## Hail Hero:

*Lohengrin* Richard Wagner, An Opera composed by Richard Wagner      Oberon Carl Maria von Weber, Artur Bodanzky, 1918      **Appearances and Activities of Leading Personalities of the People's Republic of China** United States. Central Intelligence Agency, 1969      The Baobab Tree, Book 1: Young Zwane Terry Taylor, 2010-11-25 This is Book 1 of a trilogy about Zwane an African scarab beetle who goes on a long journey of spiritual discovery The journey is also a physical one Book 1 deals with Zwane s early life and the adventures he has to prepare him for the journey      **Michael Douglas: Acting on Instinct** John Parker, 2011-07-21 In the shadow of his father Kirk s overpowering fame Michael Douglas forged a career for himself and became recognised in his own right as an award winning actor and producer But fame has taken its toll on Michael s personal life His struggles with sexual addiction his treatment for alcoholism and drug dependency and the break up of his first marriage show another side to Michael s success In 2010 his troubled past came back to haunt him when Cameron his eldest son was sentenced to five years in prison for drug dealing Yet despite a rocky road Michael has found happiness later in life His marriage to Catherine Zeta Jones meant a second shot at fatherhood and gave him strength following a devastating diagnosis of advanced throat cancer at the age of 65 This is the compelling and remarkable story of a Hollywood son who waged a battle against the odds to achieve his fame and fortune and has kept on fighting with every challenge he faces      **Honus Wagner** Arthur D. Hittner, 2024-06-27 Regarded by many of his contemporaries as the greatest baseball player of all time John Peter Honus Wagner enjoyed a remarkable career with the Pittsburgh Pirates His record of 17 consecutive 300 plus seasons is a mark that will probably never be broken He led the National League eight times in hitting six times in slugging percentage and five times in stolen bases Known as the Flying Dutchman he also excelled in the field defining the shortstop position for a generation Though one of the original inductees in the Baseball Hall of Fame he has often been overlooked by baseball fans and historians A humble man whose biggest passions were hunting and fishing the Pirate shortstop lacked the flamboyance of a Ty Cobb or Babe Ruth He rarely smoked or drank though he sometimes indulged in a sandlot game with the neighborhood kids Based on contemporary newspaper accounts family scrapbooks and correspondence and Wagner s own vest pocket notebooks this is the story of baseball s first superstar      Poems and Songs ... Second edition Charles GRAY (Captain, Royal Marines.), 1814      Arthur Kennedy, Man of Characters Meredith C. Macksoud, Craig R. Smith, Jackie Lohrke, 2002-12-09 Basically all parts are character parts The problem of the actor is to protect the differences in a character to identify that the character being portrayed has his own personality traits He has to find things within himself to establish these differences I m best when I portray not good guys or bad guys but human guys These are the people I understand Arthur Kennedy s words speak volumes about the kind of actor he was one sought by both Hollywood and Broadway to be in dramas involving real people struggling with real problems His many talents were recognized with several Academy Award nominations and the winning of a Golden Globe and a Tony

award This work covers Kennedy's film and stage career film by film and play by play and provides pictures synopses and commentary for each one Acting anecdotes from Kennedy himself or from his peers in film and on stage such as Errol Flynn Elia Kazan James Cagney Ida Lupino Humphrey Bogart and many others bedizen the commentary Among the films and plays included are Joy in the Morning Henry IV Part I Strange Alibi High Sierra Bad Men Desperate Journey Cheyenne The Window and Champion **Michael Douglas** Marc Eliot,2013-09-17 A groundbreaking portrait of one of Hollywood's most

Chiwome,Zifikile Mguni,2012 The scope of this book is Ndebele and Shona literature with emphasis on post independence

publications African literature in English has received more critical attention than literature in indigenous languages The former has occupied centre stage as representing national literature while modern literature in indigenous languages occupies the intermediate lower stratum that is accorded to national languages in the colonial and post independence eras The objective of the study is to combine some of the different genres of literature in indigenous languages in an attempt to understand them on the basis of their common history and culture While colonialism has promoted and interpreted differences among Zimbabwean ethnic communities as evidence of polarisation the authors here view African language literatures as parts of one great whole
