Jehovahs Witnesses Watch Out For The Watchtower:

The Four Presidents of the Watch Tower Society (Jehovah's Witnesses) Edmond C. Gruss,2003 Jehovah's Witnesses Gordon E. Duggar,1989 **Another Gospel** Ruth A. Tucker,2004 Ruth A Tucker s book is a comprehensive survey of all the major alternative religions in the United States including the new groups since the 1960s **Religious Freedom** Gerhard Besier,Olaf Lange,Ilkka Huhta,2019-05 Restrictions with respect to religious freedom have been in place in authoritarian states for a number of years We can observe a new period of co operation between authoritarian states and state churches Some churches have assumed a clearly political position even in belligerent conflicts by justifying wars criminalizing their religious competitors and thereby exploiting the Christian Gospel for non Christian purposes In this volume scholars from Europe and North America discuss the core objective of religious freedom in the West and East seeking measures to encourage religions to act and interact independent of deliberate political stances to maintain their distance from territorial governments and to strengthen the principle of religious freedom and thereby their own denomination as well

Reasoning from the Scriptures with the Jehovah's Witnesses Ron Rhodes,2009-07-01 Christians have great news to offer Jehovah s Witnesses In this revised and updated version of the top selling Reasoning from the Scriptures with the Jehovah s Witnesses more than 90 000 copies sold author and Bible expert Ron Rhodes helps readers delve into the Bible and use practical tools to share God s truths with those who come calling Convenient side by side comparisons of the New World Translation and the Bible along with answers to each doctrinal error espoused by the Witnesses Point by point lists of the favorite tactics and arguments used by the Witnesses along with effective biblical responses to each Questions you can ask to challenge the Jehovah s Witnesses confidence in the Watchtower Society With easy to understand helps concise information direct comparisons of beliefs and a compassionate presentation this resource from Ron Rhodes is ideal for personal and church libraries and for any reader who wants to confidently share the gospel *The Watchtower's Coming Crisis* Daniel Rodriguez,2011 A devastating crisis has the Jehovah s Witness religion facing extinction Chances are that you have never met a real Jehovah s Witness While those at your door may claim to be one of Jehovah s Witnesses their own publications plainly teach otherwise So who are the real Jehovah s Witnesses The Watchtower Society teaches that they are members of the 144 000 who will be the only ones going to heaven Membership in this group began with the early apostles Over the centuries others have been added but the Watchtower declared that the number was completed in 1935 Anyone who claims to be one of Jehovah s Witnesses has to be one of the 144 000 and must be very old now However the Watchtower Society teaches that these are the only ones who hear from God and are responsible for Watchtower teaching and leadership Because these people are dying the Watchtower is facing a credibility crisis So the Watchtower is quietly manipulating these death figures to keep the Watchtower organization alive And now just last year Watchtower literature quietly began to try to wiggle out of the 1935 closing date for the 144 000 But this only adds further opportunity for you to show the JW who comes

to your door that he cannot trust the Watchtower with his precious eternal life The Watchtower representative at your door believes he will remain on Paradise Earth after the coming Armageddon since only the original 144 000 have any hope of going to heaven In fact they are the only ones allowed to take communion He does not believe he can understand Bible truths without the Watchtower He is dependent on a publication that one day soon will be left without writers to reveal God s truths Who are those writers Those who remain of the original 144 000 and they are dying Oddly enough their founder Charles Taze Russell never taught the doctrine of the 144 000 In this book you will learn the true history of this false Watchtower doctrine You will be surprised to discover that this doctrine is not just a Bible issue It is also a historical issue and a numbers game that the Watchtower Society has had to manipulate throughout the years to keep that organization alive With the information and witnessing strategies in this book you will be able to plant seeds of doubt and undermine the authority of the Watchtower The Watchtower knows it is essential that this cornerstone doctrine remain alive if it is going to continue to exist as the spiritual leader for its followers Time is the enemy of this teaching and they know it

Jehovah's Witnesses George D. Chryssides, 2022-01-27 What would happen if I accepted an invitation to Bible Study from Jehovah s Witnesses What would attending a Kingdom Hall meeting involve And if I invited door knocking Witnesses into my home This book introduces Jehovah s Witnesses without assuming prior knowledge of the Watch Tower organization After outlining the Society s origins and history the book explains their key beliefs and practices by taking the reader through the process of the seeker who makes initial contact with Witnesses and progresses to take instruction and become a baptized member The book then explores what is involved in being a Witness congregational life lifestyle rites of passage their understanding of the Bible and prophetic expectations It examines the various processes and consequences of leaving the organization controversies that have arisen in the course of its history and popular criticisms Discussion is given to the likelihood of reforms within the organization such as its stance on blood transfusions the role of women and new methods of meeting and evangelizing in response to the COVID 19 pandemic

Jehovah's Witnesses Robert M. Bowman Jr., 2016-09-06 The zeal and dedication of Jehovah s Witnesses mask a highly disciplined organization that has a troubled history Moreover their thorough knowledge of their own scriptures gives a pretense of having spiritual truth The movement has grown from about 1 1 million worldwide in 1965 to 4 4 million today Yet all is not what it seems in the Watchtower Society How do the teachings of the Jehovah s Witnesses run counter to orthodox Christianity What drives adherents to give hundreds of hours a year to witnessing What draws converts to a cult of strict control by religious leaders Why this series This is an age when countless groups and movements old and new mark the religious landscape in our culture leaving many people confused or uncertain in their search for spiritual truth and meaning Because few people have the time or opportunity to research these movements fully these books provide essential information and insights for their spiritual journeys Each book has five sections A concise introduction to the group An overview of the group s theology in its own words Tips for witnessing effectively to members of

the group A bibliography with sources for further study A comparison chart that shows the essential differences between biblical Christianity and the group The writers of these volumes are well qualified to present clear and reliable information and help us discern religious truth from falsehood **Jehovah's Witnesses and the Secular World** Zoe Knox,2018-01-29 This book examines the historic tensions between Jehovah s Witnesses and government authorities civic organisations established churches and the broader public Witnesses originated in the 1870s as small loose knit groups calling themselves Bible Students Today there are some eight million Witnesses worldwide all actively engaged in evangelism under the direction of the Watch Tower Society The author analyses issues that have brought them global visibility and even notoriety including political neutrality public ministry blood transfusion and anti ecumenism It also explores anti Witness discourse from media portrayals of the community as marginal and exotic to the anti cult movement Focusing on varied historical ideological and national contexts the book argues that Witnesses have had a defining influence on conceptions of religious tolerance in the modern world **The Oxford Handbook of the Bible in America** Paul C. Gutjahr,2017 Early Americans have long been considered A People of the Book Because the nickname was coined primarily to invoke close associations between Americans and the Bible it is easy to overlook the central fact that it was a book not a geographic location a monarch or even a shared language that has served as a cornerstone in countless investigations into the formation and fragmentation of early American culture Few books can lay claim to such powers of civilization altering influence Among those which can are sacred books and for Americans principal among such books stands the Bible This Handbook is designed to address a noticeable void in resources focused on analyzing the Bible in America in various historical moments and in relationship to specific institutions and cultural expressions It takes seriously the fact that the Bible is both a physical object that has exercised considerable totemic power as well as a text with a powerful intellectual design that has inspired everything from national religious and educational practices to a wide spectrum of artistic endeavors to our nation s politics and foreign policy This Handbook brings together a number of established scholars as well as younger scholars on the rise to provide a scholarly overview rich with bibliographic resources to those interested in the Bible s role in American cultural formation **JEHOVAH'S WITNESSES 101** Edward D. Andrews,2022-05-18 Each year the Jehovah s Witnesses spend about 2 billion hours evangelizing their communities around the world in 357 languages Many think that they know the Jehovah s Witnesses but the sources are usually twofold 1 They are misinformed Bible scholars who have read books and websites by disgruntled ex Jehovah s Witnesses 2 They have read books or comments by disgruntled ex Jehovah s Witnesses Herein you will learn a lot that you may have not known and learn some things about how to better evangelize them or if you are even up to evangelize them Moreover we will use some arguments often raised about Jehovah s Witnesses as our text case from such persons as J Warner Wallace is a leading Evangelical Christian apologist today Here is what you will need to know in order to effectively share your faith with JWs when they come knocking **Jehovah's Witnesses and the Third Reich** M. James

Penton,2004-01-01 Using materials from Witness archives the U S State Department Nazi files and other sources M James Penton demonstrates that while many ordinary German Witnesses were brave in their opposition to Nazism their leaders were quite prepared to support the Hitler government from publisher description **Approaching Jehovah's Witnesses in Love** Wilbur Lingle,2004-01-01 Do you feel like hiding when Jehovah s Witnesses ring your doorbell Have you tried to convey your faith to them and gotten nowhere It s proven and practical guide which includes questions answers conversation starters and other great witnessing tools that will help you speak to Jehovah s Witnesses **REVIEWING 2013 New World Translation of Jehovah's Witnesses** Edward D. Andrews,2018-01-28 REVIEWING 2013 New World Translation of Jehovah s Witnesses is going to challenge your objectivity Being objective means that personal feelings or opinions do not influence you in considering and representing facts Being subjective means that your understanding is based on or influenced by personal feelings tastes or ideas If the reader finds these insights offense it might be a little mind control at work from years of being told the same misinformation repeatedly so ponder things objectively We can also have preconceived ideas that have been a part of our thinking for so long we do not question them Preconceived is an idea or opinion that is formed before having the evidence for its truth If we are to be effective we must season our words so that they are received well Then there is the term preconception which means a preconceived idea or prejudice Seasoned words honesty and accuracy are distinctive features of effective apologetic evangelism The 10 Most Important Things You Can Say to a Jehovah's Witness Ron Rhodes,2001-08-15 Highlights false prophecies of Jehovah s Witnesses leaders errors in the New World Translation Bible their unbiblical views **Jehovah's Witnesses** Edmond C. James Penton,1997-01-01 M James Penton offers a comprehensive overview of a remarkable religious movement from the Witnesses inauspicious creation by a Pennsylvania preacher in the 1870s to its position as a religious sect with millions of followers world wide This second edition features an afterword by the author and an expanded bibliography Index of Watchtower Errors 1879 to 1989 David A.
