Government & Politics in Revolutionary China Harold C. Hinton,1982 Government & Politics in Revolutionary China Harold C. Hinton,1982 *Economic Policy Making In China (1949-2016)* Pieter Bottelier,2018-04-09 This book explores the key ideas and the key people who were responsible for the development of China s economy from 1949 through 2016 It discusses how economic policy evolved how economic policy was formulated and how the role of economists in decision making evolved It considers the interplay between ideological and practical questions provides biographical details of key economists and includes a clear annotated chronology of events The book is especially valuable because the author as a senior World Bank official was a close observer of the situation and to some extent a key participant *China's European Headquarters* Ariane Knüsel,2022-04-28 Ariane Kn sel offers new perspectives on China s presence in Europe through analysis of Switzerland s central role during the Cold War *The Everyday Cold War* Chi-kwan Mark,2017-10-05 In 1950 the British government accorded diplomatic recognition to the newly founded People s Republic of China But it took 22 years for Britain to establish full diplomatic relations with China How far was Britain s China policy a failure until 1972 This book argues that Britain and China were involved in the everyday Cold War or a continuous process of contestation and cooperation that allowed them to normalize their confrontation in the absence of full diplomatic relations From Vietnam and Taiwan to the mainland and Hong Kong China s everyday Cold War against Britain was marked by diplomatic ritual propaganda rhetoric and symbolic gestures Rather than pursuing a failed policy of appeasement British decision makers and diplomats regarded engagement or negotiation with China as the best way of fighting the everyday Cold War Based on extensive British and Chinese archival sources this book examines not only the high politics of Anglo Chinese relations but also how the British diplomats experienced the Cold War at the local level Administrative Reform in Post-Mao China Stephen K. Ma,1996 This book analyzes China s bureaucratic behavior since the inauguration of administrative reform in the late 1970s Although bureaucratic behavior in China in the past decade was increasingly corrupted this aspect of China s post Mao reform has not been subjected to a rigorous scrutiny This book explores the gulf between desired and the actual bureaucratic behavior among China s public administrators The author argues that this behavioral gap in China s modernization stems from several factors including the nation s cultural heritage the ruling party s approach to government and the absence of trusted full fledged academic groups assigned to advise on administrative reform The book then probes one of the gravest consequences of the behavioral gap reform corruption a phenomenon which seems to be a mixed blessing of modernization *Market Liberalism* Gordon Cheung,2019-01-22 This study analyzes the overseas effect of the market force of US foreign policy toward China Gordon Cheung puts forward the idea of augmented market liberalism arguing that the US was instrumental in making China a market economy Re-forming the Chinese National Body Tina Mai Chen,1999 *Party Vs. State in Post-1949 China* Shiping Zheng,1997-07-13 This book provides the most comprehensive analysis of one

of the most important issues in China today the tensions between the Chinese Communist Party and the Chinese state legislative judicial administrative and military institutions Taking the neo institutionalist approach the author suggests that the Communist Party in post 1949 China faces an institutional dilemma the Party cannot live with the state and it cannot live without the state Zheng demonstrates that it is not only conceptually constructive but analytically imperative to distinguish the state from the Communist Party Secondly he integrates detailed study with broader generalizations about Chinese politics thus making efforts to overcome the tendency toward specialized scholarship at the expense of comparative and systemic understanding of China He also opens a new dimension of Chinese politics the uncertain and conflictual relationship between the Communist Party and the Chinese state Narrating Southern Chinese Minority Nationalities Guo

Wu,2019-01-19 Based on fieldwork archival research and interviews this book critically examines the building of modern Chinese discourse on a unified yet diverse Chinese nation on various sites of knowledge production It argues that Chinese ideology on minority nationalities is rooted in modern China s quest for national integration and political authority However it also highlights the fact that the complex process of conceptualizing investigating classifying curating and writing minority history has been fraught with disputes and contradictions As such the book offers a timely contribution to the current debate in the fields of twentieth century Chinese nationalism minority policy and anthropological practice **Asian Law Journal** ,1994 **Representation of the Cultural Revolution in Chinese Films by the Fifth Generation Filmmakers**
