**The Holocaust's Jewish Calendars** Alan Rosen, 2019-02-28 The most comprehensive to date treatment of these precious artifacts of the Holocaust s Jewish efforts to maintain religious observations and identity Choice Calendars map time shaping and delineating our experience of it While the challenges to tracking Jewish conceptions of time during the Holocaust were substantial Alan Rosen reveals that many took great risks to mark time within that vast upheaval Rosen inventories and organizes Jewish calendars according to the wartime settings in which they were produced from Jewish communities to ghettos and concentration camps The calendars he considers reorient views of Jewish circumstances during the war and show how Jews were committed to fashioning traditional guides to daily life even in the most extreme conditions In a separate chapter moreover he elucidates how Holocaust era diaries sometimes served as surrogate Jewish calendars All in all Rosen presents a revised idea of time continuity the sacred and the mundane the ordinary and the extraordinary even when death and destruction were the order of the day Rosen s focus on the Jewish calendar the ultimate symbol of continuity as weekday follows weekday and Sabbath follows Sabbath sheds new light on how Jews maintained connections to their way of conceiving time even within the cauldron of the Holocaust Rosen demonstrates the relationship between time and meaning between meaning and holiness between holy days and the divine presence all of which came under assault in the Nazis effort to kill Jewish souls before destroying Jewish bodies David Patterson author of *Along the Edge of Annihilation The Collapse and Recovery of Life in the Holocaust Diary*

Jewish identities and affiliations      *Jewish Responses to Persecution: 1938-1940* Alexandra Garbarini, 2011-08-16 Published in association with the United States Holocaust Memorial Museum *Jewish Responses to Persecution Volume II 1938-1940* is the second volume of the five volume set within the series *Documenting Life and Destruction Holocaust Sources in Context*. This volume brings together in an accessible historical narrative a broad range of documents including diaries, letters, speeches, newspaper articles, reports, Jewish identity cards, and personal photographs from Jews in Nazi dominated Europe and beyond Europe's borders. The volume skillfully illuminates the daily lives of a diverse range of Jews who suffered under Nazism, their coping strategies, and their efforts to assess the implications for the present and future of the persecution they faced during this period. Volume II begins with Kristallnacht in 1938 and continues through the Jewish flight out of Germany, the onset of World War II, the forced relocation of the Jews of Europe to the East, and the formation of Jewish ghettos, particularly in Poland. The twelve chapters, divided into four parts, track the trajectory of German expansion and anti-Jewish policies, chronologically attesting to a clear progression of persecution over time and space. At the same time, they reflect the vast differences in the responses of Jewish communities, groups, and individuals within and beyond the Germans' grasp, differences that resulted both from the unevenness of the Reich's policy toward Jews, as well as the varied backgrounds, traditions, expectations, and life histories of Jews affected by German policy. This volume raises essential questions such as: What was the spectrum of Jewish perceptions and actions under Nazi domination? How did Jews affected directly or others standing on the outside view the situation? In what ways were Jews able to influence their own fate under persecution? What role did Jewish tradition play in how the present and future were interpreted? The answers inherent in the documents are often varied or inconclusive; nonetheless, these sources add considerably to our understanding of the Holocaust.      **New**

**Perspectives on Jewish Cultural History** Maja Gildin Zuckerman, Jakob Egholm Feldt, 2019-08-19 This book presents original studies of how a cultural concept of Jewishness and a coherent Jewish history came to make sense in the experiences of people entangled in different historical situations. Instead of searching for the inconsistencies, discontinuities, or ruptures of dominant grand historical narratives of Jewish cultural history, this book unfolds situations and events where Jewishness and a coherent Jewish history became useful, meaningful, and acted upon as a site of causal explanations. Inspired by classical American pragmatism and more recent French pragmatism, we present a new perspective on Jewish cultural history in which the experiences, problems, and actions of people are at the center of reconstructions of historical causalities and projections of future horizons. The book shows how boundaries between Jewish and non-Jewish are not a priori given but are instead repeatedly experienced in a variety of situations and then acted upon as matters of facts. In different ways and on different scales, these studies show how people's experiences of Jewishness perpetually probe, test, and shape the boundaries between what is Jewish and non-Jewish, and that these boundaries shape the spatiotemporal linkages that we call history.      *Jewish Responses to Persecution: 1942-1943* Emil Kerenji, 2014-10-10 Published in association with the United States Holocaust
