The American Language Henry Louis Mencken, 1919 **Short Cut to Spanish** Thomas Philip Terry, 1920 **In The Course of Human Events** Mike Harvkey, 2015-04-14

This thrilling debut novel equal parts satire and morality play shines a sharp light on the dark and radical underbelly of the floundering American Midwest. Clyde Twitty could use a break, a helping hand. He's a young man lost in his finances, in his family, and stuck deep within the fast settling muck of a dwindling rural Missouri town that has in every way given up hope. The hand that reaches down lifts him up and leads him forward belongs to a fiercely charismatic patriarch named Jay Smalls, a man who exerts a kind of gravitational force and breeds fierce purpose in those who find themselves caught in it. Not rattled by the increasingly sinister racial undertones of Jay and his posse, and desperate to look forward and not down for once in his life, Clyde hardly stumbles when the path he's being ushered down takes a dark and irrevocable turn. As he plunges us into the violent spiral of a desperate youth, he explores with unflinching acuity the ugly nature of hate, the untempered force of personality, and the sometimes horrific power of having someone believe in you.
