## **Gower The Autobiography:**

**Gower** David Gower, Martin Johnson, 1992-01-01      **British Sport: Biographical studies of British sportsmen, sportswomen, and animals** Richard William Cox, 2003 Volume three of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian      **International Sport** Richard William Cox, 2004 There has been an explosion in the quantity of sports history literature published in recent years making it increasingly difficult to keep abreast of developments The annual number of publications has increased from around 250 to 1 000 a year over the last decade This is due in part to the fact that during the late 1980s and 90s many clubs leagues and governing bodies of sport have celebrated their centenaries and produced histories to mark this occasion and commemorate their achievements It is also the result of the growing popularity and realisation of the importance of sport history research within academe This international bibliography of books articles conference proceedings and essays in the English language is a one stop for the sports historian to know what is new      *Affections of the Mind* Emma Lipton, 2011-08-15 *Affections of the Mind* argues that a politicized negotiation of issues of authority in the institution of marriage can be found in late medieval England where an emergent middle class of society used a sacramental model of marriage to exploit contradictions within medieval theology and social hierarchy Emma Lipton traces the unprecedented popularity of marriage as a literary topic and the tensions between different models of marriage in the literature of the later fourteenth and fifteenth centuries by analyzing such texts as Chaucer's Franklin's Tale The Book of Margery Kempe and the N Town plays *Affections of the Mind* focuses on marriage as a fluid and contested category rather than one with a fixed meaning and argues that the late medieval literature of sacramental marriage subverted aristocratic and clerical traditions of love and marriage in order to promote the values of the lay middle strata of society This book will be of value to a broad range of scholars in medieval studies      **Ian Botham** Simon Wilde, 2011-04-14 Ian Botham arrived on the international scene just in time to ride sport's first big financial wave and exploit the Thatcherite mantra of go out and get what you want He certainly needed the cash having been regularly short since leaving state school in Yeovil at 15 In an era short on glamour and personalities Botham brought an irresistible cocktail of talent energy and swagger With the stench of economic failure still in the air he made the country feel good about itself again He showed that Britain could still produce champions and that the working class still deserved to be valued For this he won himself a fund of public goodwill a fund he sometimes threatened to drain but uncannily managed to replenish Before Botham many saw cricket as a very staid very boring game He played it with an irreverent dash that stuck up two fingers at the cricket Establishment He wore striped blazers and strange hats sported long hair and droopy moustaches He got into trouble over punch ups drugs and girls He was even banned from playing at one point But all this would have meant little had he not been able to keep on achieving remarkable things as he did with

impeccable timing and implausible frequency He had an insatiable appetite and an uncanny knack for creating tales of heroism but if he failed on that score there was always the chance of a scandal or two He gave the media everything they needed for front pages and back and some newspapers discovered that it didn't necessarily matter if the story was true or not as long as he was in it Ian Botham tells the story a great piece of British sporting history one of the greatest of a man for whom the glamour and the grit came together And it was the grit of the times in which Botham had grown up and the grit of the where he had come from Brill's Companion to Prequels, Sequels, and Retellings of Classical Epic Robert C Simms, 2018-07-17 The epics of ancient Greece and Rome are unique in that many went unfinished or if they were finished remained open to further narration that was beyond the power interest or sometimes the life span of the poet Such incompleteness inaugurated a tradition of continuance and closure in their reception Brill's Companion to Prequels Sequels and Retellings of Classical Epic explores this long tradition of continuing epics through sequels prequels retellings and spin offs This collection of essays brings together several noted scholars working in a variety of fields to trace the persistence of this literary effort from their earliest instantiations in the Iliad and Odyssey of Homer to the contemporary novels of Ursula K Le Guin and Margaret Atwood **The Romance of the Rose and the Making of Fourteenth-century English Literature** Philip Knox, 2022 This title provides a new account of the literary history of fourteenth century England arguing that many of this period's most distinctive literary experiments emerge through a productive dialogue with the Romance of the Rose a jointly authored medieval French poem **The Cricket War** Gideon Haigh, 2017-11-02 One of The Times 50 Greatest Sports Books In May 1977 the cricket world awoke to discover that a thirty nine year old Sydney Businessman called Kerry Packer had signed thirty five elite international players for his own televised World Series The Cricket War is the definitive account of the split that changed the game on the field and on the screen In helmets under lights with white balls and in coloured clothes the outlaw armies of Ian Chappell Tony Greig and Clive Lloyd fought a daily battle of survival In boardrooms and courtrooms Packer and cricket's rulers fought a bitter war of nerves A compelling account of the top class sporting life The Cricket War also gives a unique insight into the motives and methods of the man who became Australia's richest and remained so until the day he died It was the end of cricket as we knew it and the beginning of cricket as we know it Gideon Haigh has published over thirty books over twenty of them about cricket This edition of The Cricket War Gideon Haigh's first book about cricket originally published in 1993 has been updated with new photographs and a new introduction by the author *Catalogue of the Public Library of the City of Seattle, 1893* Seattle Public Library, 1893 **British Sport - a Bibliography to 2000** Richard Cox, 2013-12-16 Volume three of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian **Catalogue of the Public Library of the City of Detroit** Detroit Public Library, 1877 **The Hollow Crown** Mark Peel, 2020-05-18 Award winning cricket writer

Mark Peel charts the development of the England captaincy from 1945 to the present with portraits of England's 43 captains. Is England's failure to produce sufficient leaders of stature especially in comparison with Australia down to individual deficiencies or the exacting nature of the job? *Jack Mercer: A Bowler of Magical Spells* Andrew Hignell, 2011-05-01

Though he didn't play regular first class cricket until he was 31 Jack Mercer 1893-1987 took nearly 1 500 wickets in the county game mostly bowling fast medium for Glamorgan where he gradually acquired all the variations of that craft As a batsman he had two principal shots which he named Cautious Caroline and Saucy Sally the latter brought him a record setting 31 runs off an eight ball over in 1939 His involvement with county cricket extended from 1913 when his success with his village side Southwick attracted the attention of the Sussex club through to 1983 when he kept the score book for Northamptonshire seconds In between he led an astonishingly diverse life He was in St Petersburg smitten with a Russian ballerina when the First War broke out his aptitude for her language took him to Bletchley Park in the Second He was watching racing at Longchamps when told he was needed on an MCC tour to India his white gloved magician's hands featured in early television advertisements Andrew Hignell here relates the life of the one of the most genial and long serving of county cricket's practitioners from the smithy to a Marylebone mews **John Gower's Poetic** Robert F. Yeager, 1990

John Gower's *Poetic* is a new study of Gower's complete poetry Considered are *Vox Clamantis* *Mirour de l'Omme* *Traiti pour les Amantz* *marietz* *Cinkante Balades* *Confessio Amantis* and *To King Henry IV In Praise of Peace* In five integrative chapters Yeager demonstrates that Gower far from being the lugubrious moralist and journeyman craftsman as which he is often portrayed was in fact a writer of broad learning and ambition whose work was consistently shaped by a poetic theory of profound originality To demonstrate this John Gower's *Poetic* re-examines Gower's work from the basic levels of orthography grammar vocabulary and metrics to his enduring macrocosmic themes in the process Yeager shows that Gower saw himself as an auctor or poete in the manner of Dante Machaut Froissart and Deschamps The book concludes with an extensive fresh reading of Gower's greatest poem the *Confessio Amantis* Professor R F Yeager teaches in the Department of English and Foreign Languages University of West Florida Pensacola **Catalogue of the Newton Free Library of Newton, Massachusetts, 1892** Newton Free Library, 1892 *Vernacular Aesthetics in the Later Middle Ages* Katharine W.
