## **Holy Company Christian Heros And Heroines:**

**Holy Company** Elliott Wright, 1980 Presents brief profiles of model Christians from Francis of Assisi to Flannery O'Connor from Paul of Tarsus to Martin Luther King and from Leo I to Dag Hammarskjöld Christ-Centered Leadership David L. McKenna, 2013-05-09 If a leader is a Christian what difference does it make Giant strides have been made in secular leadership theory toward a Christian viewpoint Priority is now given to character as well as competence accountability as well as power transformation as well as transaction and servanthood as well as success But these qualities apply to secular as well as to Christian leadership So the question remains What difference does it make David McKenna finds the answer in the Incarnation of Jesus Christ a divine act for him and a defining attitude for us Philippians 2 11 15 sets the standard and gives the details Your attitude should be the same as Jesus Christ means following his call to the cross where we die to self and sacrifice all self interest in position power and prestige in order to serve obediently faithfully and humbly for the good of others and the glory of God Christ centered leadership is not an extension of the highest and best of human leadership Radical obedience to the call of Christ and utter dependence upon the Holy Spirit make a substantive difference In the most practical terms Incarnation continues in us when we live fully lead freely and go where he wants us to go **Courageous Christians** Joyce Vollmer Brown, 2000-03-13 Most Christian parents dream of raising children who will love God with their whole being and seek to serve Christ with their very lives However sometimes parents feel they lack solid Christian role models for their children outside of their family Our kids need Christian heroes Courageous Christians by Joyce Brown is just the family reader we need to fill this gap The vast array of men women and children profiled in this book give everyone someone with whom to identify These personalities are from different parts of the world and different time periods These are people who have moved mountains with their faith had courage beyond belief and have demonstrated selfless sacrificial love Courageous Christians is a book that can be used by families with children of all ages Joyce Brown provides clear simple well explained stories of various Christian heroes With sixty daily readings this book will provide a perfect format for family devotions This delightful family reader will teach children and parents alike what truly makes a Christian hero *Story Theology* Terrence W. Tilley, Terrence Tilley, 1990 The author reminds us that our Christian stories are at the heart of the faith Without these stories formulated doctrines and theological systems would be bereft of meaning and substance With the breadth of bright Vision he explains what story theology is all about and he tells us why it is gripping the minds and hearts of so many **Daughters of the Church** Ruth A. Tucker, Walter L. Liefeld, 2010-08-10 Rich in historical events and colorfully written this fascinating account of women in the church spans nearly two thousand years of church history It tells of events and aspirations determination and disappointment patience and achievement that mark the history of daughters of the church from the time of Jesus to the present The authors have endeavored to present an objective story The very fact that readers may find themselves surprised now and again by the prominent role of women in certain events and movements

proves an inequality that historical narrative has often been guilty of This is a book about women It is a setting straight off the record a restoring of balance to history that has repeatedly played down the significance of the contributions of women to the theology the witness the movements and the growth of the church An exegetical study of relevant Scripture passages offers stimulating thought for discussion and for serious reevaluation of historical givens This volume is enriched by pictures appendixes bibliography and indexes Like many of the women whose stories it tells this book has a subdued strength that should not be underestimated

*Women in Christian History* Carolyn DeArmond Blevins, 1995 For much of Christian history the role of women in the life of the church both local and universal has been downplayed overlooked or simply denied Such a state of affairs of course also denies the testimony of the church's Scriptures regarding the key role women played in Jesus' own ministry and that of the early church It denies or deliberately overlooks the significant role of women in the life of the church throughout the church's history down to and including the present day In recent years such denial of the significant place of women in Christian history of course has been addressed But nowhere is there available a more comprehensive bibliography than the present one compiled by Carolyn Blevins The reach of Blevins's bibliography is wide from the earliest church to present times across every ethnic and national boundary and throughout virtually every segment of the church Catholic and Protestant and stripes in between or beyond This is in many ways but a beginning place Yet with the help of Blevins's good work students teachers researchers historians and all other seekers after the significant place of women in Christian history have indeed a place to make a good beginning

*From Our Christian Heritage* C. Douglas Weaver, 1997 Weaver has retrieved from obscurity the rich treasures of Christian tradition from the 1st through 20th centuries and made them meaningfully accessible for preachers teachers worship and study leaders students devotional readers and persons interested in the history of the church

**Costly Love** John H. Armstrong, 2018-06-30 John Armstrong knows from personal experience how easy it is to put too much emphasis on correct teaching in our experience of church and how easily we lose sight of the love on which Christ built his church when we do so In *Costly Love* Armstrong acknowledges the importance of doctrine and theological discussion in the church but he urges Christians to focus first on whether we are following Jesus' new commandment to love as he loved Our actions of love will begin to bring us closer to unity with one another and with God

*The Deception of Adam* Kim West PhD MDiv, 2023-09-20 What if from the garden until today deception from the evil one has been the driving force of conflict between men and women His first tactic of deception worked with Eve what if it is working on Adam today The revealing of this deception of Adam and how it is still in play today is our discussion in this book It is that deception that lessens the efficacy of the Great Commission and has caused and continues to cause a huge rift in the church to the benefit only of the evil one The rift is between Adam and Eve but it is fueled by that great deceiver in the garden Even with the restoration our Lord brought the rift is still very deep and very wide today We are going to pull back the curtain and see the puppet master at work We will see how we are his unwitting puppets We must cut the strings Our

common enemy has worked very hard to divide us but we can stop him in his tracks by recognizing his influence and standing together We are to fight the enemy not one another United against the evil one and set free from his schemes we will finally turn and face him down The key to doing this is by knowing and living the truth together He is terrified of our recognizing his hand in the divisions of the church and that we would then unite against him The evil one has kept us focused on opposition with one another in order to divert our attention from his plans and in turn causes us to disempower the church Imagine what we can achieve by working as a team against this adversary **She Has Done a Beautiful Thing for Me**
