**Communion with Christ**

**and His People** Peter J. Morden, 2014-01-31 Charles Haddon Spurgeon 1834 1892 was the most famous Baptist minister of his generation For such a significant figure he has received surprisingly little scholarly coverage This present work seeks to make a contribution to Spurgeon studies by examining him through the lens of his spirituality A wealth of primary material much of it previously untapped is used to build up a picture of his spiritual life Whereas older and more recent interpretations of Spurgeon have a tendency to be one dimensional examination of his spirituality reveals him to be a complex figure one who was molded by a diverse range of factors Despite this complexity a unifying theme for Spurgeon s spirituality is traced and fresh light is shed on the foremost popular preacher of the Victorian age Holiness ,18?? **The People's Bible** Joseph Parker, 1901 **The Works of T. institutions that have opted for an overriding focus on growth this book offers an alternative based on the formation of corporate as well as individual virtuous character and considers the implications of a virtue based growth ethic on theological education and ministerial formation as well as in terms of public theology and the manner of the church's engagement with society
