginning point for actually measuring lethal violence and assessing the administration of justice here at last is a detailed and well documented study of homicide in the American West Comparing data from representative areas Douglas County

Nebraska Las Animas County Colorado and Gila County Arizona this book reveals a level of violence far greater than many historians have believed even surpassing eastern cities like New York and Boston Clashing cultures and transient populations a boomtown mentality easy availability of alcohol and firearms these and many other factors come under scrutiny as catalysts in the violence that permeated the region By comparing homicide data including coroner s inquests indictments plea bargains and sentences across both racial and regional lines the book also offers persuasive evidence that criminal justice systems of the Old West were weighted heavily in favor of defendants who were white and against those who were African American Native American or Mexican Packed with information this is a book for students and scholars of western history social history criminology and justice studies Western history buffs will be captivated by colorful anecdotes about the real West where guns could and did blaze over anything from love trysts to vendettas to too much foam on the beer From whatever perspective all readers are sure to find here a well constructed framework for understanding the West as it was and for interpreting the region as it moves into the future
