## **Jehovah Contract:**

The Jehovah Contract Victor Koman,1999-02      **Jumpin' Jehovah** Paul Tice,2007-07 With this book your views on God will never be the same With clear Biblical evidence Jehovah is shown to be an entity with no sense of ethics forgiveness or compassion Was Jehovah a god or a demon Why did he never promise a heaven or any kind of reward to his followers Does any entity that murders thousands of devoted followers deserve to be worshiped Jehovah has stopped punishing people in terrible ways so its probably safe to buy this book      Zion's Watch Tower and Herald of Christ's Presence ,1928      **The A to Z of Jehovah's Witnesses** George D. Chryssides,2009 This volume shows how World Wars I II influenced Watch Tower attitudes to civil government armed conflict and medical innovations like blood transfusion as well as to mainstream churches and the development of Jehovah s Witnesses door to door evangelism The theme of prophecy the doctrine of the 144 000 end time calculations Armageddon and the Witnesses denial of hell are all considered in this work which contains a chronology an introductory essay a bibliography and 250 cross referenced dictionary entries relating to key people and concepts Originating from a small group of Bible students led by Charles Taze Russell in the 1870s the Watch Tower Society grew into an international society After Russell s death in 1916 Franklin Rutherford was named his successor and gave the society a new name Jehovah s Witnesses      **The Anderson Revisionist Bible: The Books of Moses** Stephen Warde Anderson,2017-04-22 The Books of Moses is the first of five volumes that will comprise The Anderson Revisionist Bible A work in progress it is based upon existing translations Rendered into contemporary language and purged of antiquated words outmoded expressions and religious jargon it aspires to accurately convey the meaning of the original biblical texts while presenting a highly readable and understandable narrative Targeted to a general popular audience especially skeptics and the non religious it deals with the Bible the most important book ever written not as hallowed Scripture but as an ancient text meriting objective analysis both as an historical account and as an articulation of religious creed It is richly annotated with informative material critical assessment and speculative commentary it essays to answer the questions the average reader would ask and address the issues the layman might wonder about      The Truth About Reality Anti Christ,2008-08-15 This book is for you Anti Christ introduces you to yourself your government and to your god People from all walks of life and religion wonder about the validity of religion Are physical creatures eternal beings cast in a prison of flesh or did life accidentally spring forth from the absurd and incoherent twists and turns of evolution The several kinds of reality this book introduces fill the voids of understanding about reality with real knowledge The book is not about religion spirituality occult or anything concretely physical It encompasses all the deceitful control schemes laid on you like obedient dogs in their traces You cannot afford to stay ignorant for your continued existence depends on knowing what and who you are physically and spiritually The mysteries of life are caused by your belief systems To believe means that you do not know Belief is the portal to hell the permanent state of living death knowledge is the portal to reality and eternal life Science and religion cannot give

the insight this book brings Whether you believe the material is for you or not you cannot afford to remain ignorant for the route back to true reality is made clear Ignorance always portrays itself as brilliance The world is full of brilliant pretenders My brother Anti Christ leads you from example to example to understand the hoax on which physical reality is based The more real life seems the more you are betrayed and trapped The greatest mystery in the mind is the mystery of yourself Vaguely you all believe to be strangers guilty of something not understood Anti Christ gives you the better outlook on life than any ideology ism or cult you now subscribe to Through believing clever deceits mankind never saw physical awareness for what it is What humanity endlessly searches for lies revealed in the pages of this book It overrules all human and so called godly knowledge I could not have said it better Make it yours Jesus Christ *Kingdoms and Covenants* Daniel H. Shubin,2000-08-14 *Kingdoms and Covenants* is an interpretive commentary on the Bible It is unique because of the narrative format used to cover a wide range of topics in every area of Bible interpretation beginning with Genesis through the Gospels and concluding with Revelations The final section deals with the manner the early Church apologists departed from the divine concepts as originally defined in the Bible This book is a necessity for every person involved in Bible study ministers and teachers alike **The Harp of God: Proof Conclusive That Millions Now Living Will Never Die** J. F. Rutherford,2022-05-28 In *The Harp of God Proof Conclusive That Millions Now Living Will Never Die* J F Rutherford presents a profound exploration of biblical prophecies and the promise of resurrection This theological treatise is characterized by its persuasive rhetoric and meticulous scriptural analysis drawing heavily on both the Old and New Testaments to construct a compelling case for the imminent transformation of human existence Rutherford weaves together historical context and exegetical insights positioning his arguments within the broader discourse of early 20th century religious thought notably Jehovah s Witnesses teachings while also challenging contemporary Christian doctrines on the afterlife J F Rutherford as a prominent leader and theologian of the Jehovah s Witnesses movement was profoundly influenced by early 20th century eschatological expectations and the societal upheaval of his time notably World War I This charged atmosphere certainly shaped his views on death life and hope for the future His extensive involvement with the Watch Tower Society and his commitment to disseminating unorthodox interpretations of scripture reflect a deep seated desire to provide comfort and clarity to believers seeking answers in an uncertain world This book is a must read for those interested in eschatology biblical interpretation and the history of modern religious movements Whether you are a scholar a student of theology or simply curious about the distinctive beliefs of Jehovah s Witnesses Rutherford s insight and conviction will challenge your understanding and inspire deep reflection **Religious Values and Intellectual Consistency** Edward Hartman Reisner,1915 *Studies religious values and intellectual consistency from its origin to classical Christianity the religion of idealism and the God concept* **Archives of Philosophy ...** ,1914 **Hope & Enlightenment** Oswald Cole,2022-04-19 *Hope and Enlightenment* is a blog hosted through Wordpress a website and blogging platform It became an idea for Oswald
