**The Great White Way** Warren Hoffman, 2020-02-14 An investigation into the ways in which race and ethnicity have shaped the American musical over the course of the twentieth century up through today

**No Safe Spaces** Angela C. Pao, 2011-02-16 No Safe Spaces opens up a conversation beyond narrow polemics Although cross racial casting has been the topic of heated discussion little sustained scholarship addresses both the historical precedents and theoretical dimensions Pao illustrates the tensions and contradictions inherent not only in stage representations but also in the performance of race in everyday life A wonderful book whose potential readership goes well beyond theater and performance scholars Josephine Lee University of Minnesota Non traditional casting increasingly practiced in American theater is both deeply connected to our country's racial self image's and woefully under theorized Pao takes on the practice in its entirety to disentangle the various strands of this vitally important issue Karen Shimakawa New York University No Safe Spaces looks at one of the most radical and enduring changes introduced during the Civil Rights era multiracial and cross racial casting practices in American theater The move to cast Latino a African American and Asian American actors in classic stage works by and about white Europeans and Americans is viewed as both social and political gesture and artistic innovation Nontraditionally cast productions are shown to have participated in the national dialogue about race relations and ethnic identity and served as a source of renewed creativity for the staging of the canonical repertory Multiracial casting is explored first through its history then through its artistic political and pragmatic dimensions Next the book focuses on case studies from the dominant genres of contemporary American theater classical tragedy and comedy modern domestic drama antirealist drama and the Broadway musical using a broad array of archival source materials to enhance and illuminate its arguments Angela C Pao is Associate Professor of Comparative Literature at Indiana University A volume in the series Theater Theory Text Performance

Gale,2016-04-14 First published in 1988 this book contains entries on famous American Humorists Humor has been present in American literature from the beginning and has developed characteristics that reflect the American character both regional and national Although American literature was in the past treated as inferior to British literature there has always been a large popular audience for the genre which this book shows The figures with entries in this encyclopedia not only amuse in their writing but also aim to enlighten setting out to expose the foibles and foolishness of society and the individuals who compose it It is the manner in which these authors try to accomplish this end that determines whether they appear in the volume Indeed the book will demonstrate that the best humor has at its base a ready understanding of human nature      [The Oxford Handbook of the Global Stage Musical](#) Robert Gordon,Olaf Jubin,2023-11-14 The stage musical constitutes a major industry not only in the US and the UK but in many regions of the world Over the last four decades many countries have developed their own musical theatre industries not only by importing hit shows from Broadway and London but also by establishing or reviving local traditions of musical theatre In response to the rapid growth of musical theatre as a global phenomenon The Oxford Handbook of the Global Stage Musical presents new scholarly approaches to issues arising from these new

international markets The volume examines the stage musical from theoretical and empirical perspectives including concepts of globalization and consumer culture performance and musicological analysis historical and cultural studies media studies notions of interculturalism and hybridity gender studies and international politics The thirty three essays investigate major aspects of the global musical such as the dominance of Western colonialism in its early production and dissemination racism and sexism both in representation and in the industry itself as well as current conflicts between global and local interests in postmodern cultures Featuring contributors from seventeen countries the essays offer informed insider perspectives that reflect the diversity of the subject and offer in depth examinations of specific cultural and economic systems Together they conduct penetrating comparative analysis of musical theatre in different contexts as well as a survey of the transcultural spread of musicals
