Woodard, 2024-05-01 Twice Colombia is the story of a young woman from a small southern town who follows a dream and finds herself living and working on a plateau high in the Andes Mountains of Colombia SA Part memoir part travelogue it's a tale of adventure friendship and adoption set against the capital city of Bogotá and the lively city of Cali during the seventies and eighties A dream to see the world and a curiosity about foreign cultures and plain old good fortune along with seized opportunities all played a part in helping her discover a country that hasn't always had the best press releases A tribute above all to the culture of an often misunderstood country Twice Colombia tells a personal story of discovering and acknowledging the remarkable value of each other's life experiences

The Martin Chronicles Mary Beth de Ribeaux, 2000 Laura set the bassinet down gently and backed away smiling at us Eugene nudged me but I was shaking so hard I couldn't pick up the baby Eugene quickly scooped him up instead and cuddled him before placing him in my arms Little Martin stared at me intently and then he smiled From the emotional moment when they first met Eugene and Mary Beth were entranced by the three month old baby they'd traveled to Mexico to adopt Then life took an unexpected turn Bureaucratic bungling political wrangling Mexican holidays and plain bad luck repeatedly delayed the adoption's final approval Meanwhile Eugene returned to the U.S. leaving Mary Beth in Puerto Vallarta with Martin The Martin Chronicles originally a series of email messages Mary Beth sent home to family and friends recounts the trials and joys of a first time mother with limited Spanish skills who was determined to make the best of a precarious situation This heartwarming lively narrative reveals a growing love not only for an adopted baby but for his native country as well Through comic adventures budding friendships and cultural celebrations The Martin Chronicles gives an account of one family's incredible saga to bring their baby home A Son of the Immortals Louis Tracy, 2019-12-12 In A Son of the Immortals Louis Tracy presents a riveting narrative steeped in adventure and intrigue where the protagonist grapples with themes of identity and existential purpose against a backdrop of fantastical mythos Tracy's prose is characterized by vivid imagery and a deft

command of dialogue that breathes life into both the characters and the richly woven tapestry of the story reminiscent of early 20th century adventure literature The book engages with contemporary discussions on the nature of heroism and the classical struggle between mortal limitations and divine aspirations situating itself within the broader literary context of spiritual and philosophical exploration Louis Tracy a prolific author known for his wealth of knowledge and experience in exploration and journalism channels his fascination for the unknown and his deep appreciation for mythology into this work Having traveled extensively and engaged with diverse cultures Tracy s insights into human complexity and morality are pivotal in shaping the narrative His ability to combine captivating storytelling with thoughtful reflection underscores the motivations that likely inspired him to explore the interplay between the human and the divine I highly recommend *A Son of the Immortals* to readers who appreciate rich imaginative storytelling that challenges the boundaries of reality and delves into the depths of the human experience This novel is not only a thrilling adventure but also a deep philosophical inquiry making it a worthwhile addition to the library of anyone interested in the profound questions of life and existence
