Half An Orphan:

The Half-Orphan's Handbook Joan F. Smith, 2021-04-20 For fans of John Green and Emily X R Pan The Half Orphan s Handbook by Joan F Smith is a coming of age story and an empathetic authentic exploration of grief with a sharp sense of humor and a big heart It s been three months since Lila lost her father to suicide Since then she s learned to protect herself from pain by following two unbreakable rules 1 The only people who can truly hurt you are the ones you love Therefore love no one 2 Stay away from liars Liars are the worst But when Lila s mother sends her to a summer long grief camp it s suddenly harder for Lila to follow these rules Potential new friends and an unexpected crush threaten to drag her back into life for the first time since her dad s death On top of everything there s more about what happened that Lila doesn t know and facing the truth about her family will be the hardest part of learning how a broken heart can love again An Imprint Book

Half an Orphan Kenn J. Johnson, 2004-04-19 There is no available information at this time **Documents of the Assembly of the State of New York** New York (State). Legislature. Assembly, 1900 **Appendix to Journals of Senate and Assembly** Nevada (Terr.). Legislative Assembly, 1917 **Appendix to Journals of Senate and Assembly ... of the Legislature** Nevada. Legislature, 1917 **A Home of Another Kind** Kenneth Cmiel, 1995-02-15 In the most comprehensive account ever written of an American orphanage an institution about which even its many new advocates and experts know little Kenneth Cmiel exposes America s changing attitudes toward child welfare The book begins with the fascinating history of the Chicago Nursery and Half Orphan Asylum from 1860 through 1984 when it became a full time research institute Founded by a group of wealthy volunteers the asylum was a Protestant institution for Protestant children one of dozens around the country designed as places where single parents could leave their children if they were temporarily unable to care for them But the asylum which later became known as Chapin Hall changed dramatically over the years as it tried to respond to changing policies priorities regulations and theories concerning child welfare Cmiel offers a vivid portrait of how these changes affected the day to day realities of group living How did the kind of care given to the children change What did the staff and management hope to accomplish How did they define family Who were the children who lived in the asylum What brought them there What were their needs How did outside forces change what went on inside Chapin Hall This is much more than a richly detailed account of one institution Cmiel shatters a number of popular myths about orphanages Few realize that almost all children living in nineteenth century orphanages had at least one living parent And the austere living conditions so characteristic of the orphanage were prompted as much by health concerns as by strict Victorian morals

The Trials of an Half Orphan Taniform Wanki, 2012-06-27 Death strikes and claims the mother of Martin Smith when he is still in primary five leaving him and his siblings at the mercy of a volcanic tempered and cruel father No longer prepared to accept any beatings from his father he runs away from home and takes up residence in a deserted house in a neighbouring village with little to live on His fate appears sealed Just when all hope seems lost appears Mr Finley Banks a Peace Corp

Volunteer and teacher Martin Smith is pleased to be treated like a son once more only for Mr Finley Banks to come to the end of his stay in the country five years later How will things turn out with him gone Set in Cameroon and Italy this is a story of opportunities and opportunism It is the story of the trials thrills and tribulations of a young African half orphan boy determined to make it in life

Appendix to the Journals of the Senate and Assembly ... of the Legislature of the State of California ... California, 1881 **Appendix to the Journals of the Senate and Assembly ... of the Legislature of the State of California ...**, 1883 The Journal of the Senate During the ... Session of the Legislature of the State of California California. Legislature. Senate, 1923 **Report** California. State Board of Examiners, 1895 **Second Home** Timothy A. Hacs, 1997 As Timothy Hacs shows most children in nineteenth century orphan asylums were half orphans children with one living parent who was unable to provide for them The asylums spread widely and endured because different groups churches ethnic communities charitable organizations fraternal societies and local and state governments could adapt them to their own purposes In the 1890s critics began to argue that asylums were overcrowded and impersonal By 1909 advocates called for aid to destitute mothers and argued that asylums should be a last resort for short term care only Yet orphanages continued to care for most dependent children until the Depression strained asylum budgets and federally funded home care became more widely available Yet some Catholic asylums in particular cared for poor children into the 1950s and 1960s
