Margaret A. Rose, 1993-09-09 In this definitive work Margaret Rose presents an analysis and history of theories and uses of parody from ancient to contemporary times and offers a new approach to the analysis and classification of modern late modern and post modern theories of the subject The author's *Parody Meta Fiction* 1979 was influential in broadening awareness of parody as a double coded device which could be used for more than mere ridicule In the present study she both expands and revises the introductory section of her 1979 text and adds substantial new sections on modern and post modern theories and uses of parody and pastiche which also discuss the work of theorists and writers including the Russian formalists Mikhail Bakhtin Hans Robert Jauss Wolfgang Iser Julia Kristeva Roland Barthes Michel Foucault Jacques Derrida Ihab Hassan Jean Baudrillard Fredric Jameson A S Byatt Martin Amis Charles Jencks Umberto Eco David Lodge Malcolm Bradbury and others      *Wodehouse Nuggets* Pelham Grenville Wodehouse, Richard Usborne, 1983      **P.G. Wodehouse in His Own Words** Barry Day, Tony Ring, 2012-08-07 This unorthodox biography of the greatest comic writer ever collects Wodehouse's witty and revealing commentary on his own life story Douglas Adams As creator of memorable comic characters including the immortal Jeeves and Wooster P G Wodehouse was one of the most beloved and influential authors of the 20th century This sparkling volume draws on Wodehouse's autobiographical writings as well as personal letters and interview transcripts to present the author's life story as only he could tell it Quotations from a literary career spanning more than seventy years are arranged in chapters that move from childhood to school years and on to various preoccupations of the grown man A linking narrative skillfully supplied by Wodehouse aficionado Barry Day and former President of the International Wodehouse society Tony Ring ties all the material together Full of Wodehouse's scintillating wordplay and comedy P G Wodehouse in His Own Words is essential reading for any Wodehouse fan      *Off Shore* Birgit Braasch, Claudia Müller, 2020 The book highlights facets of people's experiences since the 19th century with Atlantic space and the design of their stay on board ships The contributions range from the perspective of pleasure seeking tourists who used ships as a temporary luxurious homes to the perspective of military personnel who perceived the Atlantic Passage as a transition between homeland security and potentially dangerous professional operations the risks of sea voyages even on technically sophisticated ocean liners whose interiors and services often include grand hotels in the metropolises of the late 19th and 20th century were discreetly ignored by the passengers The charm of the Atlantic and the ship unthinkable in earlier times should not be decimated in any way      *Dramatizing Time in Twentieth-Century Fiction* William Vesterman, 2014-07-17 How have twentieth century writers used techniques in fiction to communicate the human experience of time *Dramatizing Time in Twentieth Century Fiction* explores this question by analyzing major narratives of the last century that demonstrate how time becomes variously manifested to reflect and illuminate its operation in our lives Offering close readings of both modernist and non modernist writers such as Wodehouse Stein Lewis Joyce Hemingway Faulkner Borges and Nabokov the author shares and unifies the belief as set forth by the distinguished philosopher Paul Ricoeur that narratives rather than philosophy

best help us understand time They create and communicate its meanings through dramatizations in language and the reconfiguration of temporal experience This book explores the various responses of artistic imaginations to the mysteries of time and the needs of temporal organization in modern fiction It is therefore an important reference for anyone with an interest in twentieth century literature and the philosophy of time **P.G.
