A Commentary
on Paul's Letter to
the Galatians

BEN WITHERINGTON III

Grace In Galatia

Paul S. Jeon

Grace In Galatia:

Grace in Galatia Ben Witherington, 1998-06-29 Grace in Galatia is an innovative socio rhetorical study of Paul's most polemical letter Ben Witherington breaks new ground by analyzing the whole of Galatians as a deliberative discourse meant to forestall the Galatians from submitting to circumcision and the Jewish law The commentary features the latest discussion of major problems in Pauline studies including Paul's view of the law and the relationship between the historical data in Galatians and in Acts Yet the narrative character of Witherington's work allows it to remain exceedingly accessible The volume also includes sections following the major divisions of the commentary that point to the relevance of the text for believers today making Grace in Galatia of special value to pastors and general readers as well as students and scholars

Grace in Galatia Ben Witherington, 1998 Recent biblical studies have shed considerable new light on the *Unlocking Galatians Again* , **Fire in My Soul** Soon Bong Choi, Jin Ki Hwang, Max J. Lee, 2014-06-26 Fire in My Soul pays tribute to the life and legacy of Dr Seyoon Kim who has taught as Professor of New Testament at Fuller Theological Seminary for almost two decades and is known internationally for his work on the origin of Paul's gospel This collection of essays in his honor revisits classic issues in Pauline studies and offers fresh insights on Paul's use of righteousness language in his letters the occasion and purpose of Romans the problem of universal sinfulness and justification by faith It also presents several exegetical studies on the use of the Old Testament in the gospels Scholars students and pastors interested in Pauline soteriology and gospel hermeneutics will find this volume helpful in their own research teaching and ministry Galatians Phillip J. Long, 2019-05-29 Galatians is one of the earliest of the Pauline letters and is therefore among the first documents written by Christians in the first century Paul's letter to the Galatians deals with the first real controversy in the early church the status of Jews and gentiles in this present age and the application of the Law of Moses to gentiles Paul argues passionately that gentiles are not converting to Judaism and therefore should not be expected to keep the Law Gentiles who accept Jesus as Savior are free in Christ not under the bondage of the Law Galatians also deals with an important pastoral issue in the early church as well If gentiles are not under the Law are they free to behave any way they like Does Paul's gospel mean that gentiles can continue to live like pagans and still be right with God For Paul the believer's status as an adopted child of God enables them to serve God freely as dearly loved children Galatians Freedom through God's Grace is commentary for laypeople Bible teachers and pastors who want to grasp how the original readers of Galatians would have understood Paul's letter and how this important ancient letter speaks to Christians living in similar situations in the twenty first century Paul Cries Freedom in Galatia! Gysbert M. H. Loubser, 2017 This study emphasizes Paul's urgency in conveying the radical newness of life since the advent of Christ and his Spirit Just as the Spirit introduces believers to the life in Christ he equally leads them to live life in the faithfulness of Christ producing the fruit of the Spirit Paul describes this as a life of freedom from flesh and its law as well as the elements of the world Guiding believers ethically from inside and

empowering them to do God's will the Spirit has no need of law making the christological pneumatological ethic of the new creation wholly anomistic Series Theology in Africa Vol 6 Subject Religious Studies Christian Studies **Signs of the Times, and Doctrinal Advocate and Monitor**, 1900 **Return to Grace: a Commentary on Galatians** Brad Robertson, 2020-09-12 The Galatian believers learned about and were enjoying the life changing truths of grace from Paul Yet when the law based teachers came into Galatia they quickly deserted grace and returned to the law Paul writes his letter to the Galatians to exhort them to return to grace In this easy to read commentary on Galatians you will learn how modern day church leaders like the law based leaders in Galatia have deserted grace and have led millions of believers into a law based approach to God But you will also learn how to return to grace If you have been led away from grace by your church leaders then this commentary is for you Or if you would like to grow in your understanding of the Book of Galatians then through this commentary your grasp of the truths of grace Paul taught the Galatians will increase Brad's passion is to reach people with grace and teach people about grace so they can experience the life changing truths of grace **The First Urban Churches 8** James R. Harrison, L. L. Welborn Welborn, 2025-08-22 This eighth volume of First Urban Churches explores the literary archaeological documentary numismatic and iconographic evidence from ancient Galatia and Lycaonia Essays focus on the northern cities of Ancyra and Pessinous and the southern cities of Pisidian Antioch and Iconium An introduction to the province of Galatia and contributions focused on various aspects of ancient benefaction locals mistaking Paul and Barnabas for Zeus and Hermes Paul's maternal metaphor for his ministry and more shed light on the rise of early Christianity in this region D Clint Burnett Alan H Cadwallader Susan M Elli Elliott James R Harrison Peter Oakes Wesley Redgen Michael P Theophilos David Wyman and Arjan Zuiderhoek present cutting edge research that opens new interpretive possibilities for the Letter to the Galatians **The Letters of Paul as Rituals of Worship** John Paul Heil, 2012-06-28 In this interpretation of the corpus of the thirteen New Testament letters attributed to Paul Heil establishes a connection between communal worship and the New Testament The author focuses on the key theme of worship understanding it in its most comprehensive sense in the biblical tradition with the liturgical and the ethical facets of worship held in dynamic interrelationship The reader is offered a fresh way of reading and listening to the letters of Paul for a deeper understanding of their original purpose and message **Unpacking John 1** Julie Guggino, 2015-01-07 Unpacking John 1 was conceived at my kitchen table I had just finished an intense study the previous morning Feeling somewhat aimless that morning I said to myself It's been a while since I studied one of the gospels Guess I'll read John Two and a half years later I finished John 1 The first chapter of John's gospel starts in the beginning and concludes with a picture of heaven opening That struck me as significant As I explored what was contained between the beginning and the end I was stunned to count seventeen themes in just that one chapter Unpacking John 1 is a topical study of the seventeen themes I discovered that morning while eating breakfast As I wrote I envisioned three primary audiences people who were curious about the Bible and wanted an overview of some of its

important themes people who were interested in studying John 1 and pastors and teachers preparing to teach about John's gospel or any of the themes found in John 1 What sets this book apart from other studies of John 1 is that the scriptures themselves become the commentary for the topics Each theme is a chapter Creation and the Word Life Light and Darkness John the Baptist and His Message Children of God Glory The One and Only Grace Truth Lamb of God Baptism The Holy Spirit Following the Rabbi The Messiah The Law and the Prophets The Son of God The King of Israel and Open Heaven

Abraham in the New Testament John Eifion Morgan-Wynne, 2020-05-22 In this book John Morgan Wynne examines the very different ways in which Paul's epistles Hebrews James Luke Acts John's Gospel and Matthew's Gospel utilize the critical figure of Abraham the father of the people of Israel He explores the question of the extent to which various New Testament authors developed something already present in the tradition and the extent to which they molded their depiction of Abraham to suit their own purposes in novel and creative ways The book also considers how the diverse New Testament depictions and interpretations of the patriarch affect the preaching of the Abrahamic tradition today

Galatians John Paul Heil, 2021-01-01 In his commentary John Paul Heil presents two new proposals regarding Paul's letter to the Galatians First he demonstrates an entirely new chiasmic structure embracing the entire letter based on strict linguistic and textual criteria rather than on conceptual or theological themes This chiasmic structure accords with the view that Galatians was originally performed orally in a setting of communal worship Second Heil offers a new proposal for a key theme that runs throughout Galatians as expressed by the subtitle of this book Worship for Life by Faith in the Crucified and Risen Lord Here worship is considered to be a comprehensive concept that includes liturgical cultic or ritual worship as well as the moral behaviour that is to complement it as ethical worship in accord with the biblical tradition Life refers both to the present way of living as well as to future eternal life Faith refers to the acceptance of divine grace available to the believer because of the death and resurrection of the Lord Jesus Christ
