Complete Lesson Plans for the TPRS Classroom Spanish 1B Jalen Waltman, 2005-08-15 Jalen Waltman's original Spanish 1A  
and 1B 2005 Version books were written for middle school level 1 Spanish 1A is for first semester middle school level 1 and  
1B is for second semester middle school level 1 These were the first Spanish 1 lesson plan books I wrote while I was teaching  
6th 7th and 8th grade Spanish at the middle school level The vocabulary list is shorter and more simplified than my newer  
high school Spanish 1 books and is loosely based on the old Dime Uno textbooks published by McDougal Littell in the 90 s  
The skits are more geared for middle school students sense of humor with fewer dating jobs cars stories than my newer 2009  
Spanish 1 books which include completely new skits none repeated from these 2005 books These older books are more  
homemade and include more hand drawn pages and activities than my newer stuff but the skits games and other activities  
still get rave reviews so I'm still selling them If you're teaching middle school and you need lessons that don't repeat the skits  
for Spanish 1 at the high school level then these books are a good bet The lessons are designed to get students speaking and  
writing basic Spanish with enthusiasm and confidence by the end of the first semester primarily by acquiring vocab sets with  
skits and readings Included are lessons on basic greetings and introductions descriptions of people subject and object  
pronouns and basic verbs like tener ser estar and ir Vocab sets are taught with TPR and skits and reinforced with page long  
Spanish readings By the end of these level 1 lessons most students should be writing 100 word 10 minute narrative Spanish  
essays with no dictionary help as well as narrating simple Spanish stories by looking at stick figure drawings and describing  
what's going on also with no dictionary help The lessons include a complete vocab list by semester daily warm up quizzes skit  
scripts page long Spanish readings recycling the vocab grammar content of the skit graphic organizers writing activities  
cooperative learning activities a 9 weeks test and a final exam These lessons are designed so that once you have your copies  
made you can just flip the pages and teach All masters are included and ready to copy including sub plans Follow Jalen at

Plans for Kids is an activity and content based curriculum that immerses young learners in the Spanish language Developed  
by professional educators with over forty years of combined teaching experience this 40 lesson scaffolded curriculum  
engages learners in stimulating language infused activities that are fun and age appropriate including content rich  
instruction in math science art and physical education Beginning with Lesson 1 Who am I the lessons follow a logical

progression of thematic units Colors Numbers Shapes Places Around the House Clothing Seasons Parts of the Body Positional Words Food Family Animals and Descriptive Words culminating in an activity that combines games food music and crafts The lessons identify clear goals and learning objectives and include play based assessments of learners developing proficiency Extension activities offer students additional learning opportunities and cultural experiences as they dance and sing to music from across the Spanish speaking world Informed by language acquisition theory Spanish Lesson Plans for Kids emphasizes the development of student proficiency in speaking and listening through the use of the target language in real world contexts An adventure in learning for teachers and students *Ven Conmigo!*.
