Givhan,2000-05-30 The innocence lost never to be regained by America s youth during the Vietnam War lies strewn across America s landscape in the form of shattered lives and minds We were sent there by U S government officials who played recklessly with our young lives however we did not know to what extent at the time Maybe we still don t But we do know that for them our so called leaders politics came first and our welfare our very lives came second We also know that very little was reported about that war during the period November 22 1963 to August 5 1964 John B Givhan was there during that time and he details early helicopter assault missions flown by courageous U S Army helicopter pilots crew chiefs and gunners their living and their dying This is also about April 12 1964 in the Mekong Delta in Vietnam a day that is and will be forever etched in the minds and souls of the men of the 120th Aviation Company the Deans when valor and devotion to duty reigned supreme and whose innocence was lost *From Here to Where* Thaddeus Best,2013-04 From Here To Where is a story about a little boy learning to survive in a very abusive environment not only does he learn to save his own life he had to use his wits to save his mother s life as well In his early years he and his mother lived in constant fear The story

describes how his survivor skills became more important than his education As a seven year old child he ran into the dark of night to save himself from certain death Tells the how a daddy punished a child beyond the limits of law for any man or animal Show how a daddy s abuse was determined as punishment The story tells how a young child gets involved in sex play This story begins at three and ends at eleven years old It s not about kicking sand or throwing rocks in to lakes or streams It s about surviving in a very cold and cruel environment at home The Author has always wanted to write stories of interest concerning people that live ordinary lives Unfortunately some characters in this story lived every way except an ordinary life Also about people that makes a difference in day to day lives of all people Especially children who in many ways of experiencing some form of abuse in their lives His hope and prayer is that someone will read his story and act in a way that would help a child find hope peace and love Many parents believe their way is the best way without noticing the child s reactions There are many children that pass through the system with emotionally and physically abused scars They don t know how to ask for help some may not even realize they need help All children are born trusting and caring It s the adults that betray that trust Most problems are not detected until it s far too late He loved to read stories about different cultures and their way of life From a small boy until an adult male reading has been a large part of his secret getaway The author learned to type in high school because he knew that someday he would write this story He knew he wouldn t rest until his story was told Only four individuals still living can verify the heart of this story Feel the grief in graphic details of an abusive life of a child From Here to Where is a true story After many years the events are forever tattooed on my brain With so many other things to do I try not to think about them Life goes on but the story lives and so does the pain with its sadness You will also feel the pain as well as some very cheerful moments **Come Out, Come Out, Yo House Is on Fire** Terry
