The Layperson's Library Robert A. Yost,2020-12-30 In the spirit of Cyril Barber s classic work from the 1970s *The Minister s Library* and the author s 2017 book *The Pastor s Library* Robert Yost provides the same expert guidance now for a lay audience Finally laypersons who desire to study the Bible have an invaluable resource for the acquisition of research tools as well as general Christian reading From general reference works such as Bible atlases and concordances commentaries devotional works and theological studies to Christian biography and fiction this book is a trustworthy guide through the multiplicity of books that just seem to keep rolling off the presses Overwhelmed by the proliferation of Christian books on the shelves This handy guide is the book for you Handbook of Reference Sources and Services for Small and Medium-Sized Libraries

Margaret I. Nicholas,1996-07 Lists over 750 sources focusing on the reference needs of adults The primary objective was to select quality reference tools which cover many different topics Topics include general works biography philosophy religion language literature visual arts applied sciences sports and recreation home life social customs and education **HOW TO STUDY** R. A. Torrey,Edward D. Andrews,2016-08-09 How can we find more enjoyment in studying the Bible How can we make our study periods more productive What circumstances contribute to effective personal study How can we derive real benefit and pleasure from our Bible reading From what activities can time be bought out for reading and studying the Bible Why should we watch our spiritual feeding habits What benefits come from reading and studying the Scriptures There is a great and constantly growing interest in the study of the English Bible in these days However very much of the so called study of the English Bible is unintelligent and not fitted to produce the most satisfactory results The authors of this book already have a book entitled *HOW TO STUDY Study the Bible for the Greatest Profit* but that book is intended for those who are willing to buy out the time to put into thorough Bible study The present book is intended first of all to impress men and women with the Importance and Value of Bible Study secondly to show busy men and women how to get the most out of their Bible Study thirdly to set forth the fundamental principles of correct Biblical Interpretation *The Pastor's Library* Robert A. Yost,2017-09-21 In the spirit of Cyril Barber s classic work from the 1970s *The Minister s Library* Robert Yost provides students and pastors with expert guidance on building a working ministerial library From Old and New Testament languages lexical aids and grammatical tools to commentaries and theologies as well as pastoral resources Yost is a trustworthy guide through the multiplicity of books that seem to just keep rolling off the presses Far more than just a guide

to commentaries as are so many works today this resource is a balanced pastoral tool for pastors and students who are overwhelmed by the proliferation of literature in the fields of biblical and pastoral studies

You Have Victory in the Word Rufus McDowell, D. Min., 2022-02-22 But thanks be to God who gives us the victory through our Lord Jesus Christ 1 Corinthians 15:57 The call and urgency for people to accept Jesus Christ as Lord is paramount for a victorious and abundant lifestyle This book is designed to provide you with information that will be helpful and insightful in your intimacy and walk with Christ From my own encounters through adversities I have realized that it is utmost meaningful and significant to study the Bible and apply its truths in every situation and circumstance regarding mundane events of daily life During my Christian journey I grasped how much believers need an example and ministerial help when undergoing trials and difficulty Resultant from years of conducting pastoral ministry and counseling others I determined that many do not know the Word of God nor the promises that are available to them Thus I began to preach and teach *You Have Victory in the Word* The Spirit gave me revelation that all of life's issues are addressed in the Bible Simply put I discovered that the Holy Spirit is not constricted to the pages of scriptures but He wants to provide every believer with principles that will aid them to be successful in spite of the storms of life This book will help you navigate the torrential and hammering degrees of life's challenging moments Finally the Bible describes in clear and unmistakable language how we should react to the Word of God in all its different forms We must eagerly hear God's Word and let it be our joy and delight We must accept what the Word of God says hide it deep within our hearts trust in it and put our hope in its promises
