Jayne Mansfield Story:

The Jayne Mansfield Story Loni Anderson, Dick Lowry, Arnold Schwarzenegger, Dave Shelley, G. D. Spradlin, 1980 The Jayne Mansfield Story Stephen Louis Karpf, Elinor Karpf, 1978 *Pink Goddess* Michael Feeney Callan, 1986 **Jayne Mansfield** Eve Golden, 2021-06-29 Jayne Mansfield 1933-1967 was driven not just to be an actress but to be a star One of the most influential sex symbols of her time she was known for her platinum blonde hair hourglass figure outrageously low necklines and flamboyant lifestyle Hardworking and ambitious Mansfield proved early in her career that she was adept in both comic and dramatic roles but her tenacious search for the spotlight and her risqué promotional stunts caused her to be increasingly snubbed in Hollywood In the first definitive biography of Mansfield Eve Golden offers a joyful account of the star Andy Warhol called the poet of publicity revealing the smart determined woman behind the persona While she always had her sights set on the silver screen Mansfield got her start as Rita Marlowe in the Broadway show *Will Success Spoil Rock Hunter* She made her film debut in the low budget drama *Female Jungle* 1955 before landing the starring role in *The Girl Can't Help It* 1956 Mansfield followed this success with a dramatic role in *The Wayward Bus* 1957 winning a Golden Globe for New Star of the Year and starred alongside Cary Grant in *Kiss Them for Me* 1957 Despite her popularity her appearance as the first celebrity in *Playboy* and her nude scene in *Promises, Promises* 1963 cemented her reputation as an outsider By the 1960s Mansfield's film career had declined but she remained very popular with the public She capitalized on that popularity through in person and TV appearances nightclub appearances and stage productions Her larger than life life ended sadly when she passed away at age thirty four in a car accident Golden looks beyond Mansfield's flashy public image and tragic death to fully explore her life and legacy She discusses Mansfield's childhood her many loves including her famous on again off again relationship with Mick's Mickey Hargitay her struggles with alcohol and her sometimes tumultuous family relationships She also considers Mansfield's enduring contributions to American popular culture and celebrity culture This funny engaging biography offers a nuanced portrait of a fascinating woman who loved every minute of life and lived each one to the fullest *Jayne Mansfield* Jocelyn Faris, 1994-11-30 People today remember Jayne Mansfield as a famous Hollywood movie star However she starred in only three American movies before moving to low budget European films She was a master of publicity who appeared in newspapers across the nation almost daily The media focused on her figure and her stormy love life Through her constant exposure in the press she gave the public the false impression that she was a major movie star This book charts the captivating life and career of Jayne Mansfield A biography overviews her rise to fame her three marriages and five children and her death in a grisly automobile accident at an early age The chapters that follow are each devoted to her performances in a particular genre such as film stage and television Each chapter contains annotated entries for her work in that media providing cast and credit listings plot summaries review excerpts and commentary Appendices list her appearances on magazine and record covers and an annotated bibliography discusses additional sources
