Nelson,2006-02-17 While written works of nineteenth and early twentieth century flute virtuosos remain a foundation of
modern flute study and despite a recent proliferation of historical recordings reissued on CD much less is known about their
recorded legacy The recordings now more accessible allow increased awareness of these musicians their repertoire and their
performance styles The availability of these compact discs and their importance shows the need for a thorough discography
of the flute The Flute on Record The 78 rpm Era serves as a comprehensive and practical guide to the wealth of flute
recordings made between 1889 and 1954 The discography lists commercial private and unpublished recordings on cylinders
and 78 rpm discs for over two hundred national and international flutists Recordings are logged in meticulous detail
including dates and locations matrix numbers domestic and foreign catalog numbers and corresponding long playing reissues
Solo works chamber music and vocal and orchestral works that feature flute passages are addressed in the citations and in
complete appendixes of anonymous recordings Details about broadcast transcriptions live performance transcriptions and
films are also included Notes and bibliographies offer background information on additional recordings and repertory and
provide a link between modern study and historical evidence With a list of record labels and numerical series as well as
indexes for composers and additional musicians this important resource is accessible to researchers collectors and general
users alike The various components combine to create a fuller understanding of the importance of these classic recordings
