Paine, 1998-08-01 **The Hollow Tree Snowed-in Book** Albert Bigelow Paine, 2015-08-04 Excerpt from *The Hollow Tree Snowed in Book Being a Continuation of the Stories About the Hollow Tree and Deep Woods People* The top of the map is South This is always so with the Hollow Tree People The cross on the shelf below the edge of the world where the ladder is is

where Mr Dog landed and the ladder is the one brought by Mr Man for him to climb back on The tree that Mr Man cut down shows too The spot on the edge of the world is where the Hollow Tree People sometimes sit and hang their feet over and talk A good many paths show but not all by a good deal The bridge and plank near Mr Turtle s house lead to the Wide Grass Lands and Big West Hills The spots along the Foot Race show where Grandpaw Hare stopped and the one across the fence shows where Mr Turtle landed Most of the other things tell what they are and all the things are a good deal farther apart than they look Of course there was not room on the map for everything About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
