Halfway Home Reuben Jonathan Miller, 2021-02-02 A persuasive and essential Matthew Desmond work that will forever change how we look at life after prison in America through Miller's stunning and deeply painful reckoning with our nation's carceral system Heather Ann Thompson Each year more than half a million Americans are released from prison and join a population of twenty million people who live with a felony record Reuben Miller a chaplain at the Cook County Jail in Chicago and now a sociologist studying mass incarceration spent years alongside prisoners ex prisoners their friends and their families to understand the lifelong burden that even a single arrest can entail What his work revealed is a simple if overlooked truth life after incarceration is its own form of prison The idea that one can serve their debt and return to life as a full fledged member of society is one of America's most nefarious myths Recently released individuals are faced with jobs that are off limits apartments that cannot be occupied and votes that cannot be cast As *The Color of Law* exposed about our understanding of housing segregation *Halfway Home* shows that the American justice system was not created to rehabilitate Parole is structured to keep classes of Americans impoverished unstable and disenfranchised long after they've paid their debt to society Informed by Miller's experience as the son and brother of incarcerated men captures the stories of the men women and communities fighting against a system that is designed for them to fail It is a poignant and eye opening call to arms that reveals how laws rules and regulations extract a tangible cost not only from those working to rebuild their lives but also our democracy As Miller searchingly explores America must acknowledge and value the lives of its formerly imprisoned citizens PEN America 2022 John Kenneth Galbraith Award for Nonfiction Finalist Winner of the 2022 PROSE Award for Excellence in Social Sciences 2022 PROSE Awards Finalist 2022 PROSE Awards Category Winner for Cultural Anthropology and Sociology An NPR Selected 2021 Books We Love As heard on NPR's Fresh Air **Halfway Home** Mary
