Jehovah The First Godfather:

Jehovah the First Godfather Carlton Marion Morris Jr., 2001-02-21 Through ignorance misunderstanding custom and tradition the Jewish and Christian religions have combined three distinct and individual entities into one being they call God This is contrary to their holy scriptures There are in fact three and individual entities in scripture who are know by this title There is GOD the universal creator the Lord God the creator of man and then there is Jehovah the God of the Jews He is the one we are most concerned about For he was the First Godfather In the book entitled Jehovah the First Godfather an agnostics view of God the Bible and Religion the appropriate scriptures are use to separate and explain the differences between these three entities and to explain the part they play in the creation of the universe the creation of man and the religion of one group of nomads called the Israelites For the lack of an understanding of the where when how why and by whom the universe was created we say that it is the handiwork of GOD He She or It designed created and controls this creation through laws and forces we are just now beginning to understand According to biblical scripture organic life both animal and vegetable were a part of that original design Primitive organic life began before the stars and moon were put into motion Gen 1 11 13 After the formation of the stars moons and planets more advance forms of organic life came into existence The Bible identifies a few of those the more advanced forms of life One of the species of life created as a part of that original design and may well have originated in the seas of another world was a race of beings identified by Jehovah during his instruction of Moses as the living creature It was a form of life which evolved into an intelligent creative thinking race of beings who became so advanced in their culture civilization science and technology that they began to travel the stars In their travels they stepped down upon many planets Some they tried to colonized The earth was one of those planets That colonization attempt failed In their one of their later visits a few thousand years ago they came to this planet to mine for minerals It was during this time that mankind was created We were naked slaves created to mine for the minerals they desired to wait on and serve them at their leisure Our creation was not by some heavenly or divine power out of love and benevolence but out of commercial necessity We were created by the medical and scientific process of cloning The biblical description of the creation of Eve supports such an hypothesis The description of her creation is much the same as the procedures being used by our doctors and scientists today to create duplicates and modified alternation of many different species of life among them man himself The leader and the authority by which man came into being was the individual identified by Jehovah as the Lord God and by Melchizedek king and high priest of Salem as the Most High God To be the most high god indicates that there must have been lessor beings also identified as gods One of those lessor beings was Jehovah one of the subordinates of the Lord God He is identified in scripture as YHWH Yahweh Ishi Baali and Jehovah Jehovah assumed the title of a god when he convinced Abraham to follow him He did not become a god until he lead the Hebrews into the Sinai wilderness Gods need worshipers temples priests sacrificial offerings gifts and a land to call ones own

Jehovah had none of these things until he was able to have Moses lead the Hebrews into the Sinai wilderness This was his first step in establishing his dynasty Once he had the congregation under his control he had taken the first step towards his ambition he had worshipers Next he ordained the tribe of Levi as the priests who would wait on and serve him **The Left Hand of the Biblical Gods** Carlton Morris,2024-09-30 The Left Hand of the Biblical God refers to the myths customs rituals ceremonies and sacrifices performed by religious organizations that are the shields that hide the true identity of both the benevolent Lord God and Jehovah the vindictive God of Abraham It is a saga of their genetic bloodlines that of the Lord God through Adam and that of Jehovah through his son Isaac It is a realistic look at the civilized society of man before the flood and a critical critique of the recorded death suffering trials and tribulations of the Jewish people after the flood The Left Hand of the Biblical God is a new and different perspective on the identity of the biblical gods and their relationship with man an analysis of the Christian Bible and the reality of organized religion It is a perspective that will never be heard preached from the pulpit or taught in Sunday school Random Thoughts of an Old Man in a Rocking Chair C. Marion M.,2022-08-01 This book is a quick summary of a family's survival of the trials and hardships of the Great Depression It is a look at one boy's unique World War II experience his Korean and Vietnam military background In 1951 he had a loss of faith which did not return until 1988 when he received what can only be called biblical revelation that he could never have imagined or anticipated His renewed faith created Random Thoughts of an Old Man in a Rocking Chair that became a collection of the successes failures observations and homespun philosophy that gave meaning to both his successes and failures from a religious perspective a perspective that made his life the marvelous adventure it has been He is truly an individual who can say aEURoI have been there and done that aEUR **REVIEWING 2013 New World Translation of Jehovah's Witnesses** Edward D. from the wrong side of the tracks But from his first days Kevin gravitated toward power and in Tarpon Springs that meant local crime boss Lukie Pappas As a boy Kevin hung out at the Pappas Restaurant and he saw how the townspeople approached Lukie How they respected him How they came to him for help How they called him nouns Greek for godfather From the shadows Kevin admired it all When he turned seventeen Kevin s world flipped upside down His dying father confessed that Kevin was the son of another man and not just any man He was the son of Lukie Pappas Suddenly Kevin s destiny was clear His lineage became his fate His rightful place was beside the Greek godfather who ruled his hometown But Lukie coldly rejected him as both a son and a colleague Fueled by rage and pride Kevin claimed the Pappas name as his own and embarked on his own criminal enterprise From two bit swindling he rose quickly to high stakes drug trafficking Money laundering gunrunning and racketeering polished his underworld résumé even as they placed him squarely in the crosshairs of every federal agency with three initials and a most wanted list And when he got caught Kevin s time behind bars only honed his criminal instinct hardened his resolve and cemented his reputation as a larger than life outlaw who sometimes went down but could never be taken out Still in his early twenties but as powerful as any crime boss Kevin surrounded himself with an elite group a posse that called itself the Band of Five Flush with fast cars boats planes and women they wanted for nothing but their antics invited violent attempts to bring Kevin to his senses or at least to his knees More than a gripping tale Godfather of Night unveils the Greek American crime syndicate and its close alignment to power and takes readers to a dark place where family secrets collide with high level crime and corruption Kevin Pappas s story is a true crime epic for a new generation of wiseguys full of the harrowing war stories and hard won wisdom of a man who lived by his own rules broke everyone else s and dared the world to try to stop him From the Hardcover edition [The Substance of Sociology](#) Ephraim Harold Mizruchi,1967 *Warner Arundell* Edward Lanzer Joseph,2001 Of all the islands in the Caribbean Trinidad has experienced the most varied ethnocultural and linguistic history Its relatively brief period of plantation slavery and extent of racial mixing have generated a wide range of literary responses Previous examinations of Trinidad s literary roots have largely dismissed works written prior to 1920 The first work in the series is Warner Arundell the Adventures of a Creole originally published in 1838 This was the first novel set at least partly in Trinidad and possibly the first Caribbean novel in English This extremely well written novel provides a good read as it chronicles the adventures of Warner Arundell a white Creole of British descent born in Grenada and brought up in Antigua and Trinidad After being defrauded by lawyers he studies law in Venezuela and medicine in England then goes to seek his fortune After many adventures he is reunited with the coloured branch of his family and his Venezuelan love The originally published novel has been heavily annotated and the contextualized edition of the original text makes it useful to scholars The book is of particular interest to students and faculty of Caribbean literature **The Routledge Companion to Twenty-First Century Literary Fiction** Daniel O'Gorman,Robert Eaglestone,2019-01-15 The study of contemporary fiction is a fascinating yet challenging one
