the vengeful and obsessive Gollum in the groundbreaking Lord of the Rings screen trilogy 2001-03. Landing the role presented him with a formidable challenge helping to bring to life a computer generated character that was not just technically dazzling but emotionally credible. To play Gollum needed a performer with immense stamina and creativity requirements which for audiences and critics alike Andy Serkis exceeded. But there is far more to Serkis than The Lord of the Rings. When he began work on the trilogy in 1999 he already had 15 years of experience in theatre, television and cinema portraying characters who were eccentric, complex and even monstrous. He was always determined to inject humanity and empathy into every part he played no matter how flawed they may have seemed. It is this level of intensity and commitment that has enriched so many of his roles from Bill Sykes to King Kong and from Albert Einstein to Ian Dury. Andy Serkis returned to the big screen in 2011 as Captain Haddock in the long awaited The Adventures of Tintin: Secret of the Unicorn and is now preparing to revisit the persona of Gollum for the cinematic remake of The Hobbit. Author Justin Lewis examines the life and career to date of this most highly principled, hard working and versatile of actors.

Cedar: The Life and Music of Cedar Walton Ben Markley, 2023-05-15. Grammy Award winning pianist, bandleader and composer Cedar Walton (1934-2013) is a major figure in jazz associated with a variety of styles from bebop to funk and famous for composing several standards. Born and raised in Dallas, Walton studied music in Denver where he jammed with musicians such as Charlie Parker and John Coltrane. In 1955 Walton moved to New York immediately gaining recognition from notable musicians and nightclub proprietors. When Walton returned to the U.S. after serving abroad in the Army, he joined Benny Golson and Art Farmer's Jazztet. Later he became both pianist and arranger for Art Blakey's Jazz Messengers. Next he worked as part of Prestige Records's house rhythm section recording with numerous greats and releasing his own albums. One hallmark of Walton's impact is his numerous long term collaborations with giants such as trombonist Curtis Fuller and drummer Billy Higgins. By the end of his career Walton's discography as both band member and bandleader included many dozens of vaunted recordings with some of the most notable jazz musicians of the 1960s through the first decade of the twenty-first century. Ben Markley conducted more than seventy-five interviews with friends and family members, musicians who played with or were otherwise influenced by Walton, and industry figures such as club owners. Musicians interviewed include such stars as Jimmy Heath, Benny Golson and Ron Carter. Walton's wife Martha shared her extensive archives of photos, ephemera such as fliers and tour itineraries and letters.

Official Gazette of the United States Patent and Trademark Office, 1999. [Access](#), 2003. [The Sex Goddess in American Film, 1930-1965](#) Jessica Hope Jordan, 2009. In the first critical study of the sex goddess in film, Jessica Hope Jordan illustrates how Jean Harlow uses her sexualized body to affect and seduce viewers away from any primary identification with those characters and their plotlines that are supposed to lead the film to identifying instead with the kind of sexual empowerment and self-possession her characters consistently display. Linking the idea of sexual empowerment to the filmic and public celebration of hyper-feminine sexuality, the book additionally covers previous

feminist discussions of Mae West's performances as feminist camp to argue that West sought to both celebrate and embody for women viewers what she viewed as cultural ideals of femininity and women's sexuality. With Lana Turner and the cinematic code, the book considers the many problems inherent in both the filmic and public celebration of hyper-feminine sexuality in relation to censorship and considers the effects of the Hays Code on hyper-feminine sexuality as depicted in film noir. The book also importantly presents the first critical discussion of the actress Jayne Mansfield, suggesting that her 1950s open acceptance, celebration and public promotion of her feminine sexuality both onscreen and off makes her not only a precursor of the more sexually liberated 60s but also like the other actresses discussed here a kind of prescient performance artist even theorist of feminine sexuality in particular and cultural ideas about sexuality more generally. Beyond recouping her image as feminist, the book demonstrates how the kind of desire aroused by the sex goddess—a desire which remains endlessly suspended—works as a supreme example of the aesthetic apparatus of cinema itself. Catalog of Copyright Entries. Part 1. [B] Group 2. Pamphlets, Etc. New Series Library of Congress. Copyright Office, 1929 **Off to the Pictures** Lisa Stead, 2016-08-04 Examines women's constructions of selfhood through film and literature in interwar Britain. **Off to the Pictures** Cinemagoing Women's Writing and Movie Culture in Interwar Britain offers a rich new exploration of interwar women's fictions and their complex intersections with cinema. Interrogating a range of writings from newspapers and magazines to middlebrow and modernist fictions, the book takes the reader through the diverse print and storytelling media that women constructed around interwar film, going on to argue that literary forms came to constitute an intermedial, gendered cinema culture at this time. Using detailed case studies, this innovative book draws upon new archival research, industrial analysis and close textual readings to consider cinema's place in the fictions and critical writings of major literary figures such as Winifred Holtby, Stella Gibbons, Elizabeth Bowen, Jean Rhys, Elinor Glyn, C. A. Lejeune and Iris Barry. Through the lens of feminist film historiography, *Off to the Pictures* presents a bold new view of interwar cinema culture, read through the creative reflections of the women who experienced it. **Catalogue of Copyright Entries**, 1927 *The Book of Hit Singles* Dave McAleer, 2001-08 Book Based on the official Top 20 charts from Billboard in the US and NME Music Week in the UK, this entertaining book shows at a glance the monthly international status of the hits. Hollywood's Melodramatic Imagination Geoff Mayer, 2021-12-22 Melodrama is the foundation of American cinema It is however a poorly understood term While it is a pervasive and persuasive dramatic mode it is not tied to any specific moral or ideological system It is not a singular genre rather it operates as a genre generating machine capable of determining the aesthetics and structure of the drama within many genres Melodrama centers the conflict around the clash between good and evil and provides a sense of poetic justice but the specific values embedded in notions of good and evil are determined by the culture and they shift from nation to nation region to region and period to period This book explores the populist westerns of the 1930s the propaganda films that followed the Japanese attack on Pearl Harbor and the popularity of Sax Rohmer's master villain Fu Manchu Melodramas of passion and film noir also offer a challenge to melodrama with its seemingly alienated protagonists and downbeat endings Yet with few exceptions Hollywood was able to assimilate these genres within its melodramatic imagination **Catalog of Copyright Entries** ,1930
