### **A Story of Conflict** Jonathan

Burnham,2007-01-01 This study explores the complex and turbulent relationship between B W Newton and J N Darby the two principal leaders of the early Brethren movement Burnham traces Darby s development of his prophetic system and his biblical literalism which led to his distinctive views on pretribulational premillennial dispensationalism Darby s eschatological views went on to have far reaching effects on evangelicalism While having much in common with Darby Newton departed from him on key points In 1845 the dispute between the two men intensified leading to Darby founding a rival assembly in Plymouth By the end of 1847 following debate over the orthodoxy of his christology Newton seceded from the Brethren and left Plymouth In many ways Newton and Darby were products of their times and this study of their relationship provides insight not only into the dynamics of early Brethrenism but also into the progress of nineteenth century English and Irish evangelicalism

### **Rethinking the Economics of Land and Housing** Josh Ryan-Collins,Toby Lloyd,Laurie

Macfarlane,2017-02-28 Why are house prices in many advanced economies rising faster than incomes Why isn t land and location taught or seen as important in modern economics What is the relationship between the financial system and land In this accessible but provocative guide to the economics of land and housing the authors reveal how many of the key challenges facing modern economies including housing crises financial instability and growing inequalities are intimately tied to the land economy Looking at the ways in which discussions of land have been routinely excluded from both housing policy and economic theory the authors show that in order to tackle these increasingly pressing issues a major rethink by both politicians and economists is required
