**God, The Same Yesterday Today and Forever** Steven B. Riddley, 2011-03-11 God The Same Yesterday Today and Forever From the beginning of time after the fall of Adam man has not understood his purpose in life on Earth The unknown mysteries of life have put man on a pursuit to find answers that are already before him This is where not knowing his creator who has all the answers It the enemy of our soul that has kept us from ever knowing the age old question What is truth The universal mysteries have put man on a pursuit of the infinity to his own short life span and dies never to find the answer Have you the reader ever looked at the wonders that are in this world and asked the question where did it all get its origin Is there some one out there greater than I I have found that there are people born with no knowledge of a higher intelligence than themselves We call them atheist Well this book is about to introduce you to the reality of there is a God and at some point in the time of your life here or in the hereafter you will meet him The fear of the unknown has caused us all without the knowledge of truth to create an inner world that exists in our thoughts that leads us to live a life of willing ignorance This reality block in our minds creates a false sense of security that is based in the material things of this world that can not talk speak or hear These are the idols we in a western world that have become the cymbals of achievements that we value as a reason for living Have you ever thought where these gifts to create these natural phenomena came from Well for seven years the God I serve has given me the answers to many of these questions about man the cosmos and planet Earth all of which he created I am sure that when you read this book the obvious signs will convince you of these realities we all have been a willing participants in the ignorance that have led up to our present state in the world Mark 8 36 KJV 36 For what shall it profit a man if he shall gain the whole world and lose his own soul **Journey with Grace** Theresa D.

Hammonds,2009-07 Feel the presence of God as you read A Journey With Grace This masterpeice is truely the voice of God being brought to life in poetic form As you read each poem you will be redeemed renewed and restored A Journey with Grace will leave you speechless and wanting to hear more from God It is a journey you will not want to miss This book will heal strengthen and empower you as God receives all glory Therefore I invite you to take this journey with God and receive your salvation or just be renewed in the spirit Enjoy     **Holy Bible, People's Parallel Edition Bible** Tyndale House Publishers,2001-04-18 KJV is side by side with the NLT Index to Bible promises Verse finder Daily reading plan Red letter Imprintable 6 x 9     Joyce in the Belly of the Big Truck; Workbook Joyce A. Cascio,2005-05     **The Expositor's Bible Commentary: Hebrews-Revelation** David E. Garland,2005 This is a complete revision of the Gold Medallion winning commentary series It is up to date in its discussion of theological and critical issues and thoroughly evangelical in its viewpoint     New King James - The Bridge Bible David W. Daniels,2020-05-19 Is The New King James Bible Just An Updated King James It promised to be a 5th edition of the KJV preserving the originally intended meaning of every verse Did publishers and translators keep their promise Author David Daniels shows us in this book that the classical language including the thees and thous is not all that was changed In fact this Bible is not a King James at all Some of the updates actually change doctrines I M NOT SAYING WHAT COULD HAPPEN I M SHOWING YOU WHAT DID HAPPEN DAVID W DANIELS It cannot be a true King James if salvation is changed from a finished work to an unfinished process 1 Corinthians 1 18 How can you know you are saved Or in Matthew 7 14 where it says Because narrow is the gate and difficult is the way which leads to life God did not make the way difficult Salvation is as close as our mouth and our heart These tiny changes as well as others like it have made a big difference moving people from faith to doubt in God and His words But there s more The publishers of the New King James said themselves that their goal was to provide a transitional bridge to a modern Bible and they sell plenty of them As people get used to seeing words changed in their Bible they soon will accept a Bible that changes even more Eventually you have a Bible with wording vague enough in many key areas that all the world s religions will be able to fit their doctrines into it This is actually part of the larger plan for everyone to accept one world Bible for the Antichrist s coming one world religion How do we counter this By teaching our children how to read the clear words of the King James we can bring faith and not doubt to the next generation In fact as you will see in this book if previous generations had done this the New King James would never have been made     **Ladies Please!
