Grail Prince:

Prince Matt Thorne, 2016-02-09 The newest most updated book on Prince available today Famously reticent and perennially controversial Prince was one of the few music superstars who remained largely an enigma even up to his premature death on April 21 2016 A fixture of the pop canon Prince is widely held to be the greatest musician of his generation and will undoubtedly remain an inspiring and singular talent This meticulously researched biography is the most comprehensive work on Prince yet published Unlike other Prince books this one eschews speculation into the artist s highly guarded private life and instead focuses deep and sustained attention exactly where it should be on his work Acclaimed British novelist and critic Matt Thorne draws on years of research and dozens of interviews with Prince's intimate associates many of whom have never spoken on record before to examine every phase of the musician s 35 year career including nearly every song released and unreleased that Prince has recorded Originally released in the UK in 2012 this first US publication of Prince includes updated content detailing the artist s two 2014 albums tour 2015 Tidal release and other career events This astonishingly rich almost encyclopedic biography is a must have for any serious fan of Prince The Black Unicorn George the Good, 2012-10-12 Despite the warnings of his father the great white Unicorn Blackie ventures from his secure refuge in the heart of the forest into the restless striving world of humans His travels take him from the peaceful Shrine at the top of the world to the burning dragon pit at its bottom Blackie meets monsters and beasts and humans of every rank from beggars gypsies peasants and priests to knights nobles and his irrepressible irresistible Princess He learns the joys of love friendship and a well baked bowl of cookies as well as the miseries of sickness treachery and death Ultimately he learns what it means to be unicorn a holy beast to the humans with his celebrated horn of violence in battle and healing in sickness

Grail Prince Nancy McKenzie, 2019-11-28 A gripping Arthurian adventure of clashing swords and hearts perfect for fans of Bernard Cornwell and Judith Tarr King Arthur lies dead struck down along with Mordred his son and heir and the greatest knights of Camelot Of that peerless company only Lancelot survives a broken man who has turned his back on Britain and his forbidden love of Guinevere Yet one knight scarcely more than a boy fights amid the ruins to keep Arthur s dream alive Galahad the son of Lancelot Before his death Arthur swore the young knight to undertake a quest a search for the scattered treasures of an ancient king On the recovery of these powerful relics a grail a spear and a sword hinges the future of Britain But it is the past that torments Galahad He cannot forget or forgive his father s betrayal of his king Nor can he banish thoughts of the intoxicating Dandrane sister of his friend Percival from his mind But can he set all this aside in order to complete his sacred task Weaving back and forth through time from Arthur s mighty reign to Galahad s ultimate quest to preserve the destiny of a nation The Grail Prince is an unforgettable epic of adventure and romance Mary Magdalene's Dreaming Steven Strong, Evan Strong, 2008 In Mary Magdalene s Dreaming Steven Strong and Evan Strong continue their esoteric journey tracing the origins of religion that they began their first book Constructing A New World Map Strong and

From Camelot to Spamalot Megan Woller,2021-03-22 For centuries Arthurian legend has captured imaginations throughout Europe and the Americas with its tales of Camelot romance and chivalry The ever shifting age old tale of King Arthur and his world is one which depends on retellings for its endurance in the cultural imagination Using adaptation theory as a framework From Camelot to Spamalot foregrounds the role of music in selected Arthurian adaptations examining six stage and film musicals The book considers how musical versions in twentieth and twenty first century popular culture interpret the legend of King Arthur contending that music guides the audience to understand this well known tale and its characters in new and unexpected ways All of the productions considered include an overtly modern perspective on the legend intruding and even commenting on the tale of King Arthur Shifting from an idealistic utopia to a silly place the myriad notions of Camelot offer a look at the importance of myth in American popular culture Author Megan Woller's approach rooted in the literary theory of scholars like Linda Hutcheon highlights the intertextual connections between chosen works and Arthurian legend In so doing From Camelot to Spamalot intersects with and provides a timely contribution to several different fields of study from adaptation studies and musical theater studies to film studies and Arthurian studies
