The sun is low on the horizon, creating a warm, golden glow. The people are silhouetted against the bright light. John F. MacArthur

Grace And Forgiveness In Ministry:

Grace and Forgiveness in Ministry Murray Stewart Thompson, 1981 Grace and Forgiveness John Arnott, Carol Arnott, 2022-11-15 John and Carol Arnott leaders of the Toronto Blessing and pioneers of Catch the Fire Ministries present their bestselling classic to a new generation In a culture of bitterness and offense forgiveness is the key to unleash a flood of revival healing supernatural encounters and deliverance **The Grace of Forgiveness** Rick Bailey, 2022-11-03 Both grace and forgiveness have been extensively written about in the Christian community yet too often both have been misunderstood and misapplied Much confusion fear and spiritual bondage has resulted from believing mistruths that have been taught on these subjects In this book the author has drawn on his many years of teaching study and personal experience to address some of those misconceptions and to share many of the biblical truths of grace that set multitudes free In his succinct and forthright manner he opens up the Scriptures to bring clarity and understanding about what grace is and about what the forgiveness of God actually encompasses He shows that grace is a hundred percent the work of God on our behalf and has nothing to do with our response or our behavior Everything we have because of our identification with Christ is a gift we cannot earn We can only accept Forgiveness is one of those gifts we cannot earn and cannot lose because it does not depend on us It is a gift eternally applied to our lives based upon the finished work of Christ not in any way based upon what we do or what we don't do The author shows us that by renewing our minds to the truths of grace and New Covenant theology we can learn to reject the law based teachings of many of our modern churches and learn to walk in the freedom of what it means to be in Christ This book reveals the gospel of amazing grace the good news of love and acceptance where you will never be condemned where the fragrance of the Father's love keeps drawing you into deeper intimacy with Himself and where the freedom of grace based living is discovered and struggling to keep the law is abandoned The Church's Healing Ministry David Atkinson, 2013-01-07 This new exploration from a leading Christian ethicist considers healing's many different dimensions from the biblical notion of health and wholeness to physical healing emotional health and counselling social justice and environmental health **The Living Church**, 1943 Ethics in Ministry Walter E. Wiest, 1989 An ethical guide for clergy and laypersons who deal with the vexing questions that arise in the daily life of a minister at work The authors discuss salaries truth telling surviving church politics confidentiality the unmarried pastor the two clergy family accepting gifts working with other church staff and more **The Truth About Forgiveness** John F. MacArthur, 2012-04-30 The greatest measuring rod of love in the life of a Christian may be forgiveness because God showed His love to us in terms of forgiveness John MacArthur Does anyone really want to forgive Or admit that we need forgiveness Whether we're giving or receiving forgiveness is hard It seems unfair It feels unnatural And as best selling author and pastor John MacArthur demonstrates forgiveness apart from Christ is unnatural It is only as we understand our need Christ's power and example and what it really means to love that we can embrace two of the most liberating acts of love forgiving and being forgiven In

Adventurers in Faith Mike Smathers,2014-08-29 At the beginning of his working life a man is told that he is wasting his life by following the path he has chosen Moreover it is 1932 the midst of the Depression and he cannot find a position in his chosen field Finally one solitary position in the whole United States opens up and he is able to snag it The corporation he works for is national in scope but the division in which he has chosen to work is one of the corporations smallest At the same time he is desperately trying to get the woman he has been courting by mail for two years to marry him She is resisting He is broke and in debt but he somehow gets money to travel the five hundred miles to see her It is only the third time they have been together in the two years they have been writing love letters to each other He convinces her to marry him the best decision he ever made and they head out on a journey to a place they have never seen and know little about It is in the remote hills of Tennessee Two years later the family moves to an even more remote outpost He has a vision of creating something that neither anyone in his corporation nor any similar corporation has ever achieved before For thirty five years the couple labors in relative obscurity working on their vision He refuses promotion to a more prestigious and lucrative position in his corporation Near the end of his life he is suddenly and surprisingly elected to the highest office in his corporation This is their story

Tithes and Offerings G. Davis Dean, Jr.,2014-10-15 Tithes and Offerings Perspectives on Christian Giving is the result of a suggestion made to the author by a close Christian friend and consultant His reasoning was that although there are many books on the Christian tithes and offerings they are overwhelmingly legalistic or moralistic Such appeals have often been based upon the popular though false health and wealth gospel This suggestion led the author to consider and examine not only points of conservative church doctrine as they may be applied to the subject but to incidents in Scripture that involved the act of giving This in turn led the author into a research and analysis of the historical and cultural context of the exchange and the profile and life situation of the personages involved in it The final matter to come out of all this reconstruction was to put a flesh and bone humanity upon personages most people only know from Scripture by their names and the deeds associated with them But more in regard to the act of giving there is the considering of what the act meant to them personally and to translate this very human meaning to Christian giving among believers even today
