family this book serves as a testament to the lessons learned throughout the author's own life She grew up in a
multigenerational family within a small island village where families resided for generations and coexisted harmoniously
regardless of religion caste or social status She received early education in a boarding school established by Christian
missionaries where education and the cultivation of values based on spirituality laid the foundation for embracing the world
with an open mind Wearing simple uniforms and refraining from the use of jewelry and makeup allowed each individual's
personal beauty to shine without any extravagance Simplicity and character were the jewels The author's experiences across
