Hollywood Musicals Collection:

Hollywood Musicals Year by Year Stanley Green, 1999 A chronologically arranged reference book on the Hollywood musical with each entry including pertinent facts about a film and a brief essay about the plot and production Includes hundreds of black white stills [The First Hollywood Musicals](#) Edwin M. Bradley, 2004-08-25 As Hollywood entered the sound era it was rightly determined that the same public fascinated by the novelty of the talkie would be dazzled by the spectacle of a song and dance film In 1929 and 1930 film musicals became the industry s most lucrative genre until the greedy studios almost killed the genre by glutting the market with too many films that looked and sounded like clones of each other From the classy movies such as Sunnyside Up and Hallelujah to failures such as The Lottery Bride and Howdy Broadway this filmography details 171 early Hollywood musicals Arranged by subgenre backstagers operettas college films and stage derived musical comedies the entries include studio release date cast and credits running time a complete song list any recordings spawned by the film Academy Award nominations and winners and availability on video or laserdisc These data are followed by a plot synopsis including analysis of the film s place in the genre s history Includes over 90 photographs

[Hollywood Musicals You Missed](#) Edwin M. Bradley, 2020-06-05 Pre World War II Hollywood musicals weren t only about Astaire and Rogers Mickey and Judy Busby Berkeley Bing Crosby or Shirley Temple The early musical developed through tangents that reflected larger trends in film and American culture at large Here is a survey of select titles with a variety of influences outsized songwriter personalities hubbub over hillbilly and cowboy stereotypes the emergence of swing and the brief parade of opera stars to celluloid Featured movies range from the smash hit Alexander s Ragtime Band 1938 to obscurities such as Are You There 1930 and Swing Sister Swing 1938 to the high grossing but now forgotten Mountain Music 1937 and It s Great to Be Alive 1933 a zesty pre Code musical science fiction comedy mishmash Also included are some of the not so memorable pictures made by some of the decade s greatest musical stars **Hollywood Musicals, the Film**

Reader Steven Cohan, 2002 This book explores one of the most popular genres in film history Combining classic and recent articles each section explores a central issue of the musical including the musical s significance as a genre the musical s own particular representation of sexual difference the idea of camp both through stars such as Judy Garland and Carmen Miranda and musicals themselves and the displacement of race in Hollywood s representations of entertainment Each section features an editor s introduction setting debates in context *The Oxford Handbook of the Hollywood Musical* Dominic

McHugh, 2022 In *The Oxford Handbook of the Hollywood Musical* leading scholars examine the history of a defining film genre from its very roots to the present analyzing its tropes and problems over the past 8 decades of film history **The**

Audiovisual Cataloging Current Sandra K. Roe, 2013-10-18 Examine crucial issues for audiovisual cataloging from a variety of perspectives This vital book addresses both current and historic issues related to audiovisual materials and cataloging It covers the current cataloging rules for sound recordings popular music and nonmusic recordings

videorecordings including DVDs electronic resources whether accessed locally or remotely three dimensional objects and realia and kits Three historical articles chronicle the history of audiovisual catalog in general the history of cataloging computer files and the history of The Thesaurus for Graphic Materials A section on audiovisual materials and subject access issues includes a chapter which proposes form genre terms for moving image materials and a special library s creation and use of a new thesaurus and its availability to assist online catalog users Finally four contributions examine audiovisual materials and cataloging from the perspectives of different library types school public academic and special The Audiovisual Cataloging Current provides case studies that show how the National Library of Medicine produces collects and catalogs non print materials the differences between the Moving Image Genre Form Guide and Library of Congress Subject Headings with recommendations for improving LCSH as a tool and an exhaustive list of LCSH terms how libraries and organized cataloging groups developed the Chapter 9 descriptive cataloging rules in AACR2 how the Westchester Library System created a user friendly online catalog for audiovisual materials how the Illinois Fire Service Library improved firefighters subject access to nonprint fire emergency materials how the National Library of Medicine promotes audiovisual formats and much more

Destabilizing the Hollywood Musical K. Kessler, 2010-10-13 A critical survey of Hollywood film musicals from the 1960s to the present This book examines how in the post studio system era cultural industrial and stylistic circumstances transformed this once happy go lucky genre into one both fluid and cynical enough to embrace the likes of Rocky Horror and pave the way for Cannibal and Moulin Rouge New York City and the Hollywood Musical Martha Shearer, 2016-09-26 In examining the relationship between the spectacular iconic and vibrant New York of the musical and the off screen history and geography of the real city this book explores how the city shaped the genre and equally how the genre shaped representations of the city Shearer argues that while the musical was for many years a prime vehicle for the idealization of urban density the transformation New York underwent after World War II constituted a major challenge to its representation Including analysis of 42nd Street Swing Time Cover Girl On the Town The Band Wagon Guys and Dolls West Side Story and many other classic and little known musicals this book is an innovative study of the relationship between cinema and urban space *The Complete Book of 1930s Broadway Musicals* Dan Dietz, 2018-03-29 Despite the stock market crash of October 1929 thousands of theatregoers still flocked to the Great White Way throughout the country s darkest years In keeping with the Depression and the events leading up to World War II 1930s Broadway was distinguished by numerous political revues and musicals including three by George Gershwin Strike Up the Band Of Thee I Sing and Let Em Eat Cake The decade also saw the last musicals by Gershwin Jerome Kern and Vincent Youmans found Richard Rodgers and Lorenz Hart in full flower and introduced both Kurt Weill and Harold Arlen s music to Broadway In *The Complete Book of 1930s Broadway Musicals* Dan Dietz examines in detail every musical that opened on Broadway from 1930 through 1939 This book discusses the era s major successes notorious failures and musicals that closed during their pre Broadway tryouts It includes such shows as

Anything Goes As Thousands Cheer Babes in Arms The Boys from Syracuse The Cradle Will Rock The Green Pastures Hellzapoppin Hot Mikado Porgy and Bess Roberta and various editions of Ziegfeld Follies Each entry contains the following information Plot summary Cast members Names of all important personnel including writers composers directors choreographers producers and musical directors Opening and closing dates Number of performances Critical commentary Musical numbers and the performers who introduced the songs Production data including information about tryouts Source material Details about London and other foreign productions Besides separate entries for each production the book offers numerous appendixes including a discography filmography and list of published scripts as well as lists of black themed and Jewish themed productions This comprehensive book contains a wealth of information and provides a comprehensive view of each show The Complete Book of 1930s Broadway Musicals will be of use to scholars historians and casual fans of one of the greatest decades in musical theatre history **International Film Musical** Corey K

Creekmur, 2013-01-11 A unique study of the film musical a global cinema tradition Classic Musicals, 2005 This delightful collection transports you back to the Golden Era of Hollywood musicals where every troubled romance had a happy ending

The Cinematic Voyage of THE PIRATE Earl J. Hess, Pratibha A. Dabholkar, 2014-07-21 During Metro Goldwyn Mayer's glory days the studio's famous Arthur Freed Unit made an extraordinary string of dazzling musicals One of its very best was The Pirate Based on a successful 1942 Broadway production the film was directed by Vincente Minnelli and starred Gene Kelly and Judy Garland It showcased some of the brightest work of these three gifted moviemakers and entranced many critics and viewers with exotic set design and costumes brilliant Technicolor application stunning dance routines and a clever plot about an actor who pretends to be a famous pirate to win the love of a fanciful island girl The Cinematic Voyage of The Pirate Kelly Garland and Minnelli at Work follows the model of Hess and Dabholkar's previous study of Singin in the Rain Drawing on exhaustive research in archives memoirs interviews and newspaper coverage it takes the reader from the original conception of the story in the mind of a German playwright named Ludwig Fulda through S N Behrman's Broadway production starring Alfred Lunt and Lynn Fontanne to the arduous task of crafting a suitable screenplay at MGM Behind the scenes issues such as Garland's personal problems during the making of the film and the shaping of the film by Minnelli and Kelly are among the many subjects detailed here While the initial reception of The Pirate reinforced hopes for its success many audiences did not understand the film's tongue in cheek aspect and some critical reviews were mixed This shaded the perception of the film and its significance As this careful study shows The Pirate was a commercial and critical success despite some early misperceptions The movie made a small profit for MGM and the film grew in public appeal over time The Pirate has been studied by film historians gender studies scholars and film studies professionals since it was released in 1948 The Cinematic Voyage of The Pirate contributes to a growing literature asserting the importance of single film production history and the significance of the film musical in the golden age of Hollywood *Spectacle in Classical Cinemas* Tom

Brown,2015-08-11 Spectacle is not often considered to be a significant part of the style of classical cinema Indeed some of the most influential accounts of cinematic classicism define it virtually by the supposed absence of spectacle Spectacle in Classical Cinemas Musicality and Historicity in the 1930s brings a fresh perspective on the role of the spectacular in classical sound cinema by focusing on one decade of cinema the 1930s in two modes of filmmaking musical and historical films and in two national cinemas the US and France This not only brings to light the special rhetorical and affective possibilities offered by spectacular images but refines our understanding of what classical cinema is and was Broadway in the Box Kelly Kessler,2020 It was as if American television audiences discovered the musical in the early 21st century In 2009 Glee took the Fox Network and American television by storm with the unexpected unification of primetime programming awkward teens and powerful voices spontaneously bursting into song After raking in the highest rating for a new show in the 2009 2010 season Glee would continue to cultivate rabid fans tie in soundtracks and merchandising and a spinoff reality competition show until its conclusion in 2015 Alongside Glee NBC and Fox would crank up musical visibility with the nighttime drama Smash and a string of live musical productions Then came ABC s comedic fantasy musical series Galavant and the CW s surprise Golden Globe darling My Crazy Ex Girlfriend Television and the musical appeared to be a perfect match But as author Kelly Kessler illustrates television had at that point been carrying on a sixty year symbiotic love affair with the musical From Rodgers and Hammerstein s appearance on the first Toast of the Town telecast and Mary Martin s iconic Peter Pan airings to Barbra Streisand s 1960s CBS specials The Carol Burnett Show Cop Rock Great Performances and a string of one off musical episodes of sitcoms nighttime soaps fantasy shows and soap operas television has always embraced the musical Kessler shows how the form is written across the history of American television and how its various incarnations tell the stories of shifting American culture and changing television film and theatrical landscapes She recounts and explores this rich decades long history by traversing musicals stars and sounds from film Broadway and Las Vegas to the small screen **The Musical** William Everett,2011-06-02 The musical whether on stage or screen is undoubtedly one of the most recognizable musical genres yet one of the most perplexing What are its defining features How does it negotiate multiple socio cultural economic spaces Is it a popular tradition Is it a commercial enterprise Is it a sophisticated cultural product and signifier This research guide includes more than 1 400 annotated entries related to the genre as it appears on stage and screen It includes reference works monographs articles anthologies and websites related to the musical Separate sections are devoted to sub genres such as operetta and megamusical non English language musical genres in the U S traditions outside the U S individual shows creators performers and performance The second edition reflects the notable increase in musical theater scholarship since 2000 In addition to printed materials it includes multimedia and electronic resources Singin' in the Rain Earl J. Hess,Pratibha A. Dabholkar,2009-05-12 There is no movie musical more fun than Singin in the Rain and few that remain as fresh over the years It is a transcendent experience and no one who loves movies

can afford to miss it Roger Ebert America's most popular film critic is hardly alone in singing the praises of *Singin' in the Rain*. This quintessential American film made in Hollywood's Golden Age showcasing the genius of Gene Kelly and featuring what Ebert calls the most joyous musical sequence ever filmed has inspired love and admiration from fellow critics, film scholars and movie buffs worldwide for more than half a century. Indeed its reputation continues to grow: the American Film Institute now ranks it number 1 on its list of the Greatest Movie Musicals of All Time and number 5 on its list of the Greatest American Films of All Time. Echoing the enthusiasm of the film's most devoted fans, Earl Hess and Pratibha Dabholkar embrace and illuminate both the film and its reputation. Combining lucid prose with meticulous scholarship, they provide for the first time the complete inside story of how this classic movie was made, marketed and received. They re-create the actual movie-making experience on the set and behind the scenes and chronicle every step in production from original concept through casting, scripting, rehearsals, filming, scoring and editing. They then trace its distribution, critical reception and enduring reputation. The book is brimming with human interest, bursting with anecdotes and quotes by and about the film's stars and makers. Here are Gene Kelly and Donald O'Connor at the top of their form along with Debbie Reynolds and Cyd Charisse in their breakthrough roles. Here too are fascinating tidbits about censorship troubles, continuity flaws, stunt doubles for Kelly, voice doubles for cast members, the dubbing of taps and the genealogy of all the songs. Hess and Dabholkar also provide in-depth analyses of each of the major song and dance performances, including details of everything from the dynamics of 'Gotta Dance' to the physical challenges of the remarkable title number. Based on exhaustive research in oral histories, studio production records, letters, memoirs and interviews, their book is factually impeccable, compulsively readable and indispensable for anyone who loves movies at their absolute best.

[The French Film Musical](#) Phil Powrie, Marie Cadalanu, 2020-09-17 Like many national cinemas, the French cinema has a rich tradition of film musicals, beginning with the advent of sound to the present. This is the first book to chart the development of the French film musical. The French film musical is remarkable for its breadth and variety since the 1930s, although it flirts with the Hollywood musical in the 1930s and again in the 1950s; it has very distinctive forms rooted in the traditions of French chanson. Defining it broadly as films attracting audiences principally because of musical performances, often by well-known singers, Phil Powrie and Marie Cadalanu show how the genre absorbs two very different traditions with the advent of sound: European operetta and French chanson, inflected by American jazz. 1930-1950 As the genre matures, operetta develops into big-budget spectacles with popular tenors and revue films also showcase major singers in this period. 1940-1960 Both sub-genres collapse with the advent of rock n' roll, leading to a period of experimentation during the New Wave. 1960-1990 The contemporary period since 1995 renews the genre, returning nostalgically both to the genre's origins in the 1930s and to the musicals of Jacques Demy, but also hybridising with other genres such as the biopic and the documentary.

[The American Film Musical](#) Rick Altman, 1987 On the history of the American musical in cinema

Hollywood's Dirtiest Secret Hunter Vaughan, 2019-03-12 In an era when many businesses

have come under scrutiny for their environmental impact the film industry has for the most part escaped criticism and regulation Its practices are more diffuse its final product less tangible and Hollywood has adopted public relations strategies that portray it as environmentally conscious In Hollywood's Dirtiest Secret Hunter Vaughan offers a new history of the movies from an environmental perspective arguing that how we make and consume films has serious ecological consequences Bringing together environmental humanities science communication and social ethics Hollywood's Dirtiest Secret is a pathbreaking consideration of the film industry's environmental impact that examines how our cultural prioritization of spectacle has distracted us from its material consequences and natural resource use Vaughan examines the environmental effects of filmmaking from Hollywood classics to the digital era considering how popular screen media shapes and reflects our understanding of the natural world He recounts the production histories of major blockbusters Gone with the Wind Singin' in the Rain Twister and Avatar situating them in the contexts of the development of the film industry popular environmentalism and the proliferation of digital technologies Emphasizing the materiality of media Vaughan interweaves details of the hidden environmental consequences of specific filmmaking practices from water use to server farms within a larger critical portrait of social perceptions and valuations of the natural world

Listen to Movie Musicals! James E. Perone, 2020-01-13 Listen to Movie Musicals provides an overview of musical theater on film for fans of the genre with a focus on 50 must hear musicals featured in movies Listen to Movie Musicals includes an overview of musical theatre and movie musicals in the United States The 50 movies chosen for critical analysis include many of the best known film musicals of the past and present however the list also includes several important movie musicals that were popular successes that are not necessarily on the best of lists in other books This volume also includes a greater focus on the actual music of movie musicals than do most other books making it a stand out title on the topic for high school and college readers Like the other books in this series this volume includes a background chapter followed by a chapter that contains 50 important essays on must hear movie musicals of approximately 1 500 words each Chapters on the impact of movie musicals on popular culture and the legacy of movie musicals further explain the impact of both the movies and their songs
