Grammaticalization A Conceptual Framework

Heiko Narrog, Bernd Heine

Grammaticalization A Conceptual Framework:

Grammaticalization Heiko Narrog, Bernd Heine, 2021 This textbook introduces and explains the fundamental issues major research questions and current approaches in the study of grammaticalization Each chapter offers guidance on further reading and concludes with study questions to encourage further discussion there is also a glossary of key terminology in the field

Grammaticalization Bernd Heine, Ulrike Claudi, Friederike Hünemeyer, 1991 Grammaticalization the process of converting regular lexical items and structures into conventionally interpreted grammatical morphemes has traditionally been perceived as a syntactic or morphological process Presenting a wealth of evidence from African languages the authors argue that the development of grammatical categories is in fact strongly influenced by pragmatic and cognitive forces factors that are located outside the confines of language structure They discuss previous models and relate grammaticalization studies to alternative approaches such as localism and natural grammar theory This volume challenges theories which describe language as a static system as well as those which assume that linguistic categorization is based on discrete morpheme types word classes or sentence constituents In contrast the book's central argument is that both language structure and language use are dynamic phenomena and that linguistic behavior is essentially a creative activity That creativity manifests itself for example in conceptual transfer leading to the encoding of more abstract concepts and of grammatical categories Another key element of this theory is captured in the term grammaticalization chain which refers to a specific kind of linguistic category which cuts across morpheme types and word classes and has both a synchronic and diachronic dimension

Grammaticalization Paul J. Hopper, Elizabeth Closs Traugott, 2003-07-31 This is a general introduction to grammaticalization the change whereby lexical terms and constructions come in certain linguistic contexts to serve grammatical functions and once grammaticalized continue to develop new grammatical functions The authors synthesize work from several areas of linguistics The second edition has been thoroughly revised with substantial updates on theoretical and methodological issues that have arisen in the decade since the first edition and includes a significantly expanded bibliography Particular attention is paid to recent debates over directionality in change and the role of grammaticalization in creolization

Aspects of Grammaticalization Daniel Olmen, Hubert Cuyckens, Lobke Ghesquière, 2016-12-19 This volume advances our understanding of two highly debated aspects of grammaticalization its relation to inter subjectification and its directionality These aspects are studied with respect to such phenomena as auxiliaries discourse markers conjunctions prepositions and pronouns Bringing together a wide range of languages the collection provides insight into the crucial dimensions of grammaticalization research

The Limits of Grammaticalization Anna Giacalone Ramat, Paul J. Hopper, 1998-01-01 The earliest use of the term grammaticalization was to refer to the process whereby lexical words of a language such as English keep in he keeps bees become grammatical forms such as the auxiliary in he keeps looking at me Changes of this kind which involve semantic fading and a downshift from a major to a minor

category have generally been agreed to come under the heading of grammaticalization. But other changes that equally contribute to new grammatical forms do not involve this kind of fading. In recent years a debate has arisen over how to constrain the term theoretically. Is grammaticalization to be distinguished from lexicalization, the creation and fixing of new words out of older patterns of compounding? If so, how is the line to be drawn between a form that is grammatical and one that is lexical? Should the term grammaticalization be extended to the study of the origins of grammatical constructions in general? If so, it will have to include broader issues such as word order change and the reanalysis of phrases. What principles govern these processes? Is grammaticalization a unidirectional event or can change occur in the reverse direction? The authors of the papers in this volume approach these important questions from a variety of data types including historical texts, creoles and a typologically broad sample of modern and ancient languages.

The Routledge Handbook of Cognitive Linguistics Wen Xu, John R. Taylor, 2021-06-03. The Routledge Handbook of Cognitive Linguistics provides a comprehensive introduction and essential reference work to cognitive linguistics. It encompasses a wide range of perspectives and approaches covering all the key areas of cognitive linguistics and drawing on interdisciplinary and multidisciplinary research in pragmatics, discourse analysis, biolinguistics, ecolinguistics, evolutionary linguistics, neuroscience, language pedagogy and translation studies. The forty-three chapters written by international specialists in the field cover four major areas: Basic theories and hypotheses including cognitive semantics, cognitive grammar, construction grammar, frame semantics, natural semantic metalanguage and word grammar; Central topics including embodiment, image schemas, categorization, metaphor and metonymy, construal, iconicity, motivation, constructionalization, intersubjectivity, grounding, multimodality, cognitive pragmatics, cognitive poetics, humor and linguistic synaesthesia among others; Interfaces between cognitive linguistics and other areas of linguistic study including cultural linguistics, linguistic typology, figurative language, signed languages, gesture, language acquisition and pedagogy, translation studies and digital lexicography; New directions in cognitive linguistics demonstrating the relevance of the approach to social, diachronic, neuroscientific, biological, ecological, multimodal and quantitative studies. The Routledge Handbook of Cognitive Linguistics is an indispensable resource for undergraduate and postgraduate students and for all researchers working in this area.

The Handbook of Historical Linguistics Brian Joseph, Richard Janda, 2008-04-15. The Handbook of Historical Linguistics provides a detailed account of the numerous issues, methods and results that characterize current work in historical linguistics, the area of linguistics most directly concerned with language change as well as past language states. Contains an extensive introduction that places the study of historical linguistics in its proper context within linguistics and the historical sciences in general. Covers the methodology of historical linguistics and presents sophisticated overviews of the principles governing phonological, morphological, syntactic and semantic change. Includes contributions from the leading specialists in the field.

Modality, Subjectivity, and Semantic Change Heiko Narrog, 2012-07-19. This book is a cross-linguistic exploration of semantic and functional change in modal

markers With a focus on Japanese and to a lesser extent Chinese the book is a countercheck to hypotheses built on the Indo European languages It also contains numerous illustrations from other languages

New Directions for Historical Linguistics ,2020-01-29 This volume consists of revised versions of presentations given at a roundtable on New Directions for Historical Linguistics Impact and Synthesis 50 Years Later held at the 23rd International Conference on Historical Linguistics in San Antonio Texas in 2017 as well as an introduction by the editors The roundtable discussed the evolution of historical linguistics since the 1966 symposium on Directions for Historical Linguistics held in Austin Texas Six prominent scholars of historical linguistics and sociolinguistics contributed William Labov the only surviving author from the 1968 volume Gillian Sankoff Elizabeth Traugott Brian Joseph Sarah Thomason and Paul Hopper a graduate student assistant at the original symposium

Up and down the Cline □ *The Nature of Grammaticalization* Olga Fischer, Muriel Norde, Harry Perridon, 2004-05-28 The basic idea behind this volume is to probe the nature of grammaticalization Its contributions focus on the following questions i In how far can grammaticalization be considered a universal diachronic process or mechanism of change and in how far is it conditioned by synchronic factors ii What is the role of the speaker in grammaticalization iii Does grammaticalization itself provide a cause for change or is it an epiphenomenon i e a conglomeration of causal factors mechanisms which elsewhere occur independently iv If it is epiphenomenal how do we explain that similar pathways so often occur in known cases of grammaticalization v Is grammaticalization unidirectional vi What is the nature of the parameters guiding grammaticalization The overall aim of the book is to enrich our understanding of what grammaticalization does or does not entail via detailed case studies in combination with theoretical and methodological discussions

Converging Grammars Debra Ziegeler, 2015-07-01 This volume provides a much needed critical overview of the field of constructions and construction grammar in the context of Singapore English and poses the question of identifying a construction in contact when the lexicon is derived from one language and the syntax from another Case studies are illustrated in which the possibility of a merger construction is offered to resolve such problems The book is intended for students of construction theories variation studies or any researcher of contact grammars

Variation and Change Mirjam Fried, Jan-Ola Östman, Jef Verschueren, 2010-11-11 The ten volumes of the Handbook of Pragmatics Highlights focus on the most salient topics in the field of pragmatics thus dividing its wide interdisciplinary spectrum in a transparent and manageable way While the other volumes select specific philosophical cognitive grammatical cultural interactional or discursive angles this sixth volume focuses on the dynamic aspects of language and reviews the relevant developments in variationist and diachronic scholarship The areas explored in the volume concern several general themes specific methodological approaches from comparative reconstruction to evolutionary pragmatics issues in intra lingual variation in terms of standard and non standard varieties cross linguistic variation including its cross cultural dimension and the study of diachronic relations across linguistic patterns including changes in all areas of pragmatic patterns and categories The contributions document two

prominent and interrelated trends that shape contemporary variationist and diachronic research One it has moved from situating change within context independent systems toward incorporating patterns of language use and the speaker's role in language change And two it has reoriented its focus away from cataloguing instances of variation and toward seeking theoretically informed accounts that aim at explaining variation and change On the whole the volume argues for accepting and developing actively a systematic connection between research in diachrony synchronic variation and typology while also incorporating the socio cognitive perspective in linguistic analysis as a particularly promising source of useful methodology and explanatory models

The Routledge Handbook of Linguistics Keith Allan, 2015-07-16 The Routledge Handbook of Linguistics offers a comprehensive introduction and reference point to the discipline of linguistics This wide ranging survey of the field brings together a range of perspectives covering all the key areas of linguistics and drawing on interdisciplinary research in subjects such as anthropology psychology and sociology The 36 chapters written by specialists from around the world provide an overview of each topic an introduction to current hypotheses and issues future trajectories suggestions for further reading With extensive coverage of both theoretical and applied linguistic topics The Routledge Handbook of Linguistics is an indispensable resource for students and researchers working in this area

Modality in Contact Carmelo Alessandro Basile, 2024-09-02 This book explores the evolution of modal constructions of necessity and obligation in New Englishes Focusing on Singapore English analysis of corpus data reveals lower levels of grammaticalization compared to its lexifier British English This trend is explained through the lenses of a pan stratist model which considers a spectrum of forces influencing the dynamics of contact On the one hand cognitive mechanisms seem to favour the selection of less grammaticalized and more transparent variants from the lexifier On the other hand the substrate is positioned as a background force actively contributing to the selection of new material to address functional gaps in the system

The Oxford Handbook of English Grammar Bas Aarts, Jill Bowie, Gergana Popova, 2020 This handbook provides an authoritative critical survey of current research and knowledge in the grammar of the English language The volume's expert contributors explore a range of core topics in English grammar covering a range of theoretical approaches and including the relationship between core grammar and other areas of language

The Handbook of the History of English Ans van Kemenade, Bettelou Los, 2009-02-09 The Handbook of the History of English is a collection of articles written by leading specialists in the field that focus on the theoretical issues behind the facts of the changing English language organizes the theoretical issues behind the facts of the changing English language innovatively and applies recent insights to old problems surveys the history of English from the perspective of structural developments in areas such as phonology prosody morphology syntax semantics language variation and dialectology offers readers a comprehensive overview of the various theoretical perspectives available to the study of the history of English and sets new objectives for further research

Proceedings of the Twentieth Annual Conference of the Cognitive Science Society Morton Ann

Gernsbacher, Sharon J. Derry, 2022-05-16 This volume features the complete text of the material presented at the Twentieth Annual Conference of the Cognitive Science Society As in previous years the symposium included an interesting mixture of papers on many topics from researchers with diverse backgrounds and different goals presenting a multifaceted view of cognitive science This volume contains papers posters and summaries of symposia presented at the leading conference that brings cognitive scientists together to discuss issues of theoretical and applied concern Submitted presentations are represented in these proceedings as long papers those presented as spoken presentations and full posters at the conference and short papers those presented as abstract posters by members of the Cognitive Science Society **Vagueness,**

Ambiguity, and All the Rest Ilaria Fiorentini, Chiara Zanchi, 2024-10-15 This book aims to address a gap in the existing literature on the relationship between vagueness and ambiguity as well as on their differences and similarities both in synchrony and diachrony and taking into consideration their relation to language use The book is divided into two parts which address specific and broader research questions from different perspectives The former part examines the differences between ambiguity and vagueness from a bird eye perspective with a particular focus on their respective functions and roles in language change It also presents innovative linguistic resources and tools for the study of these phenomena The second part contains case studies on vagueness and ambiguity in language change and use It considers different strategies and languages including English French German Italian Medieval Latin and Old Italian The readership for this volume is broad encompassing scholars in a range of disciplines including pragmatics spoken discourse conversation analysis discourse genres political commercial notarial discourse corpus studies language change pragmaticalization and language typology

The Changing Languages of Europe Bernd Heine, Tania Kuteva, 2006 Professor Heine and Professor Kuteva look for the causes of linguistic change in cultural and economic exchanges across national and regional boundaries and in the processes that occur when speakers learn or are in close contact with another language Testing their data and conclusions against findings from elsewhere in the world the authors reconstruct and reveal when how and why common grammatical structures have evolved and continue to evolve in processes of change that will they argue transform the linguistic landscape of Europe The book is written in clear non technical language It will appeal to scholars and students of language change and variation in Europe and elsewhere It will also interest everyone concerned to understand the nature of language and language change **BOOK JACKET**

The Linguistics of Sitting, Standing and Lying John Newman, 2002-01-01 This volume explores properties of sit stand and lie verbs reflecting three of the most salient postures associated with humans An introductory chapter by the Editor provides an overview of directions for research into posture verbs These directions are then explored in detail in a number of languages Dutch Korean Japanese Lao Chantyal Magar Tibeto Burman Chipewyan Athapaskan Trumai spoken in Brazil Kxoe Khoisan Mbay Nilo Saharan Oceanic Enga Ku Waru Papuan Arrernte Pitjantjatjara Ngan gityemerri Australian The contributors discuss data relevant to many fields of linguistic inquiry including patterns of

lexicalization e g simplex or complex verb forms morphology e g state vs action formations grammaticalization e g extension to locational predicates aspect markers auxiliaries copulas classifiers and figurative extension A final chapter reports on an experimental methodology designed to establish the relevant cognitive parameters underlying speakers judgements on the polysemy of English stand Taken together the chapters provide a wealth of cross linguistic data on posture verbs

Thank you enormously much for downloading **Grammaticalization A Conceptual Framework**. Maybe you have knowledge that, people have seen numerous times for their favorite books bearing in mind this Grammaticalization A Conceptual Framework, but stop going on in harmful downloads.

Rather than enjoying a fine ebook bearing in mind a mug of coffee in the afternoon, then again they juggled similar to some harmful virus inside their computer. **Grammaticalization A Conceptual Framework** is genial in our digital library and online right of entry to it is set as public so you can download it instantly. Our digital library saves in multipart countries, allowing you to get the most less latency era to download any of our books in the same way as this one. Merely said, the Grammaticalization A Conceptual Framework is universally compatible following any devices to read.

Grammaticalization A Conceptual Framework Introduction

Grammaticalization A Conceptual Framework Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Grammaticalization A Conceptual Framework Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Grammaticalization A Conceptual Framework : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Grammaticalization A Conceptual Framework : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Grammaticalization A Conceptual Framework Offers a diverse range of free eBooks across various genres. Grammaticalization A Conceptual Framework Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Grammaticalization A Conceptual Framework Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Grammaticalization A Conceptual Framework, especially related to Grammaticalization A Conceptual Framework, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Grammaticalization A Conceptual Framework, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Grammaticalization A Conceptual Framework books or magazines might include. Look for these in online stores or libraries. Remember that while Grammaticalization A Conceptual Framework, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Grammaticalization A Conceptual Framework eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free

on their websites. While this might not be the Grammaticalization A Conceptual Framework full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Grammaticalization A Conceptual Framework eBooks, including some popular titles.

FAQs About Grammaticalization A Conceptual Framework Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Grammaticalization A Conceptual Framework is one of the best book in our library for free trial. We provide copy of Grammaticalization A Conceptual Framework in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Grammaticalization A Conceptual Framework. Where to download Grammaticalization A Conceptual Framework online for free? Are you looking for Grammaticalization A Conceptual Framework PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Grammaticalization A Conceptual Framework. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Grammaticalization A Conceptual Framework are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Grammaticalization A Conceptual Framework. So depending on

what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Grammaticalization A Conceptual Framework To get started finding Grammaticalization A Conceptual Framework, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Grammaticalization A Conceptual Framework So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Grammaticalization A Conceptual Framework. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Grammaticalization A Conceptual Framework, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Grammaticalization A Conceptual Framework is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Grammaticalization A Conceptual Framework is universally compatible with any devices to read.
