**The Comprehensive Unabridged Henry's Commentary on the New Testament ...** Matthew Henry, 1870     **THE BEST OF THE KAMBULOW** walter kambulow, 2003-06-01 As for God His way is perfect The word of the LORD is proven He is a shield to all who trust in Him For who is God except the LORD And who is a rock except our God It is God who arms me with strength And makes my way perfect He makes my feet like the feet of deer And sets me on my high places He teaches my hands to make war So that my arms can bend a bow of bronze You have also given me the shield of Your salvation Your right hand has held me up Your gentleness has made me great Psalm 18 30 35 The book is the compilation of what we consider to be some of the best chapters in the many different books that we wrote     **Daniel Defoe's A Journal of the Plague Year and Covid-19** Stuart Sim, 2023-05-12 Daniel Defoe's A Journal of the Plague Year has taken on a new relevance with the advent of the Covid 19 pandemic Through an exploration of two chronologically distant societies in crisis this study

compares the attitudes beliefs and conduct of the public portrayed in the book and those in our own embattled Covid era There are interesting similarities to note with equivalents to the Covid deniers and the anti vaxxers to be found in Defoe s bleak vision of London in the 1660s as it descends into a state of chaos JPY offers us some uncomfortable truths about human nature that resonate strongly in our own times revealing how responding to a pandemic can bring out both the best and the worst in our character as we face up to a world where the old certainties no longer seem to apply Pandemics expose the fault lines in ideology putting the social contract at risk the question they pose is whether we can continue to rely on our current socio political set up or whether it requires a radical rethink There is a pressing need for more debate on this issue and this project is designed to make a case for that

[The Human Satan in Seventeenth-Century English Literature](#) Nancy Rosenfeld,2016-02-24 Framed by an understanding that the very concept of what defines the human is often influenced by Renaissance and early modern texts this book establishes the beginning of the literary development of the satanic form into a humanized form in the seventeenth century This development is centered on characters and poetry of four seventeenth century writers the Satan character in John Milton s Paradise Lost and Paradise Regained the Tempter in John Bunyan s Grace Abounding to the Chief of Sinners and Diabolus in Bunyan s The Holy War the poetry of John Wilmot earl of Rochester and Dorimant in George Etherege s Man of Mode The initial understanding of this development is through a sequential reading of Milton and Bunyan which examines the Satan character as an archetype in the making building upon each to work so that the character metamorphoses from a groveling serpent and fallen archangel to a humanized form embodying the human impulses necessary to commit evil Rosenfeld then argues that this development continues in Restoration literature showing that both Rochester and Etherege build upon their literary predecessors to develop the satanic figure towards greater humanity Ultimately she demonstrates that these writers taken collectively have imbued Satan with the characteristics that define the human This book includes as an epilogue a discussion of Samson in Milton s Samson Agonistes as a later seventeenth century avatar of the humanized satanic form providing an example for understanding a stock literary character in the light of early modern texts
