Georgia, 1752-1776 Percy Scott Flippin, 1925 **The Three Governors Controversy** Charles S. Bullock, Scott E. Buchanan, Ronald Keith Gaddie, 2015 The death of Georgia governor elect Eugene Talmadge in late 1946 launched a constitutional crisis that ranks as one of the most unusual political events in U S history the state had three active governors at once each claiming that he was the true elected official This is the first full length examination of that episode which wasn t just a crazy quirk of Georgia politics though it was that but the decisive battle in a struggle between the state s progressive and rustic forces that had continued since the onset of the Great Depression In 1946 rural forces aided by the county unit

system Jim Crow intimidation of black voters and the Talmadge machine's loyal 100 000 voters united to claim the governorship In the aftermath progressive political forces in Georgia would shrink into obscurity for the better part of a generation In this volume is the story of how the political governmental and Jim Crow social institutions not only defeated Georgia's progressive forces but forestalled their effectiveness for a decade and a half Fugitive Slaves (1619-1865) Marion Gleason McDougall,1891 **Messages from the Governors: 1823-1842** New York (State). Henderson, 2000 Ernest Vandiver was elected governor of the state of Georgia in 1958 on a platform of fiscal conservatism and steadfast resistance to desegregation Having vowed to defend Georgia's segregated social system at all costs Vandiver nevertheless concluded that the state could not close its schools to avoid desegregation Because of his decision to reject the path taken by George Wallace in Alabama and Orval Faubus in Arkansas and to save public education in the state by complying with federal court mandates Vandiver was denounced by the state's more vocal proponents of segregation Using primary sources and extensive interviews with the governor and his contemporaries Henderson tells the full story of Vandiver's life as a transitional figure in the political history of the state He portrays Vandiver as a man cast by circumstances into presiding over a crisis greater than any Georgia governor had faced since the Civil War Henderson also notes some of Vandiver's less recognized accomplishments including the involvement of state government in furthering tourism foreign investment and industry Ernest Vandiver is here recognized for his significant achievements guiding the state through a period of rapid transformation Passports Issued by Governors of Georgia, 1785 to 1809 Mary Givens Bryan, Georgia.
