*The Pharisees* Kent L. Yinger, 2022-05-19 A struggle is currently underway to figure out one of the central groups in the gospel story the Pharisees Were they hypocrites or heroes Or as one recent writer put it maybe they were just good guys with bad press Scholars of Judaism and of the NT have been painstakingly correcting even rehabilitating the image of the first century Pharisees but this seems not yet to have affected most readers of Scripture Here at last is a book that lays out for the non specialist the evidence for the origin and true nature of the Pharisees and challenges them to re read the gospel stories with real Pharisees in mind rather than caricatures

**Unveiling the Mystery of the Bride of Christ** Duke Levy Jr., 2018-02-27 Unveiling the Mystery of the Bride of Christ clears up the mystery of the bride by leading you on a journey through the scriptures showing without a shadow of a doubt who the bride is and what her preparation is all about The early church knew and understood that God through his Holy Spirit was preparing a people a special group who would embrace a coming revealed truth and be qualified to reign with Christ at his return when the kingdom of God would be set up on the earth This special group is the bride of Christ and understanding the mystery of the bride will captivate and motivate believers into achieving their destinies as ordained by Creator God In this book you will discover The plan of God for mankind Why you were born for such a time as this What role the Bride will play What makes the Bride special What is covenant relationship Who are the jewels of God Why God must send Elijah in these last days What Torah is all about Why obedience is so important How the love of God is perfected in the believer The meaning of firstfruits What the key of David is all about The true meaning of the parable of the 10 virgins

**The Plot of Salvation** Bernardo Cho, 2022-07-13 When we fail to grasp the overarching plot of the Bible we inevitably reduce the gospel to something smaller than it is and simultaneously compromise the scope of our own lives and callings In this collection of twenty interrelated sermons Dr Bernardo Cho lays out the history of salvation as communicated through the entirety of Scripture from creation to new creation He demonstrates the cohesive nature of the biblical narrative while expanding our awareness of Christ s redemption our identities as people of God and our role in the world and in God s story of reconciliation Written in accessible language this book provides readers with a framework for interpreting biblical passages in light of the overarching narrative of Scripture and serves as an excellent model for teaching the Bible as a unified whole

**Ex Auditu - Volume 01** Thomas W Gillespie, 2004-06-23 Ex Auditu began as the journal incorporating the papers of the Fredrick Neumann Symposium of Princeton Theological Seminary After the first four volumes the journal began publishing the papers from the North Park Symposium on the Theological Interpretation of Scripture The intent from the first has been to provide a forum for doing interdisciplinary theology from a biblical perspective for the benefit of the Church Each annual publication focuses on a topic crucial to the life of today s Church Additionally each issue contains an annotated bibliography and a sermon which makes it a practical guide for pastors

Caspary,2023-11-15 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1979 *Breaking the Mormon Code* Matthew A. Paulson,2000-09 In Provo Utah there exists the Foundation for Ancient Research and Mormon Studies FARMS renowned as a Mormon think tank FARMS is owned and operated by Brigham Young University BYU and the Mormon Church Their mission seeks to repudiate the opposition applaud its supporters and justify many peculiar Mormon doctrines This book demonstrates that FARMS often twists the truths to justify Mormon doctrines To justify their position they often will utilize inane accusations misquotes and equivocation This collection of deceit from Mormon scholarship is what Matt Paulson has identified as the breaking of the Mormon Code **Guess What I Discovered on the Way to Church?** Diane Otto,2007-06 For Christians who have wondered why the Church is so different from the Congregation in the Brit Chadasha New Testament Otto takes a look at whats missing when those things were changed or replaced and by whom Christian **Living Law** Miguel E. Vatter,2021 In his 1935 treatise on divine sovereignty the Jewish philosopher Martin Buber introduced the idea of an anarchic soul of

theocracy A decade before the German jurist Carl Schmitt had coined the term political theology in order to designate the Christian theological foundations of modern sovereignty and legal order In a specular and opposite gesture Buber argued that the covenant at Sinai established YHWH as the King of the Israelites and simultaneously promulgated the principle that no human being could become sovereign over this people In so doing Buber offered an interpretation of Jewish theocracy that is both republican and anarchic Republican because by pivoting on the idea that democracy is a function of a people's fidelity to a prophetic higher law theocracy displaces the central role of the human sovereign Anarchic because this divine law is saturated with the messianic aim to put an end to relations of domination between peoples In this book I show that this republican and anarchic articulation of the discourse of political theology characterises the development of Jewish political theology in the 20th century from Hermann Cohen to Hannah Arendt

**The Midrash** Jacob Neusner, 1994-10-01 The Midrash An Introduction sets forth the way in which Judaism reads the Hebrew Bible In this masterful presentation the reader is introduced to the classics of Jewish Bible interpretation with special attention to the way in which the rabbis of Talmudic times read the Pentateuch the Book of Ruth and Song of Songs The seven Midrash compilations are introduced with a lucid account of their main points accompanied by selections that give the reader a direct encounter in English with the Bible as Judaism understands it The word midrash based on the Hebrew root DaRaSH search means interpretation or exegesis Midrash also more formally refers to the compilations of such interpretations of Scripture As Dr Jacob Neusner explains these compilations reached closure and conclusion in the formative stage of Judaism that is the first seven centuries of the Common Era the time in which the Mishnah ca 200 Talmud of the Land of Israel ca 400 and Talmud of Babylonia ca 600 were written Midrash is not so much about Scripture as it is a subordinate part of Scripture They did not write about Scripture Dr Neusner says They wrote with Scripture much as painters paint with a palette of colors The Midrash An Introduction is the second volume in Dr Jacob Neusner's series of introductory volumes on classical rabbinic literature As with the first volume The Mishnah An Introduction this book offers the layperson a concise description of the religious literature and drawing on Dr Neusner's own translations of the texts walks readers through the selections providing them with firsthand experience with the document itself As Dr Neusner says in his preface to The Midrash An Introduction In these pages I mean to make it possible for readers to know one such compilation from the other and so to begin studying their own

**His Name Is Yeshua** Leo Vanderploeg, 2025-03-31 In the West most of us Christians have grown up using names like Jesus Old Testament New Testament and the Law without realizing the real history behind these titles Did you know that the name Jesus is less than four hundred years old and has no meaning In what climate did this non Jewish name appear in church history Did you know that the Old New Testament division was created by a church heretic who hated the Old Testament We have also likely been raised with a subtle antisemitism beginning with Bible schools and seminaries that brush off the importance of the Hebrew language of studying the language for the layperson and the importance of names in the

Bible Often there is a prejudice against rabbinic thinking and commentary of God's Word So if we have a library of books about the Scriptures we may have a disproportionate number of commentaries written by non Jews I've met enough pastors who only had one Jewish commentary if any As we are fed by very what I call Greekish thinking I've even met people who were upset to find out Jesus was a Jew and his real name was Yeshua Have you discovered that the New Testament though written in Greek is grounded in Hebrew thought Did we forget which people group gave us the Scriptures Many leaders of the church do not even know the place or role of the Jews in the end times as they believe they have no importance at all anymore Did this lack of knowledge have anything to do with the holocaust This book may be instrumental for today's church that it wakes up to some fundamental truths that we never knew or forgot May this book be a blessing to you Shalom Leo

*Romans* Aaron Sherwood, 2020-12-02 Paul's majestic letter to the Romans has impacted generations of readers Christians regularly turn to it as a foundation for doctrine evangelism and Christian living However individual verses are often pulled from their context or later doctrinal formulations are imported into the text Are we truly following Paul's meaning What if we reread Romans on its own terms with sensitivity to its flow and structure Aaron Sherwood's Romans commentary keeps Paul's argument central As we encounter the letter's message and theology the forest is never lost for the trees Reading Romans with rhetorical perception results in illuminating and sometimes surprising conclusions Encounter afresh this majestic letter with Sherwood's insightful commentary *John Among the Apocalypses* Benjamin E. Reynolds, 2020 John among the Apocalypses explains John's distinctive narrative of Jesus's life by comparing it to Jewish apocalypses and highlighting the central place of revelation in the Gospel By engaging with modern genre theory Reynolds reveals surprising similarities of form content and function between John's Gospel and Jewish apocalypses *Five Pillars of the Gladiator Gospel, Form #17.004* Brooky R. Turner, 2024-09-12 With a title adapted from Deuteronomy 6:24 *For Our Good Always* is a collection of 25 essays from evangelical scholars on the message of Deuteronomy and its influence on Christian Scripture No other book colors the tapestry of biblical thought quite like Deuteronomy It synthesized the theology of the Pentateuch provided Israel with a constitution for guiding their covenant relationship with Yahweh in the promised land and served as a primary lens through which later biblical authors interpreted Israel's covenant history Recent advances in scholarship on Deuteronomy and developments in biblical interpretation are raising fresh questions and opening new paths for exploration This collection of studies wrestles with Deuteronomy from historical literary theological and canonical perspectives and offers new questions presents original discoveries and makes innovative proposals The volume is offered in honor of Daniel I Block on the occasion of his 70th birthday Few Old Testament scholars have worked so ably carefully and intentionally to help the church and the academy grasp the message of Deuteronomy Block's own studies always exhibit an admirable balance of exegetical rigor literary and theological awareness and pastoral care and for well over a decade he has like the priest scribe Ezra devoted himself to the study practice and teaching of the deuteronomic torah Ezra 7:10 helping and urging others to hear the life giving gospel of Moses in Deuteronomy The international group of specialists that contributed to this volume consists of Daniel Block's colleagues

friends and former students It is their hope that these studies will in various ways supplement Daniel Block's work serving the church and the academy and honoring the God of Israel
