[By G. W. Doane, Bishop of New Jersey.], 1844      **Scriptural Views of Holy Baptism** E. B. Pusey, 2024-08-26 Reprint of the original first published in 1840      Christian Initiation, 1552-1969 Peter John Jagger, 1970 Language English      The Rites of Christian Initiation Maxwell E. Johnson, 2016-03-24 Originally published in 1999 The Rites of Christian Initiation was hailed for its clarity and comprehensiveness Kalian McDonnell OSB called it the best overall treatment of Christian initiation

available and Paul Bradshaw predicted it would be the standard textbook on the subject for very many years to come. The current edition draws on new translations of early texts on baptism as well as recent scholarship on the early traditions in the East and West. It is sure to replace itself as the new standard reference on the rites of Christian initiation. Maxwell E. Johnson's expanded and revised text provides a more complete view of the history and interpretation of the rites in the Eastern Church, including two chapters that explore the pre-Nicene Eastern and Western traditions in detail. Revisiting the theology of baptism, this edition also provides more nuanced positions on the Eastern and Western traditions. Finally, recent liturgical developments in American Protestant churches, particularly Lutheran, as well as the ongoing development of the RCIA and confirmation practices of Catholics, made it necessary to revisit the place and meaning of these rites in the church today.

Maxwell E. Johnson, PhD, is professor of liturgy at the University of Notre Dame and an ordained minister of the Evangelical Lutheran Church in America. He has published in *Worship* and is the editor of and contributor to *Living Water*, *Sealing Spirit*, *Readings on Christian Initiation* (Liturgical Press, 1995) and the revised and expanded edition of *E. C. Whitaker Documents of the Baptismal Liturgy* (Liturgical Press and S P C K, 2003) to which this study serves as a companion volume.

**A Treatise on Baptism ; Also, A Treatise on Confirmation** Francis Patrick Kenrick, 1852      **Christian Initiation: the Reformation Period** John Douglas Close Fisher, 1970      *The Doctrine of Confirmation* A. Theodore Wirgman, 2016-10-18

Excerpt from *The Doctrine of Confirmation Considered in Relation to Holy Baptism as a Sacramental Ordinance of the Catholic Church With a Preliminary Historical Survey of the Doctrine of the Holy Spirit*. The second point to be considered is whether the new doctrine of the writer of the Article in the Church Quarterly and of the modern Anglican authorities, which he quotes, is of sufficient weight to cause its universal acceptance in place of the received teaching of the Catholic Church. It is not too much to say that the reception of a doctrine so novel and so seriously at variance with the usual interpretation of our Anglican formularies requires of us a belief in the constructive and formative powers of a few nineteenth-century writers on theology which is hardly warranted by facts. It would be strange if the Catholic doctrine of Confirmation had lain dormant and undeveloped for nearly nineteen centuries and that it had been reserved to these writers to unfold it for the first time to an expectant Catholic Christendom. This aspect of the question has very important issues.
