

A classical oil painting of Thomas Jefferson, shown from the chest up, looking slightly to the left. He has light-colored, wavy hair and is wearing a dark coat with a white cravat. The background is a soft, mottled blue-grey.

The JEFFERSON SCANDALS

A Rebuttal

by VIRGINIUS DABNEY,

*the Pulitzer Prize-winning journalist and historian, to allegations that
Thomas Jefferson kept a black mistress and fathered five illegitimate children*

Jefferson Scandals A Rebuttal

Douglas R. Egerton

Jefferson Scandals A Rebuttal:

The Jefferson Scandals Virginius Dabney,1991 Puts to rest the unfounded allegations surrounding Jefferson and Sally Hemings **Mr. Jefferson's Women** Jon Kukla,2009-06-03 From the acclaimed author of *A Wilderness So Immense* comes a pioneering study of Thomas Jefferson's relationships with women both personal and political The author of the Declaration of Independence who wrote the words all men are created equal was surprisingly uncomfortable with woman In eight chapters Kukla examines the evidence for the founding father's youthful misogyny beginning with his awkward courtship of Rebecca Burwell who declined Jefferson's marriage proposal and his unwelcome advances toward the wife of a boyhood friend Subsequent chapters describe his decade long marriage to Martha Wayles Skelton his flirtation with Maria Cosway and the still controversial relationship with Sally Hemings A riveting study of a complex man Mr Jefferson's Women is sure to spark debate *Notorious in the Neighborhood* Joshua D. Rothman,2003 In this study of interracial sex in antebellum Virginia Rothman examines a wide range of relationships between whites and free people of color and whites and slaves between black women and white men and between black men and white women and the complicated responses these relationships inspired *Rebels, Reformers, and Revolutionaries* Douglas R. Egerton,2013-09-13 This collection of essays examines the lives and thoughts of three interrelated Southern groups enslaved rebels conservative white reformers and white revolutionaries presenting a clear and cogent understanding of race reform and conservatism in early American history

"Those who Labor for My Happiness" Lucia C. Stanton,2012 Our perception of life at Monticello has changed dramatically over the past quarter century The image of an estate presided over by a benevolent Thomas Jefferson has given way to a more complex view of Monticello as a working plantation the success of which was made possible by the work of slaves At the center of this transition has been the work of Lucia C. Stanton recognized as the leading interpreter of Jefferson's life as a planter and master and of the lives of his slaves and their descendants This volume represents the first attempt to pull together Stanton's most important writings on slavery at Monticello and beyond Stanton's pioneering work deepened our understanding of Jefferson without demonizing him But perhaps even more important is the light her writings have shed on the lives of the slaves at Monticello Her detailed reconstruction for modern readers of slaves' lives vividly reveals their active roles in the creation of Monticello and a dynamic community previously unimagined The essays collected here address a rich variety of topics from family histories including the Hemingses to the temporary slave community at Jefferson's White House to stories of former slaves' lives after Monticello Each piece is characterized by Stanton's deep knowledge of her subject and by her determination to do justice to both Jefferson and his slaves Published in association with the Thomas Jefferson Foundation **With the Hammer of Truth** Michael Durey,2013-01-17 Reynolds of a team of hired pens who helped stem the Federalist tide in Philadelphia in the 1790s **David McCullough Library E-book Box Set** David McCullough,2011-05-24 Perfect for David McCullough fans and history lovers alike this ebook boxed set features all of

his bestselling titles from 1776 to Mornings on Horseback This ebook box set includes all of David McCullough's bestselling titles 1776 is the riveting story of George Washington the men who marched with him and their British foes in the momentous year of American independence Brave Companions contains profiles of the exceptional men and women who shaped history among them Alexander von Humboldt Harriet Beecher Stowe and Charles and Anne Lindbergh The Great Bridge is the remarkable enthralling story of the planning and construction of the Brooklyn Bridge which linked two great cities and epitomized American optimism skill and determination John Adams is the magisterial Pulitzer Prize winning biography of the independent irascible Yankee patriot one of our nation's founders and most important figures who became our second president The Johnstown Flood is the classic history of an American tragedy that became a scandal in the age of the Robber Barons the preventable flood that destroyed a town and killed 2 000 people Mornings on Horseback is the brilliant National Book Award winning biography of young Theodore Roosevelt's metamorphosis from sickly child to a vigorous intense man poised to become a national hero and then president Path Between the Seas is the epic National Book Award winning history of the heroic successes tragic failures and astonishing engineering and medical feats that made the Panama Canal possible Truman is the Pulitzer Prize winning biography of Harry Truman the complex and courageous man who rose from modest origins to make momentous decisions as president from dropping the atomic bomb to going to war in Korea A special bonus is included The Course of Human Events In this Jefferson Lecture in the Humanities David McCullough draws on his personal experience as a historian to acknowledge the crucial importance of writing in history's enduring impact and influence and he affirms the significance of history in teaching us about human nature through the ages John Adams David McCullough, 2001-05-22 The Pulitzer Prize winning bestselling biography of America's founding father and second president that was the basis for the acclaimed HBO series brilliantly told by master historian David McCullough In this powerful epic biography David McCullough unfolds the adventurous life journey of John Adams the brilliant fiercely independent often irascible always honest Yankee patriot who spared nothing in his zeal for the American Revolution who rose to become the second president of the United States and saved the country from blundering into an unnecessary war who was learned beyond all but a few and regarded by some as out of his senses and whose marriage to the wise and valiant Abigail Adams is one of the moving love stories in American history This is history on a grand scale a book about politics and war and social issues but also about human nature love religious faith virtue ambition friendship and betrayal and the far reaching consequences of noble ideas Above all John Adams is an enthralling often surprising story of one of the most important and fascinating Americans who ever lived **David McCullough American Presidents E-Book Box Set** David McCullough, 2011-05-24 From America's most beloved biographer David McCullough Time a collection of his bestselling biographies of American Presidents This ebook box set features David McCullough's award winning biographies of American Presidents John Adams is the magisterial Pulitzer Prize winning biography of the independent irascible Yankee patriot one of

our nation's founders and most important figures who became our second president Mornings on Horseback is the brilliant National Book Award winning biography of young Theodore Roosevelt's metamorphosis from sickly child to a vigorous intense man poised to become a national hero and then president Truman is the Pulitzer Prize winning biography of Harry Truman the complex and courageous man who rose from modest origins to make momentous decisions as president from dropping the atomic bomb to going to war in Korea Including a special bonus The Course of Human Events In this Jefferson Lecture in the Humanities David McCullough draws on his personal experience as a historian to acknowledge the crucial importance of writing in history's enduring impact and influence and he affirms the significance of history in teaching us about human nature through the ages *In Defense of Thomas Jefferson* William G. Hyland, 2009-06-09 The belief that Thomas Jefferson had an affair and fathered a child or children with slave Sally Hemings and that such an allegation was proven by DNA testing has become so pervasive in American popular culture that it is not only widely accepted but taught to students as historical fact But as William G Hyland Jr demonstrates this fact is nothing more than the accumulation of salacious rumors and irresponsible scholarship over the years much of it inspired by political grudges academic opportunism and the trend of historical revisionism that seeks to drag the reputation of the Founding Fathers through the mud In this startling and revelatory argument Hyland shows not only that the evidence against Jefferson is lacking but that in fact he is entirely innocent of the charge of having sexual relations with Hemings Historians have the wrong Jefferson Hyland an experienced trial lawyer presents the most reliable historical evidence while dissecting the unreliable and in doing so he cuts through centuries of unsubstantiated charges The author reminds us that the DNA tests identified Eston Hemings Sally's youngest child as being merely the descendant of a Jefferson male Randolph Jefferson the president's wayward younger brother with a reputation for socializing among the Monticello slaves emerges as the most likely of several possible candidates Meanwhile the author traces the evolution of this rumor about Thomas Jefferson back to the allegation made by one James Callendar a drunken ruffian who carried a grudge after unsuccessfully lobbying the president for a postmaster appointment and who then openly bragged of ruining Jefferson's reputation Hyland also delves into Hemings family oral histories that go against the popular rumor as well as the ways in which the Jefferson rumors were advanced by less than historical dramas and by flawed scholarly research often shaped by political agendas Reflecting both a layperson's curiosity and a lawyer's precision Hyland definitively puts to rest the allegation of the thirty eight year liaison between Jefferson and Hemings In doing so he reclaims the nation's third president from the arena of Hollywood style myth and melodrama and gives his readers a unique opportunity to serve as jurors on this enduringly fascinating episode in American history

Scandal monger William Safire, 2001 A historical novel based on five scandals in 1790's America **Public Art, Memorials and Atlantic Slavery** Celeste-Marie Bernier, Judie Newman, 2013-09-13 In this collection distinguished American and European scholars curators and artists discuss major issues concerning the representation and commemoration of

slavery as brought into sharp focus by the 2007 bicentennial of the abolition of the slave trade Writers consider nineteenth and twentieth century American and European images of African Americans art installations photography literature sculpture exhibitions performances painting film and material culture This is essential reading for historians cultural critics art historians educationalists and museologists in America as in Europe and an important contribution to the understanding of the African diaspora race American and British history heritage tourism and transatlantic relations Contributions include previously unpublished interview material with artists and practitioners and a comprehensive review of the commemorative exhibitions of 2007 Illustrations include images from Louisiana Maryland and Virginia many previously unpublished in black and white which challenge previous understandings of the aesthetics of slave representation This book was published as a special issue of *Slavery and Abolition*

Thomas Jefferson and Sally Hemings Annette Gordon-Reed, 1998-03-29 When Annette Gordon Reed's groundbreaking study was first published rumors of Thomas Jefferson's sexual involvement with his slave Sally Hemings had circulated for two centuries Among all aspects of Jefferson's renowned life it was perhaps the most hotly contested topic The publication of *Thomas Jefferson and Sally Hemings* intensified this debate by identifying glaring inconsistencies in many noted scholars' evaluations of the existing evidence In this study Gordon Reed assembles a fascinating and convincing argument not that the alleged thirty-eight year liaison necessarily took place but rather that the evidence for its taking place has been denied a fair hearing Friends of Jefferson sought to debunk the Hemings story as early as 1800 and most subsequent historians and biographers followed suit finding the affair unthinkable based upon their view of Jefferson's life character and beliefs Gordon Reed responds to these critics by pointing out numerous errors and prejudices in their writings ranging from inaccurate citations to impossible time lines to virtual exclusions of evidence especially evidence concerning the Hemings family She demonstrates how these scholars may have been misguided by their own biases and may even have tailored evidence to serve and preserve their opinions of Jefferson This updated edition of the book also includes an afterword in which the author comments on the DNA study that provided further evidence of a Jefferson and Hemings liaison Possessing both a layperson's unfettered curiosity and a lawyer's logical mind Annette Gordon Reed writes with a style and compassion that are irresistible Each chapter revolves around a key figure in the Hemings drama and the resulting portraits are engrossing and very personal Gordon Reed also brings a keen intuitive sense of the psychological complexities of human relationships relationships that in the real world often develop regardless of status or race The most compelling element of all however is her extensive and careful research which often allows the evidence to speak for itself *Thomas Jefferson and Sally Hemings* An American Controversy is the definitive look at a centuries-old question that should fascinate general readers and historians alike

Affairs of State Robert P. Watson, 2012-09-06 In recent years Arnold Schwarzenegger Eliot Spitzer John Edwards Newt Gingrich Herman Cain and countless other politicians have made headlines for their sexual scandals But such stories are not new Indeed there is a long history of misbehavior in politics

including in the nation's highest office Bill Clinton it can safely be said was not the first president to misbehave nor was he the worst In fact there is a long history of presidential peccadilloes Many presidents have been influenced and had their careers affected by the hand of a woman sometimes that of a wife or mother but at other times that of a mistress But these stories are rarely told Instead history has tended to glorify our leaders Such a scrubbed version of the lives of presidents however omits their marital woes love lives and sexual peccadilloes As Robert P Watson reveals it is precisely these intimate and all too human moments that provide some of the most valuable insights into our leaders Affairs of State is not just about sex and scandal the who did it of history although such incidents are described in detail It is a book about love marriage and affairs in the White House offering an intimate character study of the First Couples who made history To see the author discuss his book on Inside South Florida please click here To see him discuss the book on C-SPAN please click here

Cyndi's List Cyndi Howells, 2001 A two volume set which provides researchers with more than 70 000 links to every conceivable genealogical resource on the Internet [Africana](#) Anthony Appiah, Henry Louis Gates (Jr.), 2005 Ninety years after W E B Du Bois first articulated the need for the equivalent of a black Encyclopedia Britannica Kwame Anthony Appiah and Henry Louis Gates Jr realized his vision by publishing Africana The Encyclopedia of the African and African American Experience in 1999 This new greatly expanded edition of the original work broadens the foundation provided by Africana Including more than one million new words Africana has been completely updated and revised New entries on African kingdoms have been added bibliographies now accompany most articles and the encyclopedia's coverage of the African diaspora in Latin America and the Caribbean has been expanded transforming the set into the most authoritative research and scholarly reference set on the African experience ever created More than 4 000 articles cover prominent individuals events trends places political movements art forms business and trade religion ethnic groups organizations and countries on both sides of the Atlantic African American history and culture in the present day United States receive a strong emphasis but African American history and culture throughout the rest of the Americas and their origins in Africa itself have an equally strong presence The articles that make up Africana cover subjects ranging from affirmative action to zydeco and span over four million years from the earliest known hominids to Sean Diddy Combs With entries ranging from the African ethnic groups to members of the Congressional Black Caucus Africana Second Edition conveys the history and scope of cultural expression of people of African descent with unprecedented depth **Southern Honor** Bertram Wyatt-Brown, 1982-09-23 A finalist for the Pulitzer Prize and the American Book Award hailed in The Washington Post as a work of enormous imagination and enterprise and in The New York Times as an important original book Southern Honor revolutionized our understanding of the antebellum South revealing how Southern men adopted an ancient honor code that shaped their society from top to bottom Using legal documents letters diaries and newspaper columns Wyatt Brown offers fascinating examples to illuminate the dynamics of Southern life throughout the antebellum period He describes how Southern whites living chiefly in

small rural agrarian surroundings in which everyone knew everyone else established the local hierarchy of kinfolk and neighbors according to their individual and familial reputation By claiming honor and dreading shame they controlled their slaves ruled their households established the social rankings of themselves kinfolk and neighbors and responded ferociously against perceived threats The shamed and shameless sometimes suffered grievously for defying community norms Wyatt Brown further explains how a Southern elite refined the ethic Learning gentlemanly behavior and deliberate rather than reckless resort to arms softened the cruder form which the author calls primal honor In either case honor required men to demonstrate their prowess and engage in fierce defense of individual family community and regional reputation by duel physical encounter or war Subordination of African Americans was uppermost in this Southern ethic Any threat whether from the slaves themselves or from outside agitation had to be met forcefully Slavery was the root cause of the Civil War but according to Wyatt Brown honor pulled the trigger Featuring a new introduction by the author this anniversary edition of a classic work offers readers a compelling view of Southern culture before the Civil War

Jefferson's Declaration of Independence Allen Jayne, 2021-09-15 Allen Jayne analyzes the ideology of the Declaration of Independence and its implications by going back to the sources of Jefferson's ideas Bolingbroke Kames Reid and Locke He concludes that the Declaration must be read as an attack on two claims of absolute authority that of government over its subjects and of religion over the minds of men Today's world is more secular than Jefferson's and the importance of philosophical theology in eighteenth century critical thought must be recognized in order to understand fully and completely the Declaration's implications Jayne addresses this need by putting religion back into the discussion

Long Journey with Mr. Jefferson William G. Hyland (Jr.), 2013 The fascinating life and work of a preeminent presidential biographer

Intermarriage in the United States Gary A. Cretser, Joseph J. Leon, 1982 Therapists who work with couples will find valuable background information on some of the major ethnic groups who intermarry in the United States black Chinese Japanese Mexican Korean Philippino and Caucasian Intermarriage in the United States presents A thorough compilation of information on issues of interracial and intercultural marriage in the United States focusing particularly on the difficulties and failures of the marriages This unique and much needed volume focuses on the psychological conditions of the marriage partners intermarriage as an indicator of social assimilation and integration hypergamy including both caste and class hypergamy and much more
