## Haiti And The Dominican Republic:

Haiti & the Dominican Republic Ross Velton, 1999 Together Haiti and the Dominican Republic form the island of Hispaniola With easy cross border travel this guide is aimed at both the independent traveller and the adventurous package tourist providing all the necessary practical information *The American Intervention in Haiti and the Dominican Republic* Carl Kelsey, 1922 **Treaty Between the Republic of Haiti and the Dominican Republic Relative to Boundaries** Haiti, 1929 **The American Intervention in Haiti and the Dominican Republic** Carl Kelsey, 2016-09-09 Excerpt from *The American Intervention in Haiti and the Dominican Republic* A Report York City one will find on the map the island of Haiti or Santo Domingo considered one of the most beautiful in the world lying directly between Cuba and Porto Rico to which it is intermediate in size as well It is some 400 miles in length and 170 in width but of very irregular shape The total area is over square miles or a little less than that of Ireland There are a number of dependent islets some of considerable size but of little value to day though a few thousand people manage to eke out a precarious existence on the island of Gonave in the bay of port au prince About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works AMERICAN INTERVENTION IN HAITI AND THE DOMINICAN REPUBLIC CARL. KELSEY, 2018 *The American Intervention in Haiti and the Dominican Republic* Carl Kelsey, 1922\* **Dividing Hispaniola** Edward Paulino, 2016-02-16 The island of Hispaniola is split by a border that divides the Dominican Republic and Haiti This border has been historically contested and largely porous Dividing Hispaniola is a study of Dominican dictator Rafael Trujillo's scheme during the mid twentieth century to create and reinforce a buffer zone on this border through the establishment of state institutions and an ideological campaign against what was considered an encroaching black inferior and bellicose Haitian state The success of this program relied on convincing Dominicans that regardless of their actual color whiteness was synonymous with Dominican cultural identity Paulino examines the campaign against Haiti as the construct of a fractured urban intellectual minority bolstered by international politics and U S imperialism This minority included a diverse set of individuals and institutions that employed anti Haitian rhetoric for their own benefit i.e sugar manufacturers and border officials Yet in reality these same actors had no interest in establishing an impermeable border Paulino further demonstrates that Dominican attitudes of admiration and solidarity toward Haitians as well as extensive intermixture around the border region were commonplace In sum his study argues against the notion that anti Haitianism was part of a persistent and innate Dominican ethos *Place Names in Haiti and the Dominican Republic*

United States. Department of the Interior. Division of Geography, 1947      **Haiti and the Dominican Republic** Rayford Whittingham Logan, 1968      Haitian-Dominican Counterpoint E. Matibag, 2003-05-16 What would the island of Hispaniola look like if viewed as a loosely connected system That is the question Haitian Dominican Counterpoint seeks to answer as it surveys the insular space shared by Haiti and the Dominican Republic throughout their parallel histories For beneath the familiar tale of hostilities the systemic perspective reveals a lesser known unitarian narrative of interdependencies and reciprocal influences shaping each country's identity In view of the sociocultural and economic linkages connecting the two countries their relations would have to resemble not so much a cockfight the conventional metaphor as a serial and polyrhythmic counterpoint      **Growth in the Dominican Republic and Haiti** Laura Jaramillo, Cemile Sancak, 2007-03 The Dominican Republic and Haiti share the island of Hispaniola and are broadly similar in terms of geography and historical institutions yet their growth performance has diverged remarkably The countries had the same per capita real GDP in 1960 but by 2005 the Dominican Republic's per capita real GDP had tripled whereas that of Haiti had halved Drawing on the growth literature the paper explains this divergence through a combined approach that includes a panel regression to study growth determinants across a broad group of countries and a case study framework to better understand the specific policy decisions and external conditions that have shaped economic outcomes in the Dominican Republic and Haiti The paper finds that initial conditions cannot fully explain the growth divergence but rather policy decisions have played a central role in the growth trends of the two countries This Working Paper should not be reported as representing the views of the IMF The views expressed in this Working Paper are those of the author's and do not necessarily represent those of the IMF or IMF policy Working Papers describe research in progress by the author's and are published to elicit comments and to further debate      *We Dream Together* Anne Eller, 2016-12-09 In this thorough social and political history Anne Eller breaks with dominant narratives of the history of the Dominican Republic and its relationship with Haiti by tracing the complicated history of its independence between 1822 and 1865 showing how the Dominican Republic's political roots are deeply entwined with Haiti's      *Dominican Republic and Haiti* Helen Chapin Metz, 1999      **A Troubled Year** Mary Jane Camejo, Alejandro Miguel Garro, Ellen Zeisler, 1992 The Introduction to this report focuses on the expulsion of Haitians and Dominicans from the Dominican Republic between the months of June and September 1991 coercive labour practices on sugarcane plantations progress since the 1991 harvest and the stance of the United States The first section of the report deals with forced repatriations including the Presidential Decree 233/91 which promised reforms in the treatment of sugarcane workers the arbitrariness of expulsions the failure to recognize Dominican citizenship and the widespread abuses during roundups of Haitians Individual case studies are presented of the abuses as well as information on detention centres and testimony of deportees The report then examines forced recruitment at the border and in Haiti Individual case studies are again used A separate section of the report concerns forced labour The report argues that the practices of restriction of

freedom of movement confiscation of personal belongings and detention and physical mistreatment combined to form a system of coercion that continued to underlie the state sugar industry in 1992 The report states that the Dominican Government continues to reject and to try to discredit international criticism of its human rights practices The report defends many of the criticisms put forward by the Dominican Government against Americas Watch and the National Coalition for Haitian Refugees The final section of the report deals with US policy and the decision of the Administration to maintain trade benefits to the Dominican Republic The attitude of the US State Department and the US Congress towards the Dominican labour practices are also evoked The report concludes with various recommendations for the Dominican Government

**Dominican Republic and Haiti: Country Studies** Helen Metz, 2013-06-13 This volume is one in a continuing series of books prepared by the Federal Research Division of the Library of Congress This volume is about the Dominican Republic and Haiti

**Haiti and the Dominican Republic [by] Rayford W. Logan** Rayford Whittingham Logan, **Haiti and the Dominican Republic** Otis Thorpe, 2014 Haiti shares the island of Hispaniola with the Dominican Republic Since the fall of the Duvalier dictatorship in 1986 Haiti has struggled to overcome its centuries long legacy of authoritarianism extreme poverty and underdevelopment Economic and social stability improved considerably and many analysts believed Haiti was turning a corner toward sustainable development when it was set back by a massive earthquake in January 2010 that devastated much of the capital of Port au Prince Although it is recovering poverty remains massive and deep and economic disparity is wide Haiti remains the poorest country in the western hemisphere This book discusses the conditions and issues in Haiti and the Dominican Republic as well as their relations with the United States

*The Birds of Haiti and the Dominican Republic* Alexander Wetmore, Bradshaw Hall Swales, 1931 The island that Columbus named Hispaniola divided politically in modern times between the Dominican Republic and the Republic of Haiti biologically is the most interesting of the Greater Antilles since in its great area of elevated mountains it has preserved remnants of life of an ancient type that elsewhere in the West Indies has disappeared A series of specimens particularly birds mammals reptiles amphibians and plants was collected by Dr W L Abbott beginning in 1916 The rich collections obtained have all come to the Smithsonian Institution for the United States National Museum providing one of the finest collections extant from the island in question As the Museum collections became extensive it was decided finally to make comprehensive accounts of the various groups covered so as to bring this information down to date

**On the Edge** Maria Cristina Fumagalli, 2015 A literary study of the borderlands between Haiti and the Dominican Republic

**Inquiry Into Occupation and Administration of Haiti and Santo Domingo** United States. Congress. Senate. Select Committee on Haiti and Santo Domingo, 1922
