The Swarm War: Star Wars Legends (Dark Nest, Book III) Troy Denning, 2005-12-27 In the explosive conclusion to the Dark Nest trilogy Luke Skywalker summons the heroes of the New Jedi Order from near and far as the Star Wars galaxy teeters on the edge of eternal war Yet even the combined powers of the formidable Jedi may not be enough to vanquish the deadly perils confronting them The Chiss Killik border war is threatening to engulf the entire galaxy and raising the awful specter of Killiks sweeping across space to absorb all living creatures into a single hive mind The only hope for peace lies with the Jedi and only if they can not only end the bloodshed between two fierce enemies but also combat the insidious evil spread by the

elusive Dark Nest and its unseen queen Leia's newly acquired Jedi skills will be put to the ultimate test in the coming life and death battle. As for Luke, he will have to prove in a lightning display of Force strength and swordplay that he is beyond a shadow of a doubt the greatest Jedi Master in the galaxy.

Invincible: Star Wars Legends (Legacy of the Force) Troy Denning, 2008-12-30 No war can last forever. Now in the long and punishing battle between the defiant champions of the New Jedi Order and the juggernaut that is the Galactic Alliance, the endgame is finally at hand. With so much lost and nothing less than the course of the future still at stake, there can be no turning back. No matter the consequences, the rebel cause is losing ground under the twin blows of Admiral Gilad Pellaeon's assassination and the death of Mara Jade Skywalker. At the same time, having gained the support of the Imperial Remnant and its ruthlessly efficient forces, the Galactic Alliance, with the extraordinary power and dark brilliance of newly ascendant Sith Lord Darth Caedus at its helm, may be unstoppable. Tormented and torn between the call of duty and the thirst for vengeance, Luke has searched the Force and beheld an unspeakable vision of the galaxy enslaved under tyranny more monstrous than even Palpatine's. Now it seems that the last best hope lies in mobilizing the scattered Jedi for one decisive search and destroy mission: the objective, eliminate Darth Caedus. It's a plan that will be as difficult and dangerous to execute as it is daring. For Caedus is a scion of both the Skywalker and Solo bloodlines, whose command of the Force surpasses even that of his grandfather, Darth Vader. There is only one who is bound by destiny to stand against him in what will surely be a duel to the death: only one with an outside chance of bringing down the dark lord who was once Jacen Solo. Failure is not an option. The furious final moments between power and peace are here, and whoever confronts Darth Caedus will decide the outcome and the fate of those left standing.

Unity 3D and PlayMaker Essentials Jere Miles, 2016-11-25 In introducing new students to video game development, there are two crucial components to consider: design and implementation. *Unity 3D and PlayMaker Essentials: Game Development from Concept to Publishing* provides theoretical background on topics such as characters, stories, level design, interface design, audio, game mechanics, and tools, and skills needed. Each chapter focuses on a specific topic, with topics building upon each other so that by the end of the book, you will have looked into all the subjects relevant to creating your own game. The book transitions from discussion to demonstrations of how to implement techniques and concepts into practice by using Unity3D and PlayMaker. Download boxes are included throughout the book where you can get the version of the game project under discussion or other content to add to the project, as well as any supplementary video tutorials that have been developed. Addressing both theoretical and practical aspects, *Unity 3D and PlayMaker Essentials* enables you to understand how to create a game by having you make a game. By gradually completing your own design document through the course of the book, you will become familiar with core design principles while learning the practical skills needed to bring your unique game to life.
