## **Gowrie Conspiracy:**

*The Gowrie Conspiracy and Its Official Narrative* Samuel Cowan, 1902      *James VI And The Gowrie Mystery* Andrew Lang, 2012 An old Scottish lady many generations ago used to say It is a great comfort to think that at the Day of Judgment we shall know the whole truth about the Gowrie Conspiracy at last Since the author as a child read The Tales of a Grandfather and shared King Jamie s disappointment when there was no pot of gold but an armed man in the turret he had supposed that we do know all about the Gowrie Conspiracy that it was a plot to capture the King carry him to Fastcastle and see how the country would take it as in the case of the Gunpowder Plot But just as Father Gerard has tried to show that the Gunpowder affair may have been Cecil s plot so modern historians doubt whether the Gowrie mystery was not a conspiracy by King James himself This book is annotated with a rare extensive biographical sketch of the author Andrew Lang written by Sir Edmund Gosse CB a contemporary poet and writer Contents Introduction I The Mystery And The Evidence II The Slaughter Of The Ruthvens III The King s Own Narrative IV The King s Narrative II The Man In The Turret V Henderson s Narrative VI The Strange Case Of Mr Robert Oliphant VII The Contemporary Ruthven Vindication VIII The Theory Of An Accidental Brawl IX Contemporary Clerical Criticism X Popular Criticism Of The Day XI The King And The Ruthvens XII Logan Of Restalrig XIII The Secrets Of Sprot XIV The Laird And The Notary XV The Final Confessions Of The Notary XVI What Is Letter Iv XVII Inferences As To The Casket Letters      **The Gowrie Conspiracy and Its Official Narrative**

**(Classic Reprint)** Samuel Cowan, 2016-12-21 Excerpt from The Gowrie Conspiracy and Its Official Narrative Writers as from the special opportunities they had of giving an independent opinion on a subject they had studied with profound interest I am not prepared to question the conclusions at which they have arrived for I think these when the whole case has been put under review and every available document scrutinised are well founded There are some curious things connected with this event For example we are met at the threshold by the absolute want of a Ruthven narrative and the consequent difficulty of estimating the value of that published by the King On this hangs the whole question The execution of the plot showed that it was deliberately planned although all trace of negotiations has been withheld and absolutely nothing disclosed That Gowrie conspired against the King and was the head of the conspiracy the official narrative tries to make clear but it is not well put together It is rather a clumsy piece of composition and its special pleading Condemns it Take for example the scene in About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      Blood of Kings J.
