And much much more      **The New York Teacher, and the American Educational Monthly** ,1871      *Our Path Leads to Readers* Steven G. Farrell,2022-07-06 Professor Steven G Farrell has published more writings with The Path A Literary Magazine since the first volume appeared in 2010 than any other author Stories Told on The Path are his very best pieces culled from the magazine s archives The professor has carefully selected twenty two of his best writings published by The Path including one poem thirteen short stories five essays one interview and four book reviews      **Manhattan at Mid-Century** Myrna Katz Frommer,Harvey Frommer,2013-09-06 Experience the mosaic of mid century Manhattan in this exuberant oral history that begins in the post World War II years when the city came into its own and ends in the mid 1970s when it nearly went bust This is the story of a time when great ocean liners were docked in the Hudson River ports Checker cabs hurtled across a two way Fifth Avenue and the Third Avenue el cast long shadows onto the street below There are recollections of Friday night boxing matches at the old Madison Square Garden of peddling tunes in the heart of Tin Pan Alley at the Brill Building of a Harlem that had a nightclub on every corner and a SoHo that was saved from a wrecker s ball by a bunch of mothers Eleven daily newspapers covered the city beat back then Automats and five and dimes were in each neighborhood and the New York Philharmonic performed free summer concerts at Lewisohn Stadium on the City College campus Zabar s was a small dairy store Balducci s was an open air fruit and vegetable stand New York was becoming the center of haute cuisine and haute couture the New York School of abstract expressionists had taken the lead from Paris in avant garde art This transformative time when New York City became the capital of the world is captured here in myriad memories that create an often humorous sometimes poignant occasionally bitter but always loving testament to the magical mystique of Manhattan Includes interviews with Jimmy Breslin Bill Gallo Monte Irvin Robert Merrill Herman Badillo Elaine Kaufman Jerry Della Femina Pauline Trig re Sirio Maccioni Jane Jacobs Saul Zabar Margaret Whiting and many more      *A Reader's Guide to the Narrative and Lyric Poetry of Thomas Lovell Beddoes* Rodney Edgecombe,2015-10-05 Beddoes poses a peculiar problem for critics and scholars who wish to redress the marginal position that he occupies in the Romantic canon a problem seemingly unique to him and created in part by his misconception of his own strengths as a writer An extremely good poet who had things turned out differently might have functioned as a missing link between Keats and Tennyson he fatally divided his attention between verse and medicine a discipline that by his own admission made in the poem composed for Zo King served to wither his creative gift This fission of energy was bad enough but more damaging still was his misconception of metier for whatever mental resources remained to Beddoes after gruelling days in the classroom he invested in writing an unstageable drama instead of in his primary gift for lyric verse Whereas the Beddoes revival that has been gathering momentum in recent years has centred on Death s Jest Book the play onto which the poet directed some might say misdirected so much of his creative energy this study focuses wholly on his lyric and narrative verse much of which has received short critical shrift It follows the sequence of poems set out in the Donner edition and focuses on their verbal

richness and inventiveness as they unspool upon the page      **Off Broadway Musicals, 1910-2007** Dan Dietz, 2010-03-10

Despite an often unfair reputation as being less popular less successful or less refined than their bona fide Broadway counterparts Off Broadway musicals deserve their share of critical acclaim and study A number of shows originally staged Off Broadway have gone on to their own successful Broadway runs from the ever popular A Chorus Line and Rent to more off beat productions like Avenue Q and Little Shop of Horrors And while it remains to be seen if other popular Off Broadway shows like Stomp Blue Man Group and Altar Boyz will make it to the larger Broadway theaters their Off Broadway runs have been enormously successful in their own right This book discusses more than 1 800 Off Broadway Off Off Broadway showcase and workshop musical productions It includes detailed descriptions of Off Broadway musicals that closed in previews or in rehearsal selected musicals that opened in Brooklyn and in New Jersey and American operas that opened in New York along with general overviews of Off Broadway institutions such as the Light Opera of Manhattan The typical entry includes the name of the host theater or theaters the opening date and number of performances the production s cast and creative team a list of songs a brief plot synopsis and general comments and reviews from the New York critics Besides the individual entries the book also includes a preface a bibliography and 21 appendices including a discography filmography a list of published scripts and lists of musicals categorized by topic and composer      *The Hero Boy; Or , The Life and Deeds of Lieut.-Gen.
